JOINT INSTITUTE AT PENDLETON BIG SUCCESS

Three Hundred and Fifty Teachers From Two Counties Attend Seasonal. Excellent Program Given.

The joint session of the Umatilla-Morrow County Institute opened in Pendleton, Wednesday morning, October 20th, with about 350 teachers of the two counties in attendance. Supt. W. W. Green of Umatilla county presided. The general assembly was opened by the flag salute and the singing of America. Two vocal solos were given by Mr. Oswald Olson and were much appreciated by the audience. Following this was an address by Prof. J. J. Brumbaugh of the Oregon Agricultural College, on the subject of "Ideals."

After this was physical exercises led by Miss Eva Hansen, director of Physical Education of the Pendleton public schools. This was followed by a drill by the second grade of the Hawthorne school of Pendleton.

The afternoon session was opened by the assembly singing "Old Black Joe." Cash Wood, secretary of the Pendleton Y. M. C. A., then favored the assembly with two splendid trombone solos.

The main feature of the afternoon was an address by Thomas Gentle of the Oregon State Normal Training Department, on "Problem Making and Problem Solving." Following this was a physical culture drill by some of the 4th grade boys of the Pendleton school.

In the evening the 8th grade of the Lincoln school sang several well chosen songs under the direction of Myrtle Wylie Forsath. This was followed by a lecture on "Parental Responsibility" by E. J. Klemme of the Washington State Normal School at Bellingham.

Thursday morning's session was opened by singing led by Mrs. Ferahaw, after which Mr. Bowers, principal of Milton High School, sang two selections. Mr. Klemme's address on "The Girl Four-Square" was the main feature of the morning program. In this, he emphasized the fact that women are the equal of men and would soon compete with men in every line of work.

After Supt. Green read a telegram from Coos county stating that they had pledged 100 per cent membership in the Oregon State Teachers' Association, Umatilla and Morrow gave like pledges making the fifteenth and sixteenth counties making this pledge this year.

In the afternoon the session was opened by singing "Dixie" and "Sweet and Low." Mrs. Benjamin of Pendleton then favored the audience with two violin solos. This was followed by another address by Mr. Klemme on the subject of "Keeping Teachers."

After the assembly had been entertained by a Dutch Folk Dance, departmental work was resumed.

In the evening the public as well as the teachers were delightfully entertained by Geo. C. Kincher, a well known cellist from Seattle.

Friday morning the institute was opened by singing the national anthem and two musical readings by Mrs. Howard. Mr. Klemme then gave a talk on "The Second Mile Teacher" in which he included a glowing eulogy of Francis E. Willard.

The various committees of the institute now reported and delegates to the Oregon State Teachers' Association were elected. E. R. Kurfman, principal of Ione high school was elected to represent Morrow county. Departmental work occupied the remainder of the forenoon.

The afternoon session was opened by singing followed by a lecture on "Science" by H. H. Brown of Whitman College.

Institute was adjourned at 2:30 with all in attendance satisfied that the institute was one of the most profitable and enjoyable in his experience.

"Joker" In Anti-Vaccination Bill Is Explained

From the Public School Protective League, 223 Chamber of Commerce Bld., Portland, Oregon, October 16, 1920.

Dear Sir:

We have had many inquiries as to what constitutes the "joker" in the Anti-Compulsory Vaccination Amendment as seemingly discovered by Deputy City Attorney Latourette.

As this gentleman has not declared himself as to what the "joker" is, and as careful analysis of the amendment by reputable authorities has failed to disclose a "joker" it is fair to assume that "there ain't no such animal" but that it is a bluff on the part of the American Medical Association to frighten those who are favorable towards our measure.

Furthermore, there is nothing in the Amendment that could be construed as a menace to public health, sanitation, or quarantine, as a careful reading of the measure will convince any ordinary intelligent person. It simply protects against compulsion of vaccination, inoculation and other medication, and does not in any way prevent those who wish it from having it.

The vicious attack on our measure by the American Medical Association can only be construed as a fear of loss of control, together with financial loss, and it is not surprising that the death struggles of medical autocracy are violent and hysterical.

If you want the privilege of selecting your own doctor and remedy, VOTE 312 YES.

Legion Smoker Proved Excellent Entertainment

The smoker put on in the I. O. O. F. Hall last Friday evening by the Heppner post of the American Legion proved a most excellent entertainment. There was a good attendance of former dough boys, sailors and marines and the boxing and wrestling were good.

Harvey and Clarence Bauman of Lexington put on an exhibition wrestling match. Peterson and Hamilton went a few rounds with the gloves, as also did Thomas and Llewellyn. The premier match of the evening was the fist bout between "Mike" Missett and Hill, "Mie" Austin. This was a genuine old fashioned slugger match, where friendship was forgotten for the time and the boys pummeled each other all over the mat.

Other wrestling matches between Childs and Peterson and Reasoner and Wright were good attractions.

A big feature of the evening was the foot, prepared by chefs "Mike" Phelps and "Deacon" Glen Jones.

Ralph Crego says the boys are going to stage another big smoker on the 6th of November and anyone who wants to put on a boxing match, a wrestling match, a foot race or a pie eating contest, is invited to come on. The local post expects to build up a big membership.

Navy Recruiting Officer Spending Two Days in Heppner.

A U. S. Navy Recruiting Officer in charge of Grover Cleveland Weaver, Pharmacist Mate, 1st Class, U. S. Navy, is spending two days in Heppner this week. The party is visiting the principal cities in Eastern Oregon and neighboring cities in Idaho and Washington, in the interest of advertising and recruiting for Uncle Sam's first line of defense, the Navy.

It is the idea of the Navy Department to implant the seed of thought; to impress upon the young men of the country that the Navy of the present day is a great institution; that it is the place for intelligent, honest, upright young men; and that a cruise in the Navy will be of incalculable benefit to any man.

Marion Cork Buys Residence.

Marion Cork this week purchased residence property in this city from Oscar Borg. He bought the place for his sister, Miss Anna Cork. Who will make her home there. The deal was through the Roy V. Whiteley real estate agency.

R. F. Hynd, former resident of this city, spent a few days here the first of the week on business. He now lives in Portland.

FARM BUREAU SETS WAGES FOR WINTER

Executive Committee Has Business Session on Wednesday—F. L. Ballard Reports on Growth of Organization.

The executive committee of the Morrow County Farm Bureau held a very important meeting in the offices of County Agent, L. A. Hunt, in this city on Wednesday afternoon. There were 15 members and prominent farmers present.

Under the consideration of wheat variety demonstrations, reports were received from several demonstrators and after considerable discussion, it was decided to restrict demonstrations in wheat during the coming year to Hybrit, Forty-fold, Turkey Red, Bluestem, Galgalski, Inari and Federation.

President Oscar Keithley reported for the Farm Bureau on the La Grande meeting of Eastern Oregon presidents.

F. L. Ballard of Corvallis reported on the present status of the State Farm Bureau, showing that the State Farm Bureau had completed a temporary organization, and making it clear as soon as Farm Bureaus in twelve counties had ratified the state constitution, the organization would become operative.

After considerable discussion it was moved that arrangements be made for a county-wide meeting of the Farm Bureau on Saturday, November 13, if this date proved feasible.

It was ascertained that it will be possible at this meeting to have present the president of Oregon Farm Bureau as well as a representative of the executive committee of the National Farm Bureau. This meeting will be one of the most important ever held by the Bureau in this county, as it will give an opportunity for every interested person to learn first hand exactly what Farm Bureau work stands for.

Under discussion of wages it was finally decided that the wages for the winter months would be about \$50 per month. It is felt that it would be possible to get all the men necessary to do the winter work at this price. No effort was made to change the fall wage scale which is standing at \$25 per month.

Because of the shortage of funds it was decided to discontinue the Farm Bureau News publication indefinitely.

The committee also undertook the consideration of a budget for the coming year, and it was decided to incorporate the inspection of sheep in the program of work for the coming season, provided that sufficient funds were secured to do the work. The budget as approved by the meeting called for an appropriation of \$2500. A committee will appear before the county court to present the Farm Bureau side of the matter.

The ladies of the Eastern Star will give a supper to all Masons and their families in Masonic Hall on Friday evening, November 5, at 6 o'clock p. m. A charge of 75 cents per plate will be made. Other entertainment will also be provided.

HOUSES FOR RENT—Two or three good houses for rent. See Roy V. Whiteley, the real estate man.

EXERCISE OF FRANCHISE DUTY OF CITIZENSHIP

Election This Year Most Important Since the Civil War for Country Faces Problems of Reconstruction.

In many respects this is the most important election since the Civil War. The results of the voting on November 2, 1920, will affect the affairs of the country for many years. It is important that the right men are elected for President and Vice-President but it is also important that the President have a Congress in sympathy with his policies. If Mr. Cox is to be elected, the Senate and House should be also democratic. If Mr. Harding is to be President, the Senate and House should be republican. A deadlock would prove an exceedingly bad thing for the country at this time. And it is the duty of every voter to go to the polls and vote. There are some very important measures to be voted upon at this election which vitally affect the welfare of the state. The Single Tax proposition is squarely before the people this time on its merits. If this measure carries, it will certainly make a decided change in land values. The four per cent interest bill is one which should not be overlooked when placing your X between the number and no. No one will be able to borrow money in this state for four and five per cent, when the lender can get more for his money in adjoining states. The result will be, in this measure prevails, that people who need money can not obtain it. There are other measures of importance on the ballot. They should receive careful consideration at the polls. Some are good, one or two are negative and the balance are dangerous.

Let us demonstrate our AMERICANISM and our faith in GOVERNMENT BY THE PEOPLE by going to the polls and voting next Tuesday. If you are not registered, you can register at the polling place.

COUNTY FIELD AND TRACK MEET AT IONE

Big City Will Also Be Scene of Annual Oratorical and Declamatory Contests. Changes Made in Rules.

At the annual County Teachers' Institute held in Pendleton last week, it was decided by unanimous vote by the committee to hold the next County Field Meet and Declamatory Contest in Ione. The oratorical and declamatory contests are to be held in Ione on the evening of April 8th, and the Track and Field Meet on the following day, Saturday, April 9th.

The committee made several changes in the rules and regulations for the track and declamatory contests. The high schools of the county are to be in a separate division by themselves and not thrown in with the grades as was done last year. The events for the high school boys are as follows: 50, 100 and 440 yard dash, mile race, 440 relay, 220 yard low hurdles, javelin, discus, shot put, pole vault, running high jump, running broad jump. The events for the high school girls are as follows: baseball throw, basketball throw, 50 and 100 yard dashes, all-up Indian Club race, relay, and obstacle race. A suitable printed blue ribbon will be awarded to the winner of first place in each event. A silver cup is to be awarded to the school that wins the greatest number of events.

Mrs. Chas. Osten Passes.

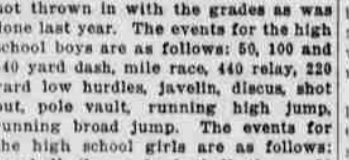

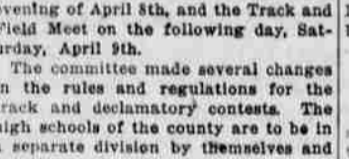

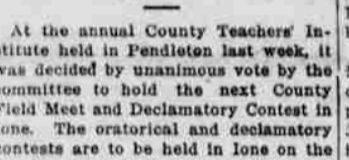

Mrs. Chas. Osten died at her home south of Heppner on Wednesday, October 20, after a brief illness. The body was taken to Portland for cremation at the Portland Crematorium, where the services were held last Saturday.

Alice Osten was the daughter of the late Jacob P. and Emily Hunsacker of Oregon City, pioneers of 1846. She is survived by her husband, Chas. Osten, and three children, Winnifred Osten of Seattle, Chas. J. Osten, Madras, Ore., and Mrs. Lewis Olson of Heppner. Mrs. Osten was aged 65 years and 23 days.

Dramatic Element Predominates in Delightful Program of McAlister Trio

Kathleen and De Ross McAlister, With Miss Jordan Assisting, to Be Heard Here in High-Class Entertainment.

Kathleen McAlister and De Ross McAlister, assisted by Miss Irma Jordan, cellist and accompanist, present one of the most popular and artistic programs in town. It is a program in which the dramatic element predominates. Operatic arias in costume are artistically presented. Vocal, piano and cello numbers together with high class dramatic readings also are featured in the usual entertainment. Mr. and Mrs. McAlister are well known residents of Boston. They have beautiful voices and show splendid musical foundation.

WESLEY MC NABB DEAD FROM HEART FAILURE

Native of Ione, Had Made His Home in Morrow County For Nearly Forty Years—Was Prominent Mason and a Shriner.

W. T. McNabb, prominent warehouseman and grain buyer of Ione, passed away at his home in that city early Monday morning. The cause of death was heart failure.

While Mr. McNabb had been in ill health for many months, in fact, since the 8th of last December, his dominating will-power and grit had kept him going for months and his sudden passing was a shock to his relatives and many friends. He was preparing to leave the house to take some men to the McNabb Sliding warehouse when he suddenly expired. Mrs. McNabb was with him at the time.

Mr. McNabb was a native of the state of Iowa, being born in Keokuk county, one of the ten children of Phillip and Missouri McNabb, October 28, 1861.

He came to Oregon in the year 1881 and first located in Umatilla county, moving to Morrow county one year later. On July 4, 1886, he was married to Miss Alice Warfield. The greater part of his life spent in this county Mr. McNabb devoted to farming. Of more recent years he had made his home in Ione with his family and had engaged in the grain buying business and looking after his warehouse interests at McNabb, a railroad in his honor.

Mr. McNabb was a prominent Mason and a Shriner. He was also a member of the I. O. O. F. lodge at Ione. The funeral is being held from the First Christian church in Ione this afternoon, under the auspices of the Masonic order. The sermon will be by the Rev. W. O. Livingston of this city. Burial will be in the I. O. O. F. cemetery at Ione.

The deceased is survived by his wife, Alice McNabb, and three children, Mrs. Earl Puyser of Pasco, Wash., Mrs. Mabel Reed of Corvallis, Ore., and Wesley, Jr., at home. A brother, Chas. McNabb of Lyle, Wash., and five sisters, Mrs. Ed Drew and Miss Jennie McNabb of Delta, Iowa, Mrs. Anna Klitz, Dawn, Mrs. Kate Knox, Stotsbury, Mo., and Mrs. L. O. Allen of Bain, Minn., also survive. Three other sisters, Mrs. F. M. Griffin of Ione, Mrs. Jaa. Beesley and Mrs. Laura McDowell of Delta, Iowa, preceded Mr. McNabb to the Beyond.

Besides their own children, Mr. and Mrs. McNabb took the Warfield children and raised them, after their parents died. They are Jess, Chester, James, Lovely and Sam. Mr. McNabb is also survived by three grandchildren, Lois Puyser, Edward Vernon, Edna and Lovely Beth Reed.

Hayes Assails Chamberlain's Record

Independent Candidate for United States Senator Issues Challenge for Public Debate.

(Portland Telegram)

United States Senator George E. Chamberlain's record is assailed in a statement by Thomas A. Hayes, independent candidate for United States senator.

Hayes is the candidate of what is known as the President Wilson wing of the Democratic party, and this is his second attack on the senator.

It is in reply to an editorial yesterday in the Democratic organ of the city, praising the senator's record, and saying he is the "only candidate for United States senator from Oregon."

The statement, in part, follows: Senator Chamberlain is the only candidate who is too cowardly to issues of the day, except compulsory take a stand on any of the leading military training, which his Wall street "backing" insists that he stand for. He and Senator Wadsworth were afraid to push the compulsory military training bill through the last congress, but it will be up again in December if they are re-elected.

Chamberlain is the only candidate who has been in the senate twelve years and has not a single piece of legislation to his credit that has been of particular benefit to Oregon or the nation.

Chamberlain is the only candidate running who on August 26, 1913, voted against the amendment of Senator Borah to increase the income tax on large incomes.

He is the only candidate running who on August 27, and again on August 25, 1913, voted against the Briston amendment to increase tax on large incomes.

Chamberlain is the only candidate running who on February 27, 1914, voted to hamstring the parcel post by preventing an increase in the weight limit. His vote on that occasion was a vote for the express monopoly.

Chamberlain is the only candidate running who on June 15, 1914, voted to restore the old graft of 20 cents a mile for congressmen and senators, instead of the actual expense. Senator Lane, of Oregon, voted against Chamberlain and for the actual expense.

Chamberlain is the only candidate running who, on July 7, 1914, voted to reduce the appropriation for carrying on the work of the commission of industrial relations. A vote to reduce the appropriation was a vote to prevent a proper investigation into the wage slavery in some of the leading industries of the nation. Again Senator Lane voted for the wage earner and against Chamberlain.

Chamberlain is the only candidate running who, on July 13, 1914, voted against putting the mileage of senators at 5 cents a mile. Again Senator Lane voted against Chamberlain, and against the 20 cents a mile.

Chamberlain is the only candidate running who, on October 5, 1914, voted to strike out all the criminal penalties of the anti-trust bill. Again Senator Lane voted against Chamberlain and the Wall street freebooters.

Chamberlain is the only candidate in this section and a resident here in gentle terms called a liar, and that subsequent events showed the president told the truth.

Again I challenge Mr. Chamberlain to meet me in debate on the great issues of the day. I challenge him to secure the endorsement of President Wilson or any member of his cabinet.

NEW SYSTEM GIVES WATER FOR 4000

Heppner's \$100,000 Municipal Water Plant, Now Completed, Gives Ample Flow and Added Pressure.

Heppner's long-dreamed-of gravity water system is now a reality. The other morning housewives were almost swept from their feet from the added pressure brought by the mountain water 16 miles away.

It is a big blow to knockers. In this new water system which is now working beautifully and which furnishes a water supply sufficient for four thousand people. Let us hope that it will be but a few years until we will again find it necessary to enlarge the plant. It has been predicted that with an ample water supply, Heppner's future is secure, that the town will go forward with an unprecedented growth.

The city officials are to be commended in getting this new system installed. It is undoubtedly the greatest one thing ever done for the town. We understand that, should the growth of the town in future years demand it, the plant can be enlarged without a large cost.

The pressure of the water in the old system, according to City Engineer Hickey, was 20 pounds to the foot. In the new system the pressure is 55 pounds. And the water is soft.

Charles Fuller, who was an early settler in this section and a resident here for forty years, died on Monday of this week at Murph, near Grants Pass, Ore. Cause of death was cancer of the face and neck, from which malady Mr. Fuller had suffered for years. He left here several years ago, going ultimately to California in hopes of finding relief from his affliction. At the time of leaving Morrow county, Mr. Fuller resided on McKinney creek.

HAYES ASSAILS CHAMBERLAIN'S RECORD

Independent Candidate for United States Senator Issues Challenge for Public Debate.

(Portland Telegram)

United States Senator George E. Chamberlain's record is assailed in a statement by Thomas A. Hayes, independent candidate for United States senator.

Hayes is the candidate of what is known as the President Wilson wing of the Democratic party, and this is his second attack on the senator.

It is in reply to an editorial yesterday in the Democratic organ of the city, praising the senator's record, and saying he is the "only candidate for United States senator from Oregon."

The statement, in part, follows: Senator Chamberlain is the only candidate who is too cowardly to issues of the day, except compulsory take a stand on any of the leading military training, which his Wall street "backing" insists that he stand for. He and Senator Wadsworth were afraid to push the compulsory military training bill through the last congress, but it will be up again in December if they are re-elected.

Chamberlain is the only candidate who has been in the senate twelve years and has not a single piece of legislation to his credit that has been of particular benefit to Oregon or the nation.

Chamberlain is the only candidate running who on August 26, 1913, voted against the amendment of Senator Borah to increase the income tax on large incomes.

He is the only candidate running who on August 27, and again on August 25, 1913, voted against the Briston amendment to increase tax on large incomes.

Chamberlain is the only candidate running who on February 27, 1914, voted to hamstring the parcel post by preventing an increase in the weight limit. His vote on that occasion was a vote for the express monopoly.

Chamberlain is the only candidate running who on June 15, 1914, voted to restore the old graft of 20 cents a mile for congressmen and senators, instead of the actual expense. Senator Lane, of Oregon, voted against Chamberlain and for the actual expense.

Chamberlain is the only candidate running who, on July 7, 1914, voted to reduce the appropriation for carrying on the work of the commission of industrial relations. A vote to reduce the appropriation was a vote to prevent a proper investigation into the wage slavery in some of the leading industries of the nation. Chamberlain is the only candidate running who, on July 13, 1914, voted against putting the mileage of senators at 5 cents a mile. Again Senator Lane voted against Chamberlain, and against the 20 cents a mile.

Chamberlain is the only candidate running who, on October 5, 1914, voted to strike out all the criminal penalties of the anti-trust bill. Again Senator Lane voted against Chamberlain and the Wall street freebooters.

Chamberlain is the only candidate in this section and a resident here in gentle terms called a liar, and that subsequent events showed the president told the truth.

Again I challenge Mr. Chamberlain to meet me in debate on the great issues of the day. I challenge him to secure the endorsement of President Wilson or any member of his cabinet.

Older Boys' Conference Will be Held at Pendleton

The Older Boys' Conference for Northern Oregon will be held at Pendleton, November 5, 6 and 7. Free entertainment for all delegates and adult leaders is being provided in the homes of the Pendleton people. They are also giving a banquet to all conference delegates Saturday evening. Mr. Cash Wood, Secretary for the Young Men's Christian Association for Umatilla county is chairman of the committee on local arrangements and has a good corps of men assisting him.

Mr. A. E. Young, Interstate Boys' secretary, is arranging the program and directing the conference. He has secured Mrs. Jean Morris Ellis, vocational guidance expert and character analyst to appear on the program and give personal advice and help to all desiring to talk with her. Other prominent leaders are: Mr. Walter Jenkins, Executive Secretary for Community Service, Portland; and Mr. Norman F. Coleman, President of the Loyal Legion Loggers and Lumbermen. Mr. Jenkins is one of the best song leaders in the Northwest and will have charge of the music for the conference. Mr. Coleman is a speaker of wide experience and is especially well fitted to speak to boys. It is also probable that Mr. W. W. Dillon, Executive Secretary of the Interstate Executive Committee, will be present at the conference and take a leading part on the program.

Mr. Wood, chairman of the local committee on arrangements, estimates that there will be at least one hundred boys in attendance from Umatilla county. With the several adjacent counties to draw from, the committee expects an attendance of well over 200 delegates.

The banquet Saturday evening, given by the public spirited citizens of Pendleton, will be a very enjoyable feature and will be a fitting close to a busy day. The Conference will close Saturday night with a great union service of all delegates and churches and Young People's Societies.

SCHOOL NOTES.

With a victory over Fossil to its credit, the football squad is putting in heavy work in preparation for the game with Ione on the 30th. This contest will be played at Ione. The squad consists of about fifteen men, all of whom are in good condition. The backfield with Peterson at right half, Captain Aiken at full, Chidsey at left half, and Irwin calling signals, is well supported by a strong line with Boyd and Ferguson, ends, Logan and Hottman, tackles and Reschner, Humphreys, M. Duffee and Huston at the guard positions. Orr is playing at center. Other members of the team are Cass, Howard McDuffee and Howell.

HEPPNER HIGH WINS FOSSIL GRIDIRON GAME

Wheeler County High School Humiliated 7-0, By Morrow County Warriors—Defeat First in Years.

(Fossil Journal)

For the first time in twenty years of its history the Wheeler county high school football team has lost a game on its home ground. Heppner high defeated Wheeler county high by a score of 7 to 0 on Dukek field last Wednesday afternoon.

It was a ragged bunch of players on both sides that took the field against each other the day before yesterday in the opening game of the season. The contest was a series of fumbles from beginning to end.

For three periods the teams battled scoreless. The break of the game came in the last period.

By a series of successful forward passes Heppner had advanced to Wheeler county's 15-yard line, losing the ball on a fumble, and then the purple and white quarterback used poor judgment by calling for line bucks instead of punting the pigskin away on the first down. Fossil, as usual, fumbled and lost the ball almost against its own goal line, and Aiken had scored for Heppner thru the line before the Fossil players knew what had happened. The goal was successfully kicked and for the rest of the game Heppner devoted its time to keeping Fossil from evening the score.

Fossil came near scoring in the first period when they advanced the ball by plunges to within 15 yards of Heppner's goal but lost the ball on a fumble. Again they came near scoring in the second quarter after Morris' 30-yard run on a fake pass, and here again, with only a fraction of a minute to play, our quarterback unfortunately called for a play through the line when a more experienced player would have tried an end run or a field goal.

Critics of the game declare both teams very evenly matched and neither in very good shape. Heppner has some bewildering formations and works the forward passes well. Fossil has several brilliant individual players and excels in line bucking. The material is certainly here for a winning team. Blann showed good advantage on the Fossil line while Zachary, Smith and Morris were the chief ground gainers for the Wheeler county lads. For Heppner Ferguson played a good game at end while Aiken and Peterson were at the stars in the back field. The line ups follow:

Heppner Wheeler County
Orr C Blann
Reasoner RG Hoover
Hottman RT C. Mettner
Ferguson RE Contee
Huston LE H. Mettner
Logan LT C. Webb
Boyd TE Kelsay
Irwin O Morris
Peterson RB G. Webb
Chidsey LB Smith
Aiken F Zachary
Wheeler county 0 0 0 0 0
Heppner county 7 0 0 0 0

Substitutes—Heppner, McJuffee for Reasoner; Fossil, Palmer for Kelsay; Moore for Hoover, Harry for C. Mettner. Officials—Dr. Ford, referee; Lester Beeson, umpire.

IMPORTANCE OF ELECTING REPUBLICAN SENATOR IS PARAMOUNT

Portland, Oregon, October 24.—John P. Adams, vice-chairman of the Republican National Committee in charge of Western headquarters today made this statement:

"It is not enough for a state to choose Harding and Coolidge electors on November 2nd. A strong Republican Senate is almost as important as a strong Republican white house. To vote for Harding and a Democratic Senator is to seek to undo with the left hand the good work which has already been done with the right."

The gravest questions will come before the United States Senate after next March fourth, and if President Harding is to do for the people what they expect from him, he must have a Senate that will answer those questions right. The whole Democratic policy of waste, weakness, international surrender and domestic autocracy has got to be reversed. It cannot be reversed without the help of the Senate.

"The governmental extravagance that makes high taxes and high prices has got to be checked and the cooperation of the Senate is necessary to check it. The Wilson plans to throw away billions on foreign enterprises and adventures in Europe, Asia and Africa, have got to be stopped and the Senate is the body that must help the President stop them. The angle in which the Democrats have involved us by their timid sacrifices to Mexico and Japan has got to be unraveled and in this undertaking the Senate is practically as important as the President."

"In tariff, banking and commercial affairs, in bringing the United States back to a peace basis in restoring normal conditions in farm, factory and business life, a strong Republican Senate is an absolute necessity. A genuine reform of the government and reconstruction of living conditions cannot be imagined without it."

"If the voters of Oregon could fully realize how much of their future comfort and prosperity depend on the United States Senate there would not be the slightest doubt as to the election of Robert N. Stanford. He will be needed, urgently needed to fortify the administration after March 4. No Democrat, no matter how high minded, could be able to do the work Mr. Stanford, a Republican, would be able to do in peace times. A Democrat is bound to vote on party issues with the Democrats, and in the Senate after March 4, the Democrats will be voting as a party against President Harding. So a man who now withholds his vote from Stanford in Oregon, is withholding from a Republican presidential elector."

"The only way in Oregon to cast a one hundred per cent ballot against the Wilson administration and for a Republican administration is to vote for HARDING and COOLIDGE and STANFIELD on November Second."

Canadian Champion Takes Two Straight From Hindu
