ent observers by the score and careful scientific surveys of the economic and crop conditions overseas brand the figure as conservative.

In Poland, for instance, where 1,305,000 youngsters last year subsisted almost entirely on the one free American meal a day that they received, conditions as winter closes down, are worse than ever before. The Bolshevik invasion stripped large portions of the country of all grain. Professor E. D. Durand, Food Administrator to the Polish government, after an exhaustive survey, has reported that only forty per cent is available of the food necessary to carry the population through the winter.

In the city of Vienna conducted in the American Relief Administration food kitchens showed that 52 per cent of the children between the ages of 6 and 14 were "seriously under-nourished." Thirty-three per cent were slightly subnormal and only 4 per cent approached the state of a normal American child. The American Relief Administration is feeding 300,000 Austrian children every day now, and there is no chance of diminution of need before next harvest.

The spectacle of the physical needs of Europe's children is equally appalling. Estimates reaching the American Red Cross show that medical service in the destitute areas this winter include: Old Austria-Hungary, 750,000; new Poland, 1,500,000; Czechoslovakia, 200,000; Serbia, 150,000; and Roumania, 100,000. In the last year of 1919-20 the Red Cross has reached with the veritable gift of life 1,500,000 children in the affected areas. Tuberculosis is prevalent to a terrific degree. Five children out of seven in the city of Warsaw, for instance, have been found to be tubercular. Typhus is widespread; rickets, the rickth hand of under-nourishment is almost universal, and cholera lifts its grim head constantly in one place and another.

The European Relief Council, comprising the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Relief Distribution Committee, the Federal Council of the Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A., seeks \$33,000,000 with which to meet the situation. It has estimated that at least \$23,000,000 must be had for food and \$10,000,000 for medical service to avert absolute disaster among the three "seed children." Checks may be sent to your local committee or to Franklin K. Lane, treasurer European Relief Council, 42 Broadway, New York, or to the Child Feeding Fund, Literary Digest, New York City.

PLIGHT OF REFUGEE CHILDREN TERRIBLE
One hundred thousand Russian refugees in Poland are absolutely destitute, according to official estimates. The majority of them are women and children. The condition of the latter particularly is pitiful and they will be among the beneficiaries from the \$33,000,000 fund being raised by the European Relief Council, composed of eight leading American relief agencies for a joint appeal in behalf of the millions of little Europeans who can look only to America for the food, clothing and medical care that will make it possible for them to survive the winter.

CONTRIBUTOR'S EXEMPT FROM TAXATION.
Contributions to the collection of the European Relief Council for the European children's relief fund are exempt from taxation and may be deducted from income tax returns, according to a ruling that has been made by the office of Internal Revenue in Washington.

Heart-Breaking Smiles
30,000 YOUNGSTERS VICTIMS OF RICKETS

There are thousands of kinds of smiles, but it would be mighty hard to picture even in the mind's eye smiles more miserably tragic than those here seen. Two years of life have held little save misery for these Vienna youngsters, yet, even though the result is painful, they smile. They are victims of rickets, the offspring of near-starvation, and that countless others in stricken Europe may not have to share their fate eight American relief organizations, under the name of the European Relief Council, are making a joint appeal for the conscience of America to complete relief work which this winter faces its crisis. These agencies are the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

Of all diseases that are taking a deadly toll among the children of Vienna as the result of under-feeding rickets is proving the most serious and widespread menace. Not less than 30,000 children are suffering from this painful affliction, according to official statistics. To rescue these through providing proper food, clothing and medical attention that otherwise they cannot obtain the European Relief Council, composed of eight leading American relief agencies, is making a joint appeal for \$33,000,000 for the relief of 3,000,000 destitute and suffering European children.

1,500,000 POLISH CHILDREN SICK.
One million five hundred thousand children in Poland today need medical attention. Their condition has been caused by hunger and want. To save them the European Relief Council is appealing to the people of the United States for \$33,000,000 to carry on relief work in stricken Europe.

Conductor Lewis who it was reported some weeks ago would give up his position on the Heppner branch, has changed his mind and will remain. Another man had been promoted to the place but for reasons of his own did not see fit to accept. The patrons of the branch are pleased to note that Mr. Lewis will remain.

Miss Olive Cox, who has been at Pendleton for some time past, where she was at work, came home Friday for a visit with her parents, Mr. and Mrs. O. J. Cox, residing at Lexington. She was visiting also during the week with friends in Heppner.

RICKETS DID THIS.

Before this five-year-old Vienna girl was operated upon in the American Convalescent Home her leg was even more horribly deformed from rickets and she was in constant instead of intermittent pain. Now at least her leg is straight again, and by degrees she is learning to walk. Rickets is the aftermath of under-nourishment, and it is to such disease as this among the children of Europe that eight American relief organizations are making a joint appeal under the name of the European Relief Council for funds to support the millions that face a winter of horror. They are the American Relief Administration, the American Red Cross, the American Friends' Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Council of Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A. Miss F. W. C. Barlow, head operator in the telephone exchange at Oregon City, arrived home on Friday night to spend the holidays with her parents, Mr. and Mrs. Frank Barlow, and for a visit also with friends at Heppner.

FLIGHT OF EUROPE'S CHILDREN STAGGERS
3,500,000 Facing Starvation Can Only Be Saved by America's Response to Joint Appeal.
It is utterly impossible for one who has not actually seen the misery of the early Autumn in Europe to visualize what the children of the Eastern and Central portions of the continent face this winter. To say that 3,500,000 children have no alternative to starvation or death from disease except American aid, is startling, but independent
