Jantzen Knit Wear
Unusual—
Those swimmers who dare the unusual in water sports—who astonish you with their facility—are generally the ones who wear the famous
Jantzen Diving Suits
Because of the elasticity of the Jantzen stitch, these suits fit the body easily, naturally, comfortably. They do not allow water to be held between the body and the suit—they make swimming easier.
Men, women and children, there's a "Jantzen" in your size—and just the color you want—at the good shops of your city.
A JANTZEN ALWAYS FITS—NEVER SAGS
