

To the Rescue

son, Elwood Leek, who has been in the local hospital for several weeks, wishes to express her appreciation of all kindness and courtesy shown to her son during his illness. Mrs. Leek was impressed with the location of the hospital and congratulates Heppner upon having such an asset. New additions to the hospital are now in course of construction and the added equipment will soon be installed. Mrs. Leek has the highest praise for the efficient manner in which the hospital is conducted, with Dr. H. T. Allison, physician in charge, Mrs. Ray Moore, superintendent and Mrs. L. G. Herren, night nurse.

Young Leek was with the Chautauqua, and had a part in the Mikado with the Davies Light Opera company. However, he was unable to sing here, as he arrived too ill to appear. He is a graduate of Soldan high school, St. Louis, where he won the fraternity scholarship key of Phi Delta Phi in 1919. His illness is attributed to over study. Mrs. Leek and her son left for their St. Louis home Wednesday morning.

UNIVERSITY OF OREGON NEWS SPECIALS

University of Oregon, Eugene, July 6.—Accompanied by Trainer Bill Hayward, Henry Foster of John Day, Oregon, Kenneth Bartlett of Estacada and Arthur Tuck of Redmond, Oregon will leave July 8th to take part in the final tryouts at Harvard Stadium, Boston, July 17th, for places on the team which will represent the United States at the Olympic games at Antwerp, Belgium. Two of the men, Foster in the broad jump, and Bartlett in the discuss throw, hold the best record made in America this year.

Foster, a member of the class of 1920, will enter the 220 meter run and the broad jump. He was one of the men who took part in the preliminaries at Pasadena this month but did not qualify. He was accepted for the finals on account of his past record. Foster's record of 23 feet 10 inches was the best made in this country this year.

Bartlett, was also a member of this year's graduating class from the University. In the games at Pasadena he took first place in the discuss, his record being 143 feet 10 inches.

Arthur Tuck, who has just finished his first year in college, has entered the javelin contest and the octagon. The latter consists of 10 events, javelin, discuss, pole vault, 100 meter 400 meter, 120 meter, high hurdles, broad jump, high jump and 1,000 meter. Tuck distinguished himself in athletics when, as the only entry from Redmond high school, he won first place for that school.

In the tryouts at Pasadena Tuck won second place in the javelin throw but is capable of doing better, being hindered by a sore ankle at the time.

At the last of the Olympic games, held in Stockholm, in 1912, Walter McClure was the winner in the finals for the 1,500 meter. Martin Hawkins, of Portland, took second place in the high hurdles the same year. In 1908 Dan Kelly placed second in the broad jump. Kelly also holds the world's record for the 100 yard and 200 yard run.
