

LIVE CECIL NEWS ITEMS

Miss Mildred Henriksen of Ilium left on Thursday for Canby where she will resume her studies for the coming months.

Miss Roxie Yount of Ione spent Saturday and Sunday at The Last Camp as the guest of Mr. and Mrs. Geo. Krebs.

Leon Logan of Eight Mile bought a Ford truck in Arlington during the week and expects to break the record in the number of sacks delivered at Cecil warehouse when he begins to haul his wheat.

W. G. Palmateer and daughter, Miss Clea of Windynook are busy hauling their wheat to Minor & Hynd warehouse, and the Stender boys are also bringing in their wheat, which we hear is the finest sample yet of Turkey Red brought into Cecil.

Herbert Hynd of Butterby Flats left on Sunday for Heppner, returning home Thursday accompanied by his uncle, W. G. Hynd, of Sand Hollow and his friend Kenneth Merritt who will saxophone to the Cecil select for a few days.

Cecil depot was the scene of a large crowd assembled at train time last Sunday morning, the following passengers leaving: Mrs. Fred Buchanan and son and Barney Ahalt for Echo; T. Forkner for The Willows; R. Pope for Walla Walla; Melvin Logan for Arlington; Mrs. Melvin Logan and son Gene and Sidney Wilmot, Minnie H. Lowe and Robert Lowe for Portland and Geo. W. Wilson for The Willows.

Cecil community has been the scene of several accidents during the past week. J. W. Osborne had the misfortune to have a nasty fall from his horse and has been severely hurt on one of his shoulders. Everett Logan had his right hand burned with gasoline while attending to some of the machinery on his combine and Lester Goodrich, who is working for Everett Logan at Fairview, had his left foot badly sprained. Latest might have been accident—was a young man, name unknown, who was known to purchase several yards of

stout rope and when arriving at the lonely spot where he had decided to end his fate, found out he had lost the rope and his course also failed at the same time. We wonder where the rope went.

If You Can't Get 'Em Up

Try serving fluffy, brown hot cakes made with **OLYMPIC** Flour — and there'll be a merry scramble for the breakfast table. Every one likes pancakes for breakfast—sort of bucks one up for a good day. And with **OLYMPIC** Pancake Flour they're so easy to make. Just add equal parts water or milk.

Other favorites with the folks are **OLYMPIC** Wheat Hearts and the goodies made from **OLYMPIC** Flour.

Wherever stock and poultry are raised for profit and not pastime, they know some of the following **OLYMPIC** Feeds:

SCRATCH FEED	HORSE FEED	HOG-FEED
EGG MASH	STOCK FEED	DAIRY FEED
CRATE FATTENER	MOLASSES FEED	CALF MEAL

OLYMPIC FLOUR - FEED - CEREALS

Wheat \$3 Per Bushel
Alfalfa Hay \$25 Per Ton

Those are about the figures for wheat and hay the coming fall. Think also of the prices paid for cattle, sheep, hogs, dairy products, etc. When you acquire a rich piece of Mother Earth you immediately become a producer instead of a consumer. Your garden, fruit, meat, eggs you raise yourself, thus side-tracking the H. C. L. to a great extent.

I am here for the purpose of helping you acquire anything in the shape of land from a town lot to a 7,000-acre wheat ranch or stock ranch, on easy terms. You will never get this land any cheaper and right now for the next five years is the time to make money. Come in and look over my list.

"In Every Respect"
says the Good Judge

You get more genuine chewing satisfaction from the Real Tobacco Chew than you ever got from the ordinary kind.

The good tobacco taste lasts so long—a small chew of this class of tobacco lasts much longer than a big chew of the old kind. That's why it costs less to use.

Any man who has used both kinds will tell you that.
