Classes are so overcrowded, rooms so overloaded, and teachers so few, that the three institutions will have to close the door on at least 1000 Oregon boys and girls, and perhaps upon twice that number next fall, unless the new millage support bill passes on May 21.

These three institutions have, when compared with the year when the present millage support bill was passed,

- 150 per cent More Students but only
- 15 per cent More Classrooms and less than
- 4 per cent More Income

The fact that higher education in Oregon is in a crisis cannot be said too strongly. You are urged to work for the Higher Educational relief measure, and to help it with your vote on May 21.

# Announcement

SEVERAL MONTHS AGO WE inaugurated the system of giving green tickets redeemable in Silverware with each cash purchase or on accounts paid on or before the 10th of each month. A great deal of dissatisfaction has arisen in connection with these tickets and we have decided to discontinue the giving of them. Any of our customers who are still holding these tickets or register receipts and other receipts for payments on account, on which tickets are due, will be reimbursed by us, in merchandise at the rate of 3 per cent on the amount of purchase. Please present the receipts, etc., for adjustment before May 1st, 1920.
