Count Tolstoy on Chautauqua Program

It is with no little satisfaction and pride that the West Coast Chautauqua management announces the coming of Count Ilya Tolstoy, son and literary heir of the great Leo Tolstoy.

Born and reared to well advanced manhood in his native country, and having but recently returned from Russia where he made a careful study of political and economic conditions, no man in America is so well informed on present day Russian subjects as Count Ilya Tolstoy, and no other can speak with equal authority. Count Tolstoy has an excellent command of the English language, and his views, which are anti-Bolshevik, have appeared in twelve periodicals, including Time, Harper's, Everybody's, Collier's and Leslie's.

Presenting this lecture feature is a distinct accomplishment and is a striking example of the worth to a community of good Chautauqua service. This great movement has now assumed world significance and is placing within the reach of towns of any size the opportunity of hearing some of the world's greatest.

The third night of the Chautauqua should find a record attendance to do honor to the coming of Count Tolstoy.

CHANDLER SIX
Famous For Its Marvelous Motor

Why the Chandler Holds Its Leadership

THE Chandler car has attained and held its place of leadership among all sixes, by steadfast pursuance of worthy policies.

There is but one Chandler car, one Chandler chassis. To that chassis, for seven years, have been devoted the ambitions and the engineering ability and the sincere purposes of its builders.

Featuring this sturdy chassis is the famous Chandler motor, brought to a plane approximating perfection through these years of refinement and development.

Nearly eighty thousand Chandler owners know the excellence of this motor. They know its power, and the flexibility of its power. They know its endurance. They know its economy. They know it affords all the speed that any responsible driver would ever wish or dare to use. They know that on mountain roads it leads the way up.

On this one chassis are mounted six handsome and comfortable types of body, built by America's best body-builders and splendidly finished and cushioned.
