EASTERN OREGON BOY'S CONFERENCE

To be held in Heppner October 14, 15, and 16.—An Attendance of 200 is Expected.—Brotherhood to Furnish Banquet.

The third Annual Older Boy's Conference for Northeastern Oregon will be held in Heppner, Friday, Saturday and Sunday, October 14, 15 and 16. Last year at Pendleton there were 145 delegates and leaders registered. There should be fully 200 at Heppner this fall. Every older fellow and adult leader is invited to attend. This will be the one great meeting of Older Boys in this section of the state this year.

The purpose of the conference is to bring together the older boys to discuss some of the vital questions that are facing them today. The theme will be "The Price of Leadership." There will be some fine addresses by strong speakers, discussion periods when each boy will have an opportunity to express his opinion and help to arrive at some conclusion that he can put into practice personally, as well as work them out in his own community. Besides there will be ample time for personal interviews between boys and leaders, so it should be a great opportunity and privilege for every boy who can attend.

Every boys' organization in this territory should be represented by several of its best older fellows and an adult leader. Select your fellows early and plan to send them. The only expense will be the carfare and one dollar registration.

The people of Heppner will be asked to open their homes to the boys coming, and thus help in their proper entertainment.

The banquet to the boys will be on Saturday evening and will be furnished by the Brotherhood, this taking up the time of the regular monthly meeting.

In our next issue will be given the program in detail.

Mr. Sam Cochran returned to Heppner the last of the week from Hot Lake and on Sunday continued her journey to her home at Monument. Mr. Cochran, who was recently operated upon at the Hot Lake Sanitarium, is reported to be improving nicely and should be able to leave the hospital in about ten days. It is thought the operation will prove to be of great benefit to him in the restoration of his health.

WARNING.

Relative to the City Ordinance regulating the running at large of stock, we wish to notify all owners that we will hold them liable for all damage done Grain piled on our platforms and warehouse properties by horses, cattle, hogs, sheep and children, etc.

Besides parents being liable for damage done by children playing on these stacks of grain, there is grave danger of the piles falling on them. **KEEP THEM OFF.**

Fire at Rood Ranch.

A fire started in the stubble at the Andy Rood ranch on Heppner Flat on Tuesday morning, and a hurry-up call was sent to Heppner for assistance. Quite a number responded and hurried out to help, but before the fire could be extinguished it got into one of the settings and between 250 and 300 sacks of wheat were destroyed. Just how the fire got started, Mr. Rood was unable to say, but owing to the stubble being heavy and dry, it spread very rapidly.

W. F. Barnett and John Carmichael were Lexington citizens in Heppner on Wednesday. Mr. Barnett was interested in some road matters before the county court.

New Men Will Have Charge Of Heppner Garage Shop

Beginning with Monday next the Heppner Garage Machine Shop will be in charge of entirely new hands. Messrs. E. J. Patrick and W. L. LaBrosse will arrive here the end of this week from Pendleton and will begin work in the shop on Monday. These gentlemen come to Heppner highly recommended as thorough auto mechanics and understand the game in all its lines besides being young men of good standing. They have been engaged by one of the leading auto machine shops in Pendleton, where they had charge of all of the best lines of work. They will be in the position to absolutely guarantee all of their work.

Portland Hunters Spend Day Here.

Doctors Frank B. Kistner, Thomas Joyce and Noble Wiley Jones, all of Portland, spent Monday at Heppner as the guests of Dr. A. D. McMurdo, who had invited them to come up and enjoy a day of pleasant shooting. During the forenoon, in company with B. R. Patterson, the doctors did some shooting down Willow creek, and in the afternoon Dr. McMurdo took them out to Rhea creek and they each succeeded in bagging the limit. They returned to Portland early Tuesday, having made the trip up by motor over the Columbia highway and enjoying a good time, especially after hitting the Morrow county line and getting on to our dust macadam.

nett officiating. Mr. and Mrs. Long will make their home in this city.

Mrs. Mattie Adkins has returned from a stay of a month at the home of her son-in-law and daughter, Mr. and Mrs. Fred Elder, at Emmett, Idaho. She expects to remain in Heppner for the winter.

Lloyd Countryman has closed his connection with the Heppner Garage Machine shop, and departed for Portland, where he is engaged as a good time, especially after hitting the Morrow county line and getting on to our dust macadam.

The excavation for the new bungalow of Edward Chinn, to be erected on the lot adjoining the Crawford premises on Gale street, is nearly completed and Contractor Harry Johnson will soon have the basement under construction. Mr. Chinn is putting up a 2-room dwelling which is to be modern in every respect.

Mr. S. E. Van Vactor and daughters Ruth and Mary were passengers to Lone Sunday morning. Miss Ruth was returning to her school after spending the week-end with her parents in this city, and Mrs. VanVactor and Miss Mary were going to the farm home of Mr. and Mrs. Ellis Minor, near Lone, to visit for the day.

Riley Munkers was up from Lexington a short time yesterday, having an injury looked after by the doctor. He suffered a cut on the right eyeball recently, the injury being inflicted by a blade of grass and it was feared that the sight of the eye might be destroyed. It is now getting along well and will recover without any serious effects.

Mr. and Mrs. R. F. Swaggart returned on Monday from Salem, where they spent the past week at the State Fair. Mr. Swaggart states that it was the best state fair ever held and there was a very large attendance. He has visited the fair at various times and he is prepared to say that there never was a better fair than the one just closed.

Mr. P. M. Gammell was hostess to a bridge party at the beautiful Gammell home on last Friday evening. The guests of the evening were Mr. and Mrs. Walter Moore, Mr. and Mrs. Jos. J. Nye, Mr. and Mrs. Edward Clark, Mr. and Mrs. Earl Gordon, Mr. and Mrs. Spencer Crawford, Mr. and Mrs. David Wilson, Misses Ruby Corrigan and Margaret Loughney.

Mrs. Swift underwent an operation at the hospital in London about a month ago.

Miss Holmes, Red Cross representative from Northeastern Division headquarters, Seattle, is still in Heppner and will remain here during this week and a part of next, and longer, if necessary, to assist ex-service men with any outstanding government claims. All ex-service men are requested to communicate with her by phone, or personally at her headquarters at Hotel Patrick.

HEPPNER HI LIFE

Edited By JUNIOR ENGLISH CLASS

We have a very large enrollment in high school this year, the number being one hundred and nine students, including the three special students who are taking post graduate courses. Of the classes the Freshman class is the largest, as usual, the number being forty-three. The Sophomores have twenty-seven and the Junior class nineteen students. The Seniors have seventeen enrolled. A new row of desks has been installed in the study hall and we are afraid more will have to be brought in, tho it is getting to be a question of space in which to put them rather than of seats. Quite a number of students are coming in late and since all work must be made up by the end of the first six weeks it is going to mean some very hard study, but we are quite sure that most of them will succeed.

Several new subjects are being offered: Physics, Advanced Algebra and Geometry, and in accordance with the state law, one year of Civics instead of the usual half-year, is being offered the Juniors. One subject that has been rather overlooked, is the Teachers' Training. This course has been given for two years and is proving quite successful.

Quite a lot of laboratory equipment and several specimens have been added for the use of the science classes since last year.

NOTICE!!!

Wanted by the Junior girls: More boys. These are very rare and the few there may get lonesome.

The Home Economics department is especially popular this year. Pupils have even had to be turned away from the first year sewing class. Because of the great number of pupils in this class it has had to be divided. This is a great improvement over last year, for then the pupils had to be forced to take a subject in that department.

Because of the lack of enough teachers, the school this year is not up to all the state requirements. Every person in high school should take physical education, but such a thing at this time is impossible.

At the beginning of the year there was some doubt as to whether we would be able to have a foot ball team or not, as so many of the old players are not in school this year. However, at this time a team has been formed that promises to be very good and practice

Residents of Boardman Project Will Have Dairy Cows

County Agent Calkins met with a number of the residents of the Boardman project on Tuesday evening when the matter of purchasing some dairy cows was taken up, and he informs this paper that the prospects for getting about two years of cows for the project is very bright at the present time. Most of the parties prefer Holsteins. A couple of cars of Jerseys may be brought into the east end of the project soon, too.

The Arlington bank is financing the present shipment. A committee consisting of Art Wheelhouse of Arlington, A. P. Ayers of Boardman and the county agent were chosen to purchase the cattle, and they left on Wednesday morning to attend to this work.

FIRST CHRISTIAN CHURCH.

Lord's Day, October 9th.

Every man is confronted with two fundamental needs, viz, his need of God and God's need of him. The latter is as nothing compared to the former. This need finds its expression in church attendance; you need the church, don't wait until your funeral, come Sunday. Delightful service in the morning 10 and 11 o'clock, and a great special Rally Day and Round-Up program in the evening at 7:30. We shall be delighted to see you.

LIVINGSTONE.

The horses and jacks exhibited by B. F. Swaggart at the State Fair at Salem the past week walked away with a bunch of ribbons. He had six animals at the show and his aged stallion, Oregon Cantatta, took first and championship prizes; he got first and second in the 3-year-old class and second on aged mares. It so happened that much of his stock were in the best show condition, having been taken up from the range just a few days before going to Salem, otherwise he is confident that his ribbons would have all been blue. It was a fine showing of horses that Mr. Swaggart went up against, there being at least 500 entries—two cars from Canada and one from Kentucky. His horses were all entered in the thoroughbred class. He also showed two jacks, taking first and second against a showing of four times as many animals as heretofore.

Mrs. Dean T. Goodman, who has been quite ill at her home in this city for the past several weeks, is so far recovered that she is now able to travel, and with her husband will go to Bend on Sunday where they will visit for a time at the home of Mr. Goodman's brother, residing there. Mr. and Mrs. A. J. Goodman, of Portland, father and mother of Dean T., have been visiting here for the past couple of weeks. The elder Mr. Goodman left for home this week and Mrs. Goodman will return to her home Sunday.

A. E. McMurdo, eldest brother of Dr. A. D. McMurdo of this city, has been spending the past two weeks visiting with the doctor here. He departed on Tuesday morning for Hood River, where he will study the apple packing business for a short time. He is engaged in fruit raising in his home state of Virginia, and states that when it comes to packing apples, the west can put it all over his section. His home is at Charlottesville, Va.

What might have been a very serious fire occurred at the residence of Wm. Straigt in this city on Saturday morning, caused by a bad connection of the stovepipe with a flue. The fire started in a closet surrounding the flue through which the pipe had to pass, and it was discovered that the pipe did not connect by several inches. Early discovery of the blaze prevented serious damage to the residence, and perhaps its utter destruction.

At last our long-wished-for high school orchestra has been organized. Although our musicians are not yet artists we are sure they soon will be if they keep on at the rate they are going. The members of the orchestra are: Pianist, Violet Merritt first clarinetist, Deward Tash; second clarinetist, Crockett Sproule; cornetists, Edward Keller and Robert Tash; saxophone, Kenneth Merritt; trombones, Ellis Irwin and Holt Crimes. Prof. Otto is instructor and adds to the orchestra with the violin.

Each Hunter Brings Home A Fine Big Buck Deer

Chas. Vaughn and Bert Stone spent a few days deer hunting out in the mountains in the vicinity of Pottamatus, and each brought in his buck. As a result their numerous friends have been feasting on venison this week. The boys got home late Sunday evening, and they report that it is no easy job packing out a 225-pound deer from the brush entanglements and up the mountain steep. While they secured but the two fine specimens, they know that they knocked down the third and traced the wounded animal for a long distance but failed to land him.

Mrs. W. W. Sneed departed for Portland on Sunday to join her husband, who, she stated, would likely be absent for the next three weeks at least. He has been at Salem the past week with the Morrow county exhibit, and this week he is bringing the exhibit to the Land Products Show at Portland, and after that he will take in the grand lodge of the Knights of Pythias of Oregon.

Glenn Y. Wells of Portland was in the city for several days the past week on legal business. He returned home on Sunday.

HUNTING STRICTLY FORBIDDEN.

We, the undersigned, hereby give notice to the public that hunting on our places on Hinton creek is strictly forbidden. Anyone trespassing upon our premises for the purpose of shooting Chinese pheasants will be prosecuted to the fullest extent of the law, and no permission will be granted to anyone to do so.

JOHN L. KINCAID WAS EARLY SETTLER HERE

Intelligence reached Heppner Tuesday of the death of John L. Kincaid, at his home near Lone on Monday, October 3rd. He had been ill for some time and his death was not unexpected. In fact, ever since receiving very serious injuries in a runaway at his farm about six years ago, Mr. Kincaid never regained his former health and has been on the decline.

He was one of the very earliest settlers of Morrow county and located in the west end of the county nearly forty years ago, continuing to reside in the same locality, with the exception of a few short intervals, ever since that time until his death. In all these long years of residence in this county, Mr. Kincaid was known as a man of sterling qualities; he was a good neighbor and a splendid citizen of the community.

Funeral services were held in the Christian church at Lone on Wednesday, Rev. W. O. Livingstone of Heppner delivering the funeral discourse to a very large gathering of neighbors and friends of the deceased.

John Lindsay Kincaid was born in Antioch, Ohio, May 1st, 1849 and died in Morrow county, Oregon, October 3, 1921, aged 71 years, 5 months and 2 days. March 22, 1871 he was united in marriage to Catherine Anna Winters at Casey, Ill., and to this union three children were born: J. O. Kincaid, who resides on the home place near Lone; Jennie Bix, of Council, Idaho, and Ethel Rowman of Pendleton. About the year 1869 he moved from Ohio to Illinois and after three years residence in that state he moved on to Eastern Kansas. He moved to Oregon in 1894, settling in Morrow county, where he has since lived.

He leaves to mourn his loss his widow, the three children and six grandchildren, besides a large circle of friends. He had been a life-long member of the Christian church.

FEDERATED CHURCH.

Services will be held as usual Sunday. Sunday school at 9:45, preaching at 11:00 and 7:30; Christian Endeavor at 4:30 p. m. Our rally day last Sunday was a success, and we shall look forward to a large attendance in all the classes of the Sunday school from now on. Be sure to be with us for you have a welcome here.

E. L. MOORE, Pastor.

Mr. and Mrs. Oscar Mitchell, of Grass Range, Montana, have been visiting with their many old-time friends in and about Heppner during the week. Mr. Mitchell is one of the old-timers of the Heppner country and it gives him a lot of pleasure to be here again. He notes many changes since leaving Morrow county, and Heppner looks like an entirely different place to him. Before they return home, Mr. and Mrs. Mitchell expect to visit in Malheur county where they have relatives living.

Roy Stamp has returned from Portland and is now able to get about quite well by the use of crutches. He received serious injuries and a broken leg at Lexington several weeks ago and it was found necessary to have him go to a Portland hospital for treatment. He is getting along well now but it will be quite a while before he is fully recovered.

Mr. and Mrs. T. J. Millspaugh, who have been spending the summer on the farm of their son-in-law, Dan Hanahew, departed for their home at Lents on Sunday and expect to remain there for the winter, at least. They will return to Morrow county again in the spring.
