

KANSAS MEN CHOOSE FLOYD

Arkansas City Men Selected as Chairman of State Americanization Committee.

Kansas members of the American Legion have selected as chairman of their state Americanization committee John H. Floyd of Arkansas City, a prominent insurance man and third vice president of the United States Junior Chamber of Commerce.

Mr. Floyd was commissioned a first lieutenant at the second officers' training camp at Fort Sheridan. He served at Camp Grant, Ill., Jefferson Barracks, Mo., and Camp Dodge, Ia., with the Eighty-sixth division and at various times as insurance agent, salesman and military officer and as justice advocate.

TO HOLD CORDIAL RELATIONS

Legion Representatives in Attendance at Recent Formation of Inter-Alleied Veterans' Association.

American Legion representatives took an active part in the formation of the Inter-Alleied Veterans' association in Paris recently. The association is composed of delegates from the Union Nationale des Combattants of France, the Comrades of the Great War of Great Britain, the Federation Nationale des Combattants of Belgium, the Associazione Nazionale Combattenti of Italy, Druzina of Czechoslovakia and the American Legion.

The primary purpose of the organization is to preserve the cordial relations between the nations associated in the war on the allied side. As one means of accomplishing this it is proposed that the membership card of each society shall be recognized by the societies in all the nations represented in the association.

The delegates who attended the Paris conference have been instructed to report back to their respective organizations the results of the amalgamation. Paris was merely the starting point, from which veterans of the World war may form their own League of Nations.

The committee which represented the American Legion at the Paris conference included Cabot Ward and Arthur W. Kipling of Paris Post No. 1; Norman C. Coster, department adjutant of France; E. Sadler and W. H. A. Coleman of London post; Edmund L. Gros, George A. Dunagin and E. J. Selligman.

WHAT THEY DO WITH BONUS

Seventy Per Cent of Minneapolis Men Increase or Open New Savings Accounts.

What do ex-service men do with their bonus money received from the various states? Some persons opposed to handing out cash to the men either by the states or nation, give as their greatest argument that the beneficiaries will squander the money foolishly as soon as they get it.

But the experience of the Wells Dickey Trust company of Minneapolis which firm has been instrumental in advancing \$2,285,000 to ex-service men through special arrangement with the bonus board, completely overturns this conjecture. Figures just compiled by the cashier of the trust company show that of the 3,824 claims handled by the bank for Minneapolis men, 70 per cent of the men increased their own accounts and 20 per cent opened savings accounts at once.

Blasts Hopes of Politicians.

The endorsement of a candidate for political preference by any organization of the American Legion in Illinois will result in disciplinary action for the offending organization. It was decided at a meeting of the state executive committee of the Legion. The Illinois legionnaires further resolved "that we disapprove the use of the name of the American Legion or of the prestige of office or membership therein by any person for the furtherance of his personal efforts to promote any political candidacy or partisan principles."

PUT ON FAYING POST SHOW

Fred W. Dralle, Casper, Wyo., Successfully Served as General Manager of "Stampede."

Fred W. Dralle of Casper, Wyo., chairman of the state executive committee of the American Legion, gained national recognition for his home-town post of the Legion, as general manager of "Stampede" which cost \$20,000 to stage and which added \$3,000 to the post treasury. Mr. Dralle taught school at Butte, Mont., and later was superintendent of schools at Roundup, Mont. He served for a term as clerk and recorder of Musselshell county, Mont., and is now an officer in the Standard Refinery of Casper.

Although he was 36 years old when the United States entered the war, Mr. Dralle enlisted in the Central Machine Gun Officers' Training school and was stationed at Camp Hancock, Ga.

The Farm Loan Act, designed to assist the agricultural development of the United States by providing readily accessible credits to farmers through federal land banks, was declared valid by the Supreme Court.

In an opinion which Commissioner Charles E. Lobdell, of the farm loan board, declared "clears away every legal question and removes every shadow of question as to the legality of the banks or their bonds," the court held that Congress had full authority to establish the land banks and correlative authority to exempt their bonds from state taxation.

Look Up Your Wardrobe
Bring your clothes to Heppner Tailoring & Cleaning Shop when they need to be cleaned, pressed and repaired. In so doing you do justly to yourself and also to the man who has spent 28 years in learning and working at the trade. My steam pressing machine is a wonderful help in giving the clothes a new, fresh look. You save money two-fold by bringing them here: first, I charge less, and second, I fix the little rips that mean so much in giving a long wear to the clothes.

THE REALART SPECIAL PRODUCTION
"The Deep Purple"
One of the cleverest "crook" plays furnished the original of this picture, and when the late Paul Armstrong and Wilson Mizner wrote it, it was one of the biggest successes of the season on the stage. The screen version is quite as exciting, and the cast which has been assembled to enact the various roles is almost an all-star one, with Mariam Cooper, Helen Ware, Vincent Serrano and William B. Mack in the principal parts. If you have in your system a vein of curiosity as to how the other half of the world lives, come and see for yourself the denizens of the underworld and witness the struggle which one decent girl made to go straight. You'll enjoy every minute of it.

NO MAN EVER BECAME STRONG THRU FASTING
NO STORE EVER INCREASED ITS SALES BY SUSPENDING ADVERTISING.
Advertising is like food. It makes a business grow. And NEWSPAPER advertising is the roast beef of advertising business.
And NEWSPAPER advertising in Heppner means GAZETTE-TIMES advertising.
What about your store's advertising menu? More advertising "food" will make your business healthier and more prosperous.
In these days of re-adjustment it is incumbent upon the business man to increase his advertising rather than decrease it, but—
It is likewise more necessary for him to use exacting care and judgment in the choice of a medium because he must get full value for every dollar he spends.
In Heppner and Morrow County The GAZETTE-TIMES covers the field completely. No weekly paper in the state of Oregon has as large a circulation in proportion to the population of the town and city in which it is published.
CONCENTRATE YOUR ADVERTISING IN THE GAZETTE-TIMES!
By doing so you will eliminate duplication of advertising expense, and still have the assurance of equal, if not greater, results and service.
Come in, or call Main 882, and we will be pleased to explain the situation and proposition fully.
We benefit only as we serve our patrons, and do not desire business on any other basis.
