Rules and Regulations.

- The general supervision of the grounds, and entire exhibition, the police regulations, and entrance and exit gates are vested in the board.
- The fair grounds will be open for the reception of all articles three days before the commencement of the fair, and they may be shipped to the care of the secretary; but in no case will such articles be brought into the grounds and placed on exhibition, except by and at the expense of the owner or his authorized agent.
- Entries may be made with the secretary, at his office in Heppner, by mail for three days before the commencement of the fair. Stalls may be secured by parties who have made their entries and have paid their entrance fees within the time prescribed for making entries, and no animal shall be taken by any other exhibitor into such stalls so reserved in the space set apart for such class.
- Every animal or article must be entered for competition in the name of the bona fide owner or maker, whose number must be indorsed on the entry card. Anyone trying to deceive the committee in regard to ownership or who shall purchase articles or borrow them and exhibit them in his or her own name as his or her own manufacture, shall forfeit all claims as an exhibitor.
- On the entry of each animal or article a card will be furnished each exhibitor, specifying the class and number of the entry; said card to remain attached to such animal or article during the exhibition, excepting on sheep, hogs and poultry, which shall be attached to the pens.
- TIME OF CLOSING ENTRIES:** All the gates to the fair grounds shall be open and free to exhibitors on Wednesday, for the purpose of giving exhibitors opportunity to put their goods, articles or animals on exhibition. All entries must close on Wednesday, and all goods, articles and animals must be in place and on exhibition by Thursday noon, the first day of the fair.
- No animal or article will be allowed to compete for more than one premium, nor shall be entered in more than one class, except as one of a herd or pair, or cows for milk, or in sweepstakes.
- No animal or article shall be withdrawn before 5 o'clock P. M., the last day of the fair, unless by special permit of the board.
- Exhibitors will at all times give the necessary and personal attention to whatever they may have on exhibition, and at the close of the fair take entire charge of the same. The board of directors will use every precaution in their power for the safe preservation of all articles and stock on exhibition, but will not be accountable for loss or damage. Exhibitors must give attention to their articles or animals during the fair, and at the close of the exhibition attend to their removal.
- The president shall have power to call a meeting of the board at such times during fair week as he may deem necessary.
- Pedigrees of purebred stock must be left with the superintendent of the class, and said superintendent will be held responsible for the return of the same to the secretary.
- Any person knowingly violating any of the rules of this board will thereby forfeit and be debarred from receiving any premium that may be awarded him or her.
- The superintendent of the pavilion shall have charge of the pavilion. He shall see that all articles on exhibition in and about the pavilion or belonging to the society or exhibitors, are carefully preserved, and perform such other duties as the board of directors may decide.
- Editors and reporters for the press will be provided with ample facilities for obtaining and transmitting information. But no reporter, unless known as such by some member of the board, or provided with a certificate from the publisher of the paper he claims to represent, shall be entitled to free admission to the grounds. Permits for reporters can be obtained from the secretary.
- All articles in Divisions G, H, I, J, K, L, M, N, and P shall be made and prepared or grown for exhibition by the exhibitor only.

SUPERINTENDENTS AND COMMITTEES.

- The Board shall appoint superintendents and judges. No person can act as judge in any division or class in which there is a direct or indirect interest in the result as owner or agent; and when awards have been made in violation of this rule, the board of directors reserve the right to appoint a committee and compel another examination.
- The entry books shall be placed in charge of the president, who shall deliver them to the superintendents and give them all necessary instruction.
- Any person interfering with the judge during his adjudications will forfeit the right to premiums. All officers are required and exhibitors are requested to report any violation of this rule to the board of directors.
- Superintendents in marking the first, second or third premium, will please observe this rule: If first premium, put a figure "1" in column headed "First Premium." If second premium, put a figure "2" in column headed "Second Premium." If third premium put a figure "3" in column headed "Third Premium." MORROW COUNTY FAIR BOARD

HEPPNER, OREGON.

GREETINGS:

The Morrow County Fair Board has the pleasure of presenting to you the Annual Premium List of the Morrow County Fair. We urge you to study carefully the suggestions contained and plan now to make your exhibit bigger, better and more interesting than ever before.

"Our Fair," yours and mine, will be held in Heppner, September 15, 16 and 17, 1921. With your help it will be worth while. Morrow County has the products and with everybody boosting the Fair will be a credit to everyone.

While the premiums are not large we have tried to make it possible for you to be loyal to your county and give her your support. We are offering special inducements for showing wheat, wool, fat hogs, farm and community displays. You should prepare at once to enter these contests.

The Morrow County Fair has been the important factor in improving Morrow County's credit since 1913. It has made possible the right kind of advertising. We must continue.

Buy a family ticket and enjoy three days of music, dancing, entertainment and fun. Trusting we may have your hearty co-operation in making this the best fair, we remain,

THE MORROW COUNTY FAIR BOARD,
By W. W. Smead, Secretary, Manager.

Information.—The office of the Morrow County Fair Board is located in Room 4 of the Roberts Building, Heppner, Oregon. You are invited to call on the Secretary-Manager for any information desired in connection with the Fair.

Price of Admission.—General Admission 50c. All day Ticket 75c. Season Ticket \$1.50.

- No one will be allowed to judge in any class in which he is an exhibitor.
- Exhibitors in the arena must be careful to have the entry cards in a conspicuous place on the animal, that the judge may be facilitated thereby in making awards.
- The judge will in no case award a premium where there is no merit, and in case there is but one article or animal exhibited in a division or class, they will award only one premium in a division—the highest, or a second, or a third premium, as may appear proper.
- One judge shall be appointed for each class of stock to decide awards, and in no instance shall he be allowed to converse or hold communication with any outside party during the time of deciding the awards, except through the superintendent.
- Men in charge of the stock are strictly prohibited from making any remarks regarding the stock, unless information be required of them by the judges or superintendent. Anyone infringing on this rule will be excluded from the ring by the superintendent.
- During the exhibition in the arena no person will be allowed inside, except awarding committees on duty, reporters of the press who send daily telegraphic reports to papers represented by them, and attendants and officers of the society, one man being admitted in charge of each animal.
- No one will be allowed to see the entries until after awards have been made.
- Judges on purchased lots must be furnished with pedigrees before they will consider the claims of any animal to a premium.
- Any exhibitor placing ribbons on an animal shall be required to move said animal from the grounds, and will forfeit all claims to premiums and be subject to publication nor shall said persons be allowed again to compete for a term of three years.
- This society does not desire to encourage the overfeeding of animals designed for propagation, and the superintendents of the several classes of stock are required to call the attention of the judges to this fact.
- The board shall appoint three marshals and see that order is preserved on the grounds, and that the rules and regulations of the society are complied with.
- No entrance fee will be charged on any entry.
- No entry clerk shall under any circumstances allow the entry books to go from his possession or be inspected by any one until entries close, except by clerks and officers employed by the society. Nor shall any entry be made known by the clerk until the entry books are placed in the hands of the superintendent.
- 54-a. Premiums will be paid on presentation of the certificate of entry.
- 54-b. No monstrosities or deformed beggars for charity shall be allowed to enter the gates of the society at its annual fairs; and the marshal is authorized to instruct gatekeepers and ticket vendors in regard to the enforcement of this rule.
- Only residents of Morrow county will be allowed to compete for all awards by this society.
- 55-a. All premium warrants issued by the Board and not called for and cashed by January 1st, 1922 shall be forfeited to the Board and the secretary is authorized to cancel the same.
- CONCESSIONS AND PRIVILEGES.**
- Applications for space, either in buildings or upon the grounds for exhibition purposes or concessions, should be made to W. W. Smead, Secretary.
- Confetti, cane racks, knife racks, spindle games, returning rubber balls and any and all other similar games and devices will not be allowed upon the grounds under any circumstances, nor games of chance of any nature.
- The Board of Directors and superintendent of concessions will use every precaution to guard against extortion in any form practiced upon the

- patrons of the Fair. A violation of this rule by any concessionaire will cause the forfeiture of contract, money paid, or expulsion from the grounds as the management or superintendent may direct. The Board of Directors authorizes the letting of only such privileges or concessions as are required to supply the necessary wants of the people, or to add to their comfort, convenience and pleasure; but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be let or in any manner tolerated upon the grounds or in the buildings; nor will any privilege be permitted where the business is conducted in other than a legitimate and trade-like manner. All concessionaires shall cause to be posted in a conspicuous manner, at the front of entrance to place of business, a sign showing the price to be charged for meals, lunches, drinks, or other articles of food offered for sale. All ground leases or space contracts, unless otherwise specified, will expire with the close of the Fair each year, and all temporary buildings, frames, booths, etc., must be removed prior to September 20th following; otherwise they will become the property of the Morrow County Fair.
- Each concessionaire must confine himself to the space assigned. Failure to do so will subject him to forfeiture of his privilege, without reimbursement.
- No games of chance or immoral exhibition will be allowed on the grounds.
- All dining halls, lunch booths, refreshment pavilions and other stands are required to be substantial in structure, and they must be kept neat and tasty in appearance and supplied with wholesome food and pure, honest goods for sale to the people at reasonable prices. The Board will carefully guard against extortion in any form being practiced on the patrons of the fair, and any such attempts will forfeit to privilege holders all rights on the grounds.
- Restaurants must place their garbage in barrels where the sanitation department employees can get it with ease. Failure to do so will be cause for the Board to revoke the license. Emptying water or throwing refuse of any kind upon the grounds is strictly prohibited.
- The Board of Morrow County Fair Directors or secretary reserve the right of cancellation, at any time, for reasons satisfactory to them, of all contracts made with concessionaires.
- ADVERTISING MATTER.**
- Under no circumstances will any person or firm be allowed to place any advertising matter upon the buildings, trees, or any place on the grounds, nor will they be permitted to distribute advertising matter outside the place assigned them.
- PROTESTS.**
- All protests must be made in writing accompanied by affidavit setting forth the grounds for protesting. Protests against the exhibition of either animals or articles must be filed with the secretary at least twenty-four hours before the awards are made. Protests against awards must be filed with the secretary by 4 o'clock p. m. of the day following that on which awards are made. Protests against awards will be considered by the board at its first meeting after the filing of the protests. Parties interested will be duly notified by the secretary and opportunity given them to submit evidence. In every case of protest, the party protesting must deposit with the secretary a sum of money equal to the amount of the premium involved, excepting however, that in no case shall the amount required to be deposited exceed the sum of \$25.00, which sum shall, in the event of the protest being sustained, be returned to the complainant, and if the protest shall not be sustained, then such sum will be forfeited to the board. In addition to the rights of protest herein guaranteed to interested parties, the board of directors expressly reserve the right to take cognizance of frauds which may have been consummated or attempted, and to deal with any party or parties implicated therein in such manner within the scope of the power of the board as may from the evidence relative thereto be deemed just and proper.
