NOTICE.
The county court of Morrow County calls attention of the public to the fact that at its September meeting, in compliance with the wishes of a representative number of road districts within the county, assembled in the court room at that time and for that purpose, did redistrict the county in order to make the road districts smaller and more suitable to the residents of the various districts.

A number of the districts are petitioning the court to call a special road meeting in the district in order that the people of the district may talk over the matter of the road situation of the district and vote on a special road tax for the improvement of special places in the district that may especially require it.
The present regular district money, which is a 2 1/2 mill tax, the same as it was before the war, is insufficient to take care of the district needs and a small special tax appears to be the best solution of the problem. Blanks for the petition may be had by applying to the county roadmaster or the county clerk. Such petitioner or the county clerk, shall be signed by three or more freeholders of the district and presented to the county court not later than its November meeting.
