Lower Farm Implement Prices**T**HE BREAK HAS COME. FOR
some time prices paid for your farm
products have been low. It is but nat-
ural for you to want lower prices on the farm im-
plements used in producing your crops.Announcement is made by the Oliver
Chilled Plow Works of a general
price reduction in their lines that
brings prices to the basis of 1918.
They are first to make this reduction
and are taking the loss that the move
brings—for there has been little re-
duction in labor or material—as theircontribution in hastening a return to
normal conditions.
This is your opportunity to secure
new, up-to-date Oliver quality imple-
ments that will help you produce a
full crop, and get them at a price in
line with the reduced prices on your
farm products.**Peoples Hardware Co.****Ship and Sail under the Stars
