Arrested on Larceny Charge. Mr. and Mrs. Fred Krenz of this city were arrested the first of the week, charged with petty larceny, after a complaint had been filed against them by two young women in the Turner Apartments. The officers made a raid on the Krenz apartments in the same building where the young women live, and recovered a large number of coats and other wearing apparel, which the officers believe to have been stolen. The pair were released under bonds. They have two children.

How to get that wheat to market? A question that has been on the mind of more than one farmer the past few weeks. Scarcity of transportation facilities makes the problem a difficult one—except that farmer can buy a good truck and save enough on the season's hauling to pay for that truck. When we say "a good truck" we mean the U. S., one of the five standard trucks on the market today. Fear & Jennings Local Dealers Heppner, Oregon

GLORIA SWANSON There's a group of crippled kiddies in a children's hospital who are going to have a merrier Christmas this year than ever they envisioned in their happiest dreams, and the good fairy who is going to make the day so bright for them is Gloria Swanson, Paramount-Artcraft star. It is really only a few years ago that Miss Swanson was herself playing with dolls, and she simply cannot pass a toy shop without buying at least a doll or two, or a fuzzy teddy bear. Of course she has had to stand much good-natured teasing on the part of her friends, and indeed, as her toy collection grew and grew Miss Swanson herself began to wonder what she should ever do with it, for she had already given to every one of her small relatives all the toys they could possibly play with, and more too. A casual letter from a school friend, now a nurse in a children's hospital, gave Gloria the great idea, and now she's bidding good-bye to her little toy friends, one by one, and packing them away in a big box. She hopes to be able to visit her friend at Christmas and appear in person as a young Miss Santa Claus, but in any event the toys will be there to make the kiddies happy in their day of days.
