Subscription \$2.00 Per Year

gon-Washington Railroad & Navigation Co., Oregon Short Line and Un-

The announcement has just been made by the traffic authorities of the

Union Pacific System of a complete re-organization of that department. The

news was somewhat startling at first glance, especially to those whose bus-

ness relations with that big firm have

seen more or less friendly and intimate

ion Pacific Co.

for a long time.

Not in Recollection of the Oldest Inhah itant Has Such a Heavy Snow Fall Occuerred so Early in the Season.---Weather Has Been Mild.

following officers for the ensuing year Late Friday afternoon it began snow J. W. Cook, Post Commander, Forby Greamba, Vice Commander, Faul Geming at Heppner and it kept it up at a lively rate until Sunday afternoon. A mell, Adjutant, Walter Moore, Finance total of about 14 inches fell here. Sun-Officer. The question of erecting a building for the Legion was also ma cuased, along with some other business day night it began raining and has rained intermittantly nearly every day matters, but no definite steps were taksince making a crust on the snow on at this time. which rendered moving about very un-

comfortable. The auto and bus traffic of the city has been practically suspended because of the deep snow and the roads have not been very well after an illness that had extended over

try districts. Owing to the mild weather, the snow has been gradually melting and at the present there is considerable slush. The Willamette valley about 10 miles south has been gradually melting and at the Mowness with which the melting is go-ing on has oeen a splendid thing as it tural pursuits until 1880 when he rehas not caused the water to rise to moved to Grant county. He spent two any considerable extent in the creeks, years at Prairie City and then moved to Hamilton where he took a band of sheep on shares. In 1894 he sold out and the moisture is sonking into the ground where it is needed and will do a lot of good. With a big rise in Wilhis sheep and received 90 cents for his ewes and 75 cents for his lamba and for low creek much damage might result just at this time to the new concrete a while he engaged in freighting. Later he acquired his home near Monument bridges under construction. The work on these has progressed nicely up to ine time of the storm and none of them are in such condition that the false Miss Emily L. Harding of Washington are in such condition that the faise work can be removed and the creek work can be removed and the false shall be found to washington county. Oregon, and they became the channel is pretty hadly hampered by the construction forms, so there is Fay, Rex L. Ona, Belle, Calvin L. Buth, ground for the fear of damage to the Blanche and Gladys. bridges and other property that might result from flood waters. A few more days of present weather conditions and the danger should be over.

From reports coming into Heppner the storm has been general east of the Cascade mountains and has raised havoe generally with the operation of railroads, telephone and telegraph sysmany friends and his death is greatly to be regretted.-Blue Mountain Eagle tems. Trains are blocked on both side of the Columbia river. Big slides have occurred on the O-W. R. & N. betwee Hood River and Portland, and through trains are reported to be tied up at dif

ferent points along the line. The Hepp ner branch train has been held her since Sunday as there was no connection on the main line. The mail wen out yesterday, however, on the work train, and we understand that passen-gers will be taken out today as arrangements have been made to take then through to destination. It is expected

to be several days, however, before the obstruction on the tracks beyond Hood Hiver have been cleared away so that trains can get through to Portland. The snow fall has been very heavy

throughout thte Columbia River basin Three feet or more is reported at The Dalles while over Morrow county there has been perhaps an average of 16 inches. At Monument there was no snow, so we have been informed by parties getting in from there the past day or so and they were surprised to find such a heavy mantle of snow here.

It is a very unusual storm for this country at the time of year and it is not recalled by the object inhabitant that so heavy a fall of snow ever occurred

Arrangements have been made by C. C Calkins County Agent, to have G. A. Mansfield, State Farm Bureau president, food which had been prepared for them in a delectable manner by Edward meet the farmers of Morrow county during the week of December 5-12. Dur-Chinn, the geninal proprietor. After disposing of large quantities of the various products of the sea, the boys held a business session and elected the following official for the sea.

ng that week afternoon and evening cetings will be held at the following mmunities of the county: Boardman, Irrigon, Ceell, Ione, Lex-ington, Alpine, Heppner, Pine City, Eight Mile and Hardman.

The dates of the different meetings will be announced next week through the county papers. Mr. Mansfield is now attending a meeting of the National Farm Bureau and with his message from the organized farmers, coupled with his burning desire to help them to a position equal to the one enjoyed by people in other

Morrow county expects to have a broken leading to town from the coun-try districts. Farm Bureau equal to any in the other number of friends and neighbors at-tending the funeral. ounties, to aid the farmers in meeting their problems.

Convention Is Success.

Pendleton Rebekahs who attended the annual district convention held yesterday in Echo speak high praise for the success of the gathering. The local delegates motored to Echo for the Three hundred Rebekahs were pres

ent, among them Mrs. Nettle Whet stone, of Pendleton, president of the Rebekah Assembly of Oregon, Mrs. Olive Frye of Heppner, grand assembly uarshall, and Mrs. Etta Sanderson of reewater, inside guardian.

The Freewater team won the silver p for the degree team work, and Freewater was chosen as the meeting place for the next convention, to be held in 1922. Mrs. Jones of Milton was Deceased was a member of the Ma-sonic lodge at Morganent. He was prominent in the affairs of the county elected as chairman for the conven-tion, Mrs. Jessie Kirk of Freewater, and for a number of years took a very vice chairman and Mrs. Henry Thompactive part in the Grant County Stock on of Pendleton, conductress .- East Growers' Association.
