He was brought to town for surgical attention and his condition is now greatly improved.

Cabbage plants, 15 cents per dozen, 75 cents per hundred, \$6 per thousand. Tomatoes, 2 1-2 cents and 5 cents according to size. Celery, peppers, cauliflower, 2 1-2 cents each. I grow only such varieties of vegetable plants as are adapted to this climate, for instance of growing a tree tomato that has the highest quality of darkest red fruit. When these plants get frosted they will actually sprout out from the stalk and make the most vigorous growth.
