some time prices paid for your farm products have been low. It is but nat-

ural for you to want lower prices on the farm implements used in producing your crops.

Announcement is made by the Oliver Chilled Plow Works of a general price reduction in their lines that brings prices to the basis of 1918. They are first to make this reduction and are taking the loss that the move brings-for there has been little re-

duction in labor or material—as their

contribution in hastening a return to

normal conditions. This is your opportunity to secure new, up-to-date Oliver quality implements that will help you produce a full crop, and get them at a price in line with the reduced prices on your farm products.
