

Salem, Ore.—With capital stock of \$300,000, the Moore Dry Kite company, organized under the laws of Florida, has filed application for permission to operate in Oregon.

Canby City, Ore.—A Mormon bishop, who has sunk a mine 200 feet deep, recently brought in several hundred dollars' worth of wire gold. The bishop has been at work on his mine for two years.

Portland, Ore.—Increasing cost of wood and coal is proving highly beneficial to the Hall Gas Furnace company. The mounting prices of solid fuel have caused such a demand for gas furnaces that the capacity of the Hall plant has had to be doubled to supply orders.

Hood River, Ore.—It is estimated that this year's apple pack will reach only 50 to 60 per cent of last year's 2,000,000-box crop, but the fruit is of exceptional quality.

Another Conclusive Oldfield Tire Victory

Tom Milton, Ralph Mulford, Eddie Hearne and Art Klein finish one, two, three and four on Barney's Tires at Tacoma.

Tommy Milton, recently crowned "Speed King," added to his rapidly growing list of victories when he captured the ninth annual speedway race at Tacoma, July 5th. Averaging 95 miles an hour in his Oldfield equipped Duesenberg he travelled the entire 225 miles without a tire change—another speedway record.

Ralph Mulford driving a Monroe car equipped with Oldfield Tires finished second making one tire change.

Eddie Hearne in an Oldfield equipped Revere established a speedway record when he went the entire distance without a stop, finishing third.

Art Klein, also on Oldfield Tires, drove his Frontenac car in fourth place without a tire change.

Roscoe Saries driving a Monroe car on Mason tires finished fifth making one tire change.

Jimmy Murphy in a Duesenberg on Goodyear Tires finished sixth, making five tire changes.

Gaston Chevrolet, winner of the 500 mile Indianapolis Memorial Day race, had motor trouble but recovered in time to finished seventh in his Oldfield equipped Monroe. He made two tire changes.

Eddie O'Donnell finished eighth in a Duesenberg on Goodyear Tires making several tire changes.

These eight cars finished the race out of the twelve that started. The winner's time was the fastest ever made on the Tacoma speedway in a race of over one hundred miles.

Tommy Milton says "Oldfield tires are not only the most trustworthy tires built but the most wonderful tires ever built."

A Woman of Pleasure

Saturday, July 24th

A photo-dramatization of James Willard's celebrated English melodrama that played three consecutive seasons at the famous Adelphi Theatre in London.

It is the story of a girl who married for money. He married her so that, as his wife, she could not testify against him for a crime she saw him commit. Then she falls in love with the superintendent of her husband's mining interests in South Africa, where the action of the latter half of the story takes place, a Zulu uprising playing an important part in working out the destiny of the triangle.

Monroe Salisbury in "His Divorced Wife"

Tuesday, July 27th

This is not a play that concerns the high and mighty—it is one that involved everyday people. A new dramatic rendering of the eternal triangle—with a gripping climax and a heart-satisfying ending.

High Prices, Crops, Lower Prices, Lumber

Lumber Reduced 30%—New Price List Just Started—May Advance Soon, Due to Fall Demand

Put Today's Prosperity Into Much-Needed Buildings

District Manager Cronk of the Tum-A-Lum Lumber Company states that he is working on List No. 12, which is the third and latest decline in lumber prices this year. Manager Cronk says that much building is being talked of this year, but that shortage of cars and workmen may delay fall building until bad weather unless early action is taken and building plans are not left till the last minute as is usually the case.

Carpenters Johnson, Cox and Baldwin are already busy and have much work ahead in some cases.

Almost certain advances in lumber prices and scarcity of labor will make the "Last Minute" builder wish he had planned and started earlier.

"Size up your crops" and PLAN "AFTER HARVEST BUILDING" NOW, is Manager Cronk's advice. Tum-A-Lum Plan Department furnishes in 48 hours when required, plan and estimate of cost of buildings for Homes and Farms. No obligation to buy. District Manager Cronk has the Tum-A-Lum plan books of Homes (pictures of interiors) and Farm Buildings which he will be glad to explain.
