

County Field and Track Meet at Ione

(Continued from First Page)

number of points, with the understanding that the cup becomes the permanent property of the school that wins it three consecutive times.

Pupils entering the Grade Track and Field contests are to be divided into two divisions. Boys weighing 110 lbs. and over and girls weighing 100 lbs. or over are to be in division "A." Boys weighing less than 110 lbs. and girls weighing less than 100 lbs. are to be in division "B." Events for boys in both divisions are as follows: 50 and 100 yard dashes, baseball throw, 220 yard relay race, running high jump, running broad jump. In addition the "A" division boys have hurdles, half-mile run, and 220 yard relay race. The events for the girls in both divisions are as follows: 50 yard dash, baseball throw, basketball throw, Indian club race. In addition the "A" division has relay race and low hurdles. A suitable printed red ribbon will be given to the winner of first place in each event. A banner or pennant will be awarded to the school that wins the greatest number of points in the meet.

The Rules and Regulations of the Oregon High School Athletics are to apply to all high school contests. Each school is to enter the meet by itself and not with some other school as was arranged last year. Mr. Heard of Heppner and Mr. Byers of Ione were appointed by the committee to arrange the score card in such a way so as to have two or more events going on at the same time.

In the Oratorical and Declamatory Contests the committee provided for four divisions as follows: oratorical division "A" for high schools, declamatory division "B" for high schools, declamatory division "C" for 5th, 6th, 7th and 8th grades, declamatory division "D" for first four grades.

Principal Signs of Boardman was elected secretary for the Association and Principal Bennett of Lexington was elected treasurer. The County School Superintendent is ex-officio president of the Association. The next meeting of the committee is to be held some time in January at the call of the County School Superintendent. Any teacher in the county may attend any of the meetings of the committee and vote on all questions.

E. R. CURFMAN,
Chairman of Committee.

Willow Street

"Capital and Industry--Keep Out!"

WOULD YOU, AS A PATRIOTIC CITIZEN OF OREGON, PLACE SUCH A SIGN ON THE BORDERS OF THE STATE?

That is exactly what you will help to do if you do nothing to prevent the passage of measure No. 314 and 315 on the November ballot, entitled, "Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure proposes to limit the rate of interest in Oregon to 5 per cent. You can, by law, fix the rate of interest in Oregon, but you cannot, by law, force the loaning of money in this state, when a much higher rate can be secured elsewhere. The passage of this measure would force the withdrawal of the millions of foreign capital which is today loaned on factories, business and real estate in the state and send your local money owners outside of the state to better investments.

Passage of this measure would mean foreclosure of thousands of mortgages; would result in financial paralysis and would mean widespread unemployment.

You, no doubt, understand the viciousness of this measure, but have you talked to your neighbors and friends about it? We urge you to do everything you can to defeat this measure. Oregon's reputation as a sound state for investments requires that this measure be overwhelmingly defeated.

The Telephone Situation

In the engineering of a telephone plant—switchboards, conduits, cables, pole lines and general mechanical equipment—we have always tried to anticipate the growth of a community and provide therefor by advance construction. This course has enabled us to more promptly comply with requirements for service with better construction and at an ultimate expense less than that involved in waiting to meet demands as they arise.

In the war period we were unable to maintain this reserve plant, as the very things we needed for telephone purposes were required and necessarily taken for government purposes. The demand for telephone service did not decrease and our reserve facilities were practically absorbed in meeting it.

As every business man knows, the problems of reconstruction following the war have been acute and prolonged to an entirely unexpected degree. Unusual conditions are prevalent throughout the entire manufacturing, mercantile and social world. The telephone industry has had to meet all the difficulties and handicaps of retarded production, distribution and transportation.

This advertisement is not meant to be one of apology, but one of explanation and even accomplishment. In the face of an unprecedented demand for telephone service in the last few months, hampered by the exhaustion of our reserve plant and difficulty in securing materials, we have added more telephones thus far this year in the State of Oregon than in any similar period of telephone history.

In the State of Oregon, in the eight months ending August 31, we have added 6863 telephones. In the eight months ending July 31, 1917, —before the war—we gained 2655 telephones.

In the State of Oregon we have approximately 2600 unfilled applications for telephone service. A similar situation exists all over the United States. We will continue to secure all the equipment possible, and the desires of the public will be met as soon as it is humanly possible to do so.

The Telephone Company regrets the inconvenience to prospective subscribers. It is as anxious to give service as the patron is to receive it. The Company is doing all in its power to remedy conditions and furnish service in accordance with normal standards.

The Pacific Telephone and Telegraph Company

The Ionia Civic Club will put on an entertainment at the Star theater on Wednesday, November 3. The program will include motion pictures, musical numbers and other features. Don't overlook it.

Dr. A. D. McMurdo and W. W. Smead left Tuesday for the tall timber to hunt the unsuspecting deer. Members of another party going up the same day were Lloyd Countryman, Marshall Phelps and Glen Jones.

Jack O'Neil left this morning for the East in response to a telegram stating that an uncle had died, leaving Jack a fortune of many thousand dollars. Mr. O'Neil expects to be absent from Heppner ten days or two weeks.

F. A. McMenamin, local attorney, returned the first of the week from a business trip to Spokane.

Maternity Home.

I have arranged to take a limited number of maternity cases at my home in east Heppner and assure the very best of attention and care to all patients.

GOOD TASTE

Good taste in dress must find its first expression in the proper corset—in the harmony of beautiful lines and right proportions.

GOSSARD CORSETS
Front Lacing

are designed to accent the natural charm of every type of figure. Whatever your corset needs, there are many models created in accordance with the unchanging principles of beauty and good taste that will assure you graceful lines and faultless proportions with that unconsciousness of restraint that can only result from the healthful support of a perfectly fitting corset.

Our thorough understanding of modern corsetry makes certain your complete satisfaction.

The most beautiful line of a woman's figure is the graceful curve from the armpit to the ankle. The beauty of this line determines the effectiveness of all your clothes.
