

# HEPPNER HI LIFE

Edited By JUNIOR ENGLISH CLASS

**HEPPNER BEATS FOSSIL 12 to 6.**  
The game scheduled for Saturday, October 8 between Heppner and Fossil started on time and ended with the score 12 to 6 in favor of Heppner.

The game started with Heppner kicking off, and all through the first quarter neither side was able to make any serious showing, although Heppner punted twice and each time recovered the ball. The second quarter was almost a replica of the first quarter with Heppner having a slight edge, however, in yardage gains through Fossil's line.

During the ten-minute intermission between halves Coach Heard gave the boys a talking to and when the second half began the boys played with a new spirit. After the first few minutes of play Heppner started a series of line bucks from her forty yard line. Irwin took the ball and went through for about ten yards, then Clabough went through for about eight. Then Witcraft and Clabough moved the ball up to about five yards from the goal line and Cason bucked it over, scoring the first touchdown of the game. Witcraft failed to convert goal. The ball was on Fossil's forty-yard line when one of their men broke through for a forty-yard run before he was downed by Irwin. However, our line held on our twenty-yard line and the third quarter ended with the ball on that line.

When the last quarter began with the ball on our twenty-yard line we made a recovered fumble and started a series of line bucks and end runs that took us down to Fossil's thirty-yard line. There Fossil's line held and we lost the ball on downs. Fossil was penalized fifteen yards and their coach was not going to accept the penalty until the referee, John Kilkenny Jr. declared that the game went no farther unless the ball went into play there, and the Fossil coach gave in. Fossil lost the ball and Heppner took it on Fossil's fifteen yard line. Quarterback Irwin then called a fake play and right end Ferguson came around left end with the ball and made a touchdown just as the pistol went off ending the game. The game ended when Witcraft failed to convert goal.

Heppner's line-up was as follows:  
Line—Left end, Boyd; left tackle, Logan; left guard, A. Case; center, Hall; right guard, Dexter; right tackle, D. Case; right end, Ferguson. Back field—Quarter, Irwin; right half, Witcraft; left half, Cason; fullback, Clabough.

Mr. James finds that the students of this school are very deficient in current events, so he is giving a lesson in the "Literary Digest" each week to the Civics and the History classes.

Many of the people who were worried over the noise made in front of the school building last Friday after school, were much relieved when they learned that it was only the students having yell practice for the football game on Saturday.

The Junior class sold pop, homemade candy and peanuts at their stand on the football grounds Saturday.

Wanted: Some fire extinguishers. We feel that the schoolhouse is in danger with so many red-haired people around.

The Junior pennant is enjoying a vacation at the cleaners this week. The assembly looks very lonesome without it.

The Seniors are the proud possessors of new class pins and rings. This is the earliest that these emblems have been secured for several years and the class naturally feels quite important over the fact.

The senior English class spent several days last week on the study of parliamentary law. Since it is put into practical use in our high school it is well for all the students to know something of it. This week the work will consist mainly of debate.

The Lyceum course this year is from the Ellison-White chaletauqua circuit and the numbers to be given in Heppner will be under the management of the high school with the assistance of the Patron-Teachers' association. The cost of this circuit will be five hundred and five dollars. In order to "make good" in this we shall need the cooperation of the townspeople. A committee of high school students will canvass the town and we feel sure that you will not regret buying a season ticket. The price of the tickets will be two dollars, the same as last year, all the one more number will be given.

The first number, the Freeman-Hammond Company, a group of musicians and entertainers, will be given October twenty-first. This is a number that everyone will enjoy; yet we are quite sure the other five numbers are just as good. They are: Chief Strongheart, an Indian lecturer; the DeMare Duo, another company of musicians and entertainers; Gilda Adams, a reader; the Bell Singing Male Quartet and J. Franklin Babb, lecturer.

The Northeastern Oregon Older Boys' Conference will be held in Heppner on October 14, 15 and 16. About 150 boys are expected from Lexington, Pilot Rock, Hermiston, The Dalles and Pendleton; and probably Baker and La Grande will also send delegates. They will be entertained by the people of Heppner.

The purpose of this conference is to bring together the older boys to discuss some of the vital questions that are facing them today. The main topic for discussion will be "The Price of Leadership."

All meetings will be held in the Federal church, except the one on Sunday evening, to which the public is invited; this will be held in the Christian church.

### OUR PRESENT CROWDED CONDITION.

High school life is much like a game of baseball. The faculty represents the pitcher that tosses the ball of knowledge, and we students are the players in the game, who bat the ball with our ability to think and learn. Heretofore our school rooms used for the diamond have been large enough for the number of players, but so far this year, every one has not had a square chance at the bat, because of the crowded condition in the whole school. There are seventeen Seniors, nineteen Juniors, twenty-nine Sophomores,

and forty-one Freshmen, besides three post-graduates, a total of one hundred and nine students that are compelled to remain in the same amount of room space that was not sufficient for the ninety-five students of last year. Three of the classes, Algebra I, English I, and Domestic Art I, have been divided into two classes each, but still there are too many in each class to do the best work. Take, for example, the class of forty-seven in chorus at one time, which by itself is enough to prove that we are entitled and expect to get more room by boosting for a new high school building.

The grades could easily use all of the present building, and we would not have some of our classrooms in the basement, while the rest are on the upper floor where we have to disturb and be disturbed by the grades on the middle floor.

Think it over, folks, and if your curiosity is aroused, visit Heppner High. We will be more than glad to "show you around" and you will heartily agree, that our present diamond will not be large enough for next year's game, and before long, you, too, will be boosting for our new high school building. Remember, it will take the support and cooperation of every person to accomplish the ideal, but we know you will back us up more than you have ever done before.

RELIANCE MOORE

**Sunday School Rally at Lexington.**  
The rally day exercises for the Congregational Sunday School at Lexington, will be held on Sunday, Oct. 23. Dr. A. J. Sullens, Superintendent of Congregational churches of Oregon and Idaho, will preach in the Congregational church at Lexington on Sunday, Oct. 23, at 8:00 o'clock p. m. The Sunday school is preparing for a big day on the 23rd, when all will come together for a good time.

J. W. Kirschner, county surveyor, returned from a trip to Condon and Arlington on Friday. He traveled to these cities by auto and returned to Heppner by train. Mr. Kirschner carries with him a pedometer, and on the trip from Heppner to Arlington via Condon this little instrument registered just 21,000 jolts, each jolt indicating a bump the car had passed over in the road. While at Condon he picked up a number of photographs of the big elevator that recently had two units collapse, and these pictures reveal quite clearly the faulty construction of the building.

Mr. and Mrs. E. D. McMillan of Lexington have been spending the week in Heppner. Mrs. McMillan's daughter, Mrs. Ray White, is confined in the hospital here, recovering from an operation for appendicitis and her parents desired to be near her until all danger was passed. Mr. McMillan, who suffered a badly broken wrist a couple of weeks ago, when his Ford "kicked back" while he was cranking the machine, is doing well and his injuries are fast healing.

### STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of The Gazette-Times, published weekly at Heppner, Oregon, for Oct. 1, 1921.

State of Oregon, County of Morrow, ss: Before me, a Notary Public in and for the State and county aforesaid, personally appeared Vawter Crawford, who, having been duly sworn according to law, deposes and says that he is the editor of The Gazette-Times and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers, are: Vawter Crawford and Spencer Crawford, Heppner, Oregon.

2. That the owners are: Vawter and Spencer Crawford, Heppner, Oregon. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: First National Bank of Heppner, Oregon; Barnhart Bros. & Spindler, Seattle, Washington.

VAWTER CRAWFORD,  
Sworn to and subscribed before me this 13th day of October, 1921.  
JOS. J. NYR,  
Notary Public for Oregon,  
(My commission expires June 15, 1923.)

They O'Leary was instrumental in showing up a deal the past week in which the Adolph Majeski place on Elton creek was transferred to J. B. O'Leary of Shovidar, Oregon. This place is situated just a short distance up Elton creek from Jordan Siding and was formerly known as the Ed Day place. In the deal Mr. Majeski takes over 400 acres of land near Williamina.

Earl Gordon departed for Dufur on Sunday, where he goes to accept a place in a pharmacy there. Mrs. Gordon expects to leave Heppner the first of the week to join her husband.

## Lamm Tailored-to-Measure Clothes

have always won the admiration of men who care—not alone because of the fabric excellence and fit—but the long run economy as well.

Shop around Town then come here and you're sure to appreciate the goodness of our values.

Styles Galore. Hundreds of Patterns for your selection.

Tailored for you at less than ready-made prices.

WEDNESDAY and THURSDAY, Oct. 25th and 27th  
EDITH STOREY in  
**"The Beach of Dreaues"**  
A swiftly moving story of a woman Robinson Crusoe. Also Comedy and Scenic.

## Surest thing you know!

THEY DO IT!  
We spent years experimenting with different blends of tobaccos to obtain  
— a new flavor  
— a more pleasing aroma  
— and to obtain what is more important still—the one thing that smokers have always wished a cigarette would do—  
"SATISFY!"  
And Chesterfields do "satisfy."  
For in Chesterfields the tobaccos—Turkish, and Burley and other choice home-grown varieties—are blended differently—and better—to give you and all smokers that greater measure of cigarette enjoyment.

They Satisfy  
—and the blend can't be copied.
