YOUNG MOVIE STARS CANNOT RESIST CUPID

Cupid is no respecter of "careers" "Futures" and "niches" in the hall of fame fade into insignificance when the little god of love calls—as was proved Christmas Day when Dorothy Gish and Constance Talmadge, two noted movie stars, eloped to Greenwich Conn., and were married. The former married the young actor James Rennie, the latter a Greek tobacco importer of New York, John Pinlogion. The two movie brides are the closest friends.

AMERICA'S WINTER PLAYGROUND

Outdoor life ideal. An endless variety of healthful recreation, pastimes and sight-seeing tours. Its thousands of miles of picturesque paved highways are the admiration and delight of motor enthusiasts. A real semi-tropic winter paradise.

The Direct and Pleasant Way to California is Via the

Union Pacific System

which places at the disposal of its patrons two extremely attractive and interesting routes—the world-famous Columbia River and Shasta Routes, or through Salt Lake City and one hundred miles of orange groves in the Sunny Southland.

WHY NOT GO ONE WAY AND RETURN THE OTHER

A circle of rare scenes and experiences not excelled on the continent. Through sleeping car and dining car accommodations make the trip either way comfortable and interesting.

Let our agent tell you all about it, prepare your itinerary, make your reservations, deliver your tickets and supply instructive California literature.

A pleasant variation from the all-rail trip to California is the ocean trip from Portland to San Francisco. Sailings on the "Rose City" or "Alaska" every fifth day. Direct connection in Portland. Let our agent tell you all about it.

"You Save Money"

says the Good Judge

And get more genuine chewing satisfaction, when you use this class of tobacco.

This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

And a small chew gives more real satisfaction than a big chew of the ordinary kind ever did. Any man who uses the Real Tobacco Chew will tell you that.
