**Ship and sail under the Stars and Stripes to all parts of the world**

THERE was a long period when it was not true, but today it is proudly true once more—trade and passenger routes are so established that you can ship your goods, or you can sail, to any part of the world under the Stars and Stripes.

The program of routes is being carried out with an eye to the future as well as present needs of American exporters and importers and all American prosperity. See that the ships you use are owned and operated by American citizens or by the U.S. Shipping Board.
