Farmers & Stockgrowers	

County Court took up the matter of the road viewers report on the matter of the road petition of Earl Hunt, et al, for the establishment of a county road. Viewers report was unfavorable and in their opinion said road should not be established for the following reasons: that the starting point as described in said petition is not on the road as described and is an impractical point as it is 376 feet above the present road. Report was accepted by the Court, and petition denied.

There being no further business court adjourned for the term.

If you are in need of any of the above, it will pay you to see us before buying

Peoples Hardware Co.

HOW TO GET THAT WHEAT TO MARKET?

A question that has been on the mind of more than one farmer the past few weeks. Scarcity of transportation facilities makes the problem a difficult one—except that farmer can buy a good truck and save enough on the season's hauling to pay for that truck.

When we say "a good truck" we mean the U. S., one of the five standard trucks on the market today.
