~an advantage worth while

Back of the Zerolene you buy for your engine are the combined resources, experience, knowledge and equipment of the Standard Oil Company. They create an efficiency in the manufacture of fine lubricants hard to duplicate elsewhere in the world.

You gain this advantage in the use of Zerolene.

Our Board of Lubrication Engineers recommends the grade of Zerolene to meet the requirement of your type of engine. Follow their recommendations as embodied in the Zerolene Correct Lubrication Chart.

Ask for a Chart for your car.
