LEGION MEN WANT P. M. FIRED
Lincoln (Neb.) Post Takes Exceptions to Government Official's Demand for Use of German.
A resolution requesting the government to relieve Henry C. Jarms, postmaster of Emerald, Neb., from his office was passed by Lincoln (Neb.) Post No. 3 of the American Legion, as a result of the postmaster's efforts to supplant the American language by the German language in a church of Emerald.
The trouble started when the pastor of the church invited two Legion members to deliver patriotic addresses in the church. When the speakers appeared, Jarms objected to their presence and called for a vote of the congregation to decide whether they should be ousted. It was the will of the majority that the Legionnaires should not be heard. After the vote, the Legion members quietly left the church.
The pastor, whose invitation to the

Legion men was made in an endeavor to assimilate the pro-German and American elements of his church in their controversy over the use of the American or German language, then took the floor and expressed his surprise at a turn of events and left the meeting.
In commendation of the patience of the American Legion members a Lincoln newspaper expresses the following sentiment in its editorial columns:
"The policy of the Legion to send speakers to address meetings on invitation only and to teach Americanism by example rather than by force, has everything to commend it. The small groups of unassimilated foreigners in this country can readily be curried into compact masses by hate. On the other hand, they can be dissolved in time by patience and friendship. The American Legion is honoring the name it bears when it adopts the latter course."

Family of Seven Die Together.
Because they could no longer stand the agonies of starvation, a Chinese family of seven committed suicide. The father and mother first bound their five children together, then lashed themselves to the children, and all leaped into a river. The seven bodies, all bound together, were seen by L. V. Lewis of Portland, who recently returned from the famine section in North China.
"With 45,000,000 starving, the situation is a colossal tragedy," said Mr. Lewis, "and rather than see their children suffer any longer, parents all through the famine lands are killing their little ones and then themselves. There are millions of gaunt, emaciated, half-naked men, women and children roaming the famine lands, chewing roots and bark, and hanging tenaciously to life, in the effort to pull through until spring. The relief organizations are struggling against the overwhelming situation, and are saving some of those on the edge of the great famine district. Surely every man, woman and child in Oregon will want to give something towards the China Famine Fund."

Peiper Post Unveils Monument in Honor of Veterans Who Served in Last Four Wars.
Frederick E. Peiper Post of the American Legion at Clinton, Mich., has unveiled a monument erected by the post in honor of sons of Clinton who served in the last four wars of the country.
Patriotic citizens of the town donated a plot of ground surrounding the monument, which will be converted into a beautiful park. The monument is built of stone with a bronze tablet bearing the following inscription:
"IN MEMORIAM—Dedicated to her sons who gave their lives for Freedom's cause in four wars, by the village of Clinton, the Mexican War 1840, War of the Rebellion 1861-1865, Spanish-American War 1898, Great World War 1914-1918."

In every way — it is the best way to keep down baking costs. That's what has made it the world's biggest selling baking powder — has kept it the favorite of millions of housewives for more than thirty years.
Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Legion men was made in an endeavor to assimilate the pro-German and American elements of his church in their controversy over the use of the American or German language, then took the floor and expressed his surprise at a turn of events and left the meeting.
In commendation of the patience of the American Legion members a Lincoln newspaper expresses the following sentiment in its editorial columns:
"The policy of the Legion to send speakers to address meetings on invitation only and to teach Americanism by example rather than by force, has everything to commend it. The small groups of unassimilated foreigners in this country can readily be curried into compact masses by hate. On the other hand, they can be dissolved in time by patience and friendship. The American Legion is honoring the name it bears when it adopts the latter course."

Family of Seven Die Together.
Because they could no longer stand the agonies of starvation, a Chinese family of seven committed suicide. The father and mother first bound their five children together, then lashed themselves to the children, and all leaped into a river. The seven bodies, all bound together, were seen by L. V. Lewis of Portland, who recently returned from the famine section in North China.
"With 45,000,000 starving, the situation is a colossal tragedy," said Mr. Lewis, "and rather than see their children suffer any longer, parents all through the famine lands are killing their little ones and then themselves. There are millions of gaunt, emaciated, half-naked men, women and children roaming the famine lands, chewing roots and bark, and hanging tenaciously to life, in the effort to pull through until spring. The relief organizations are struggling against the overwhelming situation, and are saving some of those on the edge of the great famine district. Surely every man, woman and child in Oregon will want to give something towards the China Famine Fund."

Peiper Post Unveils Monument in Honor of Veterans Who Served in Last Four Wars.
Frederick E. Peiper Post of the American Legion at Clinton, Mich., has unveiled a monument erected by the post in honor of sons of Clinton who served in the last four wars of the country.
Patriotic citizens of the town donated a plot of ground surrounding the monument, which will be converted into a beautiful park. The monument is built of stone with a bronze tablet bearing the following inscription:
"IN MEMORIAM—Dedicated to her sons who gave their lives for Freedom's cause in four wars, by the village of Clinton, the Mexican War 1840, War of the Rebellion 1861-1865, Spanish-American War 1898, Great World War 1914-1918."

WHAT you lose thru baking failure must be added to baking costs—it has to be paid for.
Calumet Baking Powder will save you all of that. Because when you use it—there are no failures—no losses. Every baking is sweet and palatable—and stays moist, tender and delicious to the last tasty bite.
That's a big saving—but that isn't all. You save when you buy Calumet and you save when you use it.

It is reasonable in cost and possesses more than the ordinary leavening strength. You pay less and use less. You get the most in purity, dependability and wholesomeness.
