E. P. DODD WOULD BE REPRESENTATIVE

While he has not officially announced himself for the place, E. P. Dodd, of Hermiston, writes this paper that he will soon declare his intention of seeking the nomination at the May primaries for joint representative for Morrow and Umatilla counties in the Oregon legislature. We are advised by Mr. Dodd that he has fully made up his mind to enter the race for this office, now that he has been assured that Mr. Woodson of this city, who has held the place for the past four years, has declared he will not run again.

Mr. Dodd is in the real estate and investment business at Hermiston and has been connected with the interests and unbundling of that part of Umatilla county for many years, and is very conversant with the needs of Morrow and Umatilla counties. He was a member of 1919 regular session and the 1920 special session of the legislature, and on both occasions proved his worth as a legislator. Because of this experience he is considered to be proper material for this important place.

Being interested largely in the promotion of irrigation and owning a large farm in the Hermiston district which is under that reclamation project, Mr. Dodd has been placed in charge of important business connected with irrigation development in his section of the state and including both Umatilla and Morrow counties. In the summer of 1919 he was sent by the commercial club of Pendleton and the communities of the irrigation districts to Washington D. C., to assist in bringing about the construction of the McKay creek storage reservoir, and soon after the project was approved by the Reclamation Service and now appropriations have been made for its construction.

Having lived near the border of the two counties for the past 15 years, and prior to that date having been editor of the Pendleton Tribune for a period of 9 years, as well as serving the commercial club of his home city of Hermiston for the period of 9 years past, Mr. Dodd is not lacking in his opportunity of knowing the needs of his section as well as having the ability to work for them. He is much interested in the development of both the farming and livestock industries, and feels that he can assure the people of Morrow county that their entire interests will be well looked after should he be chosen to represent them in the coming session of the legislature as joint representative from Umatilla and Morrow.

So far as this paper has heard no mention of anyone for this place from our own county. Mr. Woodson has declared that he feels he has done his full duty by his fellow citizens both here and in Umatilla by standing for this office at two elections and serving them as a legislator, a place, by the way, that he has so well filled, and in which he has set so high a mark that it will be no easy task for another to take his place, so the field is now an open one. Heretofore, Umatilla county folks have conceded the joint representative to this county, as this is all that we do have, and for our part we should be glad to see a strong man from this county put forth. However, if this is not done, we can see no reason just now for not supporting Mr. Dodd as a man so situated as to be in harmony with what the great majority of the people over this way desire in the way of legislation.

First Christian Church.

LORD'S DAY, JAN. 22.

Our meetings under the leadership of Evangelists Harman and Gates is starting out splendidly. There is something of vital importance in these meetings for you, come and get it: see Gates in action and get the messages of his splendid songs; catch the inspiration of Harman's great sermons. There's a big welcome for you. Every evening at 7:30 except Monday evening.

Sunday will be a great day, come and be with us and help make it such. Bible School 10 o'clock, Communion and Preaching at 11 o'clock, sermon by Mr. Harman. Our great Christian Endeavor 6:30 and Song Service at 7:30, led by Mr. Gates, followed by preaching by Mr. Harman. A most cordial welcome awaits you.

LIVINGSTONE, Minister.

At the Federate church Sunday: Sunday school 9:45 and preaching at 11:00 a. m.; Junior C. E. at 5:30 and C. E. at 6:30, followed by sermon at 7:30. E. L. MOORE, Pastor.

THIS FAMILY NEEDS HELP

A call is sent out by the local Red Cross chapter, asking that there be immediate donation of articles of clothing for a woman and three small children, one of them a baby, six or seven months old. These people are very worthy and they need immediate help, and the Red Cross is making this appeal in this manner just now rather than waiting to have articles of clothing made up. Any garments that you may have that can be used in this emergency, please leave with M. D. Clark at the store of Minor & Co.

W. R. C. Installs Officers.

Ada M. Ayers, Instituting and Installing officer, officiated at the installation of the newly elected officers of Rawlins Post No. 23, W. R. C. of Heppner on last Wednesday afternoon, being assisted by Mrs. Emeline Kelly, conductress. Following the installation, there was a presentation of a gift to Mrs. Ayers from the Post in appreciation of her services and this was followed by a luncheon and social hour. The officers installed were: Mrs. Bertha Drew Gilman, president; Mrs. Bessie Campbell, senior vice-president; Mrs. Rita Oviatt, junior vice-president; Mrs. Mattie Smead, secretary; Mrs. Olive Frye, treasurer; Mrs. Clara Mikesell, chaplain; Mrs. Lola Bennett, conductress; Mrs. Leatha Smith, guard; Mrs. Amy McFerrin, assistant guard; Mrs. Mary Notson, patriotic instructor; Mrs. Emeline Kelley, press correspondent; Mrs. Harriet Mahoney, musician; Mrs. Anna Hart, Mrs. Ellen Buseick and Mrs. Myrtle Aiken, color bearers.

Pondant Best Bee Feed Now.

Any feeding of bees at this time of year should be with soft candy or fondant rather than syrup as it is easier to feed, is more economical, and keeps down moisture in the hive. A good formula for bee fondant is: Granulated sugar.....12 pounds Liquid glucose.....1 1/2 pounds Water.....1 1/4 quarts Cream of tartar.....1/4 teaspoonful Heat the water and stir in sugar slowly until dissolved. Add the glucose, boil, and then add cream of tartar. Remove and stir until thick enough to pour into molds.

Ruth Chapter 32, O. E. S., Installs Officers For 1922

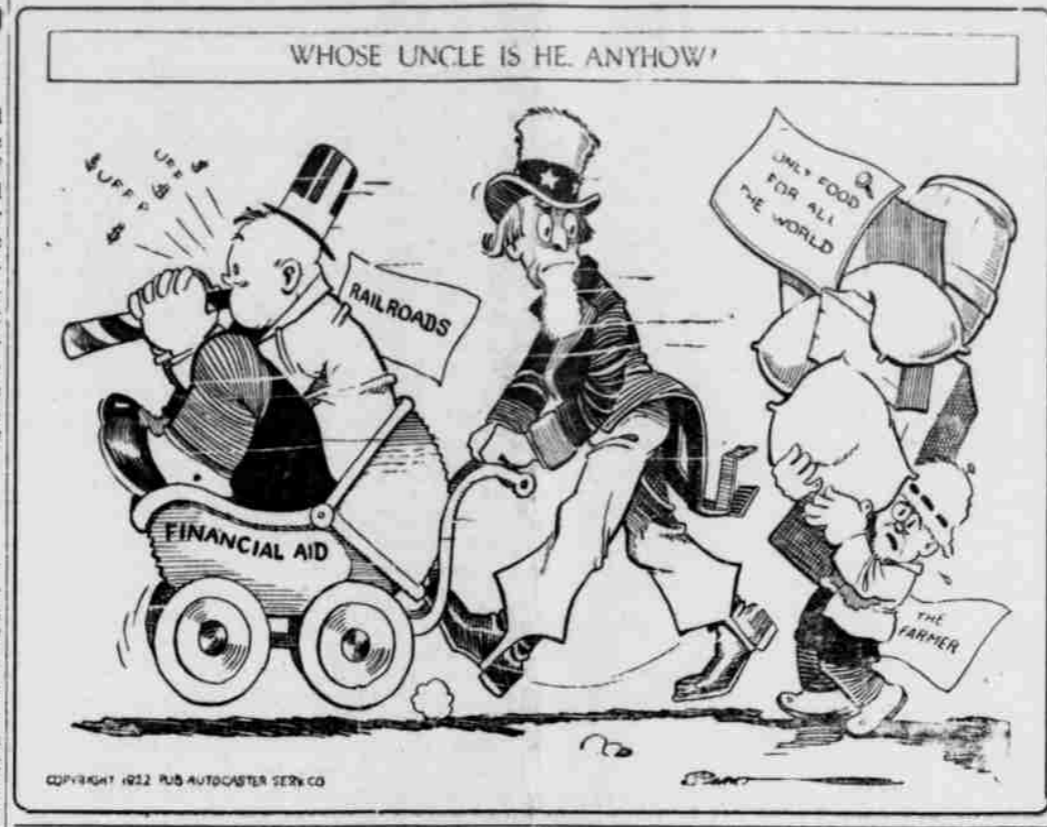

At a regular meeting of Ruth Chapter No. 32, Order of Eastern Star, held at Masonic hall on Friday evening, the following newly elected officers for the ensuing year were installed by Mrs. Henrietta Cohn:

Rosa Richardson, worthy matron; J. A. Waters, worthy patron; Elva Moore, associate matron; Pearl Sweek, conductress; Eppa Ward, associate conductress; May Case, secretary; Anna Spencer, treasurer; Lera Crawford, Ada; Imogene Wells, Ruth; Elizabeth Dix, Esther; Beatrice Penland, Martha; Elmor Huston, Electa; E. R. Huston, sentinel. Immediately preceding the installation a class of six new members was initiated. A splendid feed in the banquet hall at 6:30 put everyone in the best of humor for the full enjoyment of the ceremonies of the evening.

Rev. W. O. Livingstone was saddened by the receipt of news from Marion, Kansas, on last evening to the effect that the beautiful church building of the Christian church there was destroyed by fire on Sunday morning. Just before coming to Heppner Mr. Livingstone was pastor of the Marion church, being located there for three years, and he was their leader in the work of building this beautiful and useful church edifice. The letters he received were written while the building was burning, and indicated that the structure would be totally destroyed.

Evangelist Walter E. Harman and P. O. Gates began a series of revival meetings at the Christian church on Sunday. They arrived here from Nez Perce, Idaho, where they closed a very successful meeting the week before. Mr. Harman is a very strong preacher, while Mr. Gates is a splendid leader of song, and the services are creating much interest.

Arthur Wheelhouse, of Arlington, one of the directors of the John Day Irrigation district, was in Heppner over Monday evening to attend a meeting of the board and assist in canvassing the vote cast at the recent election of the district. The returns showed C. A. Minor of Heppner to be practically unanimously elected as a director of the district, S. H. Boardman, who was not a candidate for the place, receiving a few votes.

Will Assist Local People In Making Income Tax Returns

Under date of January 13th, Clyde C. Huntley, Collector of Internal Revenue at Portland, has sent out the following notice to the public: The time has again arrived for the making out of your income tax returns. The law provides that all returns must be in the office of the Collector of Internal Revenue at Portland, on or before March 15th, 1922. Those failing to comply with the law are subject to heavy penalties.

All taxpayers are urged to make out their returns at once, thereby avoiding the rush of the last hour.

For the purpose of assisting taxpayers of Morrow county in making up their income tax return for 1921, Deputy Collector C. M. Williams of the internal revenue office, will be at the following named places on the dates given:

Heppner, court ouse, Feb. 21 to Feb. 25, 1922.

Ione, Feb. 27 and 28, 1922.

For any information you may desire in preparing your statement, please call upon the deputy collector on the dates herein named.

EMILY JANE BIRD.

At the advanced age of 84 years, Emily Jane Bird was called to her reward at the home of Mrs. Gentry, her sister-in-law, in this city on Wednesday night, January 11, 1922, after an illness of but a few days. Her demise was from an attack of heart trouble and the end came suddenly. Mrs. Bird had been visiting with relatives in this city for a couple of weeks, coming up from her home at Portland and she had been enjoying the best of health till the time of this illness.

Mrs. Bird lived in Heppner for several years, going from here to Portland about eight years ago. During her stay in this city she made a great many friends who will ever remember her as a woman of strong Christian character and possessed of very many excellent qualities. She leaves two sisters in this city, Mrs. Mary Barton and Mrs. Sarah Brown; a sister at Seaside, Oregon, Mrs. Lucy Harrington, a sister at Talmo, Kansas, Mrs. Nancy Atchinson and a brother at Winterset, Iowa, W. W. Gentry.

Emily Jane Bird was born in Putnam county, Indiana, in the year 1837 and died in Heppner, Oregon, January 11, 1922, aged 74 years, 1 month and 18 days. When but 9 years of age she moved with her parents to the state of Missouri, and after a residence there of five years the family removed to Winterset, Iowa. Here she grew to womanhood and in 1858 was united in marriage to Isaac Bird, and from this union four children were born, three passing away many years ago, and one son now survives.

Mrs. Bird lived a widow for 54 years. She was an efficient and faithful member of the Christian church for 52 years and a great many years of her life were given over to the work of the church at Des Moines, Iowa.

She came to Oregon in 1905 and made her home at Heppner and Portland ever since. She was one of a family of 11 children, five of whom are still living, the youngest, Mrs. Sarah Brown, of this city, being 74 years of age.

Funeral services were conducted at the Christian church in Heppner on Friday afternoon, Rev. W. O. Livingstone delivering an address based upon her favorite portion of scripture, the 23rd Psalm. Interment was in Masonic cemetery.

JACK RABBIT DRIVES ARE VERY SUCCESSFUL

Another community jack rabbit drive was staged in Sand Hollow near the Kilkenny house Saturday which was most successful. 4500 rabbits were killed and thrown out of the killing pens in about three hours. Another drive will be staged there Wednesday, January 18th beginning at 11 o'clock.

The Sand Hollow people ask the cooperation of the Heppner, Ione and Lexington people in these drives. They are meeting at the Kilkenny house where free coffee is served at noon. People attending should bring sandwiches to help in making up the lunch.

In the two drives put on there thus far 6500 rabbits have been taken. The last drive was much more successful because the approaches to the pens were reconstructed and better team work maintained.

The lone hunt is arousing much interest in that section and the army is growing because of frequent enlistments. Many are the volunteers that are offering their daily efforts, which means great will be the slaughter and keen the struggle between the Misner and Walker teams.

In order to prevent rabbits from Butter creek from repopulating the Sand Hollow country just as soon as the snow is over the Morrow county people stand ready to go over and put on drives over on the creek. Arrangements have already been started to that end and if fulfilled there will be one drive some time this week where the rabbits are thicker it is claimed than they are in even the thickest places in the county. County Agent Calkins and Biological Assistant, R. T. Jackson, are working on Butter creek the first of the week on this proposition.

MORGAN FARM BUREAU HOLDS ALL-DAY SESSION

Morgan Farm Bureau held an all-day meeting last Friday which was attended by some 75 people. D. E. Stephens discussed wheat varieties and more particularly the farming practices which give the greatest wheat yields under Columbia basin conditions. With the aid of charts Mr. Stephens gave the most instructive talk listened to in this section. Mr. Stephens is on the Farmers Week program for Ione, Lexington and Heppner early in February.

County Agent Calkins discussed the Farm Bureau program at the request of the local president, H. C. Witzel. The Morgan people see the advantage of a live working Farm Bureau and are already planning for another all-day meeting when poultry will be the subject of the day.

FOR ELKS AND THEIR LADIES ONLY. An informal dance at Elks' building on Saturday evening, January 21st.

NOTICE TO CREDITORS. Notice is hereby given that the undersigned has been appointed by the County Court of the State of Oregon for Morrow County, as Executrix of the Last Will and Testament of Ora E. Adkins, deceased.

All persons having claims against the estate of said Ora E. Adkins, deceased, must present them to me properly verified as required by law, at the office of Woodson & Sweek, my attorneys, at Heppner, Oregon, before the expiration of six months from the date of first publication of this notice. Date of first publication, January 19, 1922. LAURA F. ADKINS.

Prominent Mining Men At Corvallis on January 21st

Prominent mining men of Oregon will attend the annual meeting of the Oregon chapter of the American Institute of Mining and Metallurgical Engineers at O. A. C., January 21.

Faculty and students of the school of mines will entertain the visitors and a good representation from the 57 members of the chapter in the state is expected.

The institute will lunch with the Corvallis chapter of A. A. E. and H. M. Parks, director of the Oregon state bureau of mines will address the combined meeting on "Geology in Relation to Engineering." Mr. Parks was formerly dean of the O. A. C. school of mines.

Business meeting will be held at 2:30 to elect officers. Discussion of the bill to revise federal mining laws will be led by W. B. Dennis, A. M. Swartz, and Dean C. E. Newton.

An inspection trip of the campus will follow and dinner will be had in the home economics building at 6:30.

The Latourell Team Wins Second Big Rabbit Shoot

In the big rabbit shoot last Sunday between the teams of J. W. Cook and C. H. Latourell, the latter team was winner, and it will be up to the Standard Oil bunch to furnish the cats as a result. Time and place for this part of the program has not yet been decided, but one thing has been decided in regard thereto, and that is that the ladies of the participants are not to be left out. The arrangements for the feed will include them this time.

The boys found the hunting very poor on Sunday. The snow had become badly crusted and the game was wary and constantly on the move to get out of the way of the shooters, and the sum total of bunnies slain was not up to the record of the previous week by more than half; Latourell's team totalling 1072 and Cook's 864.

The individual scores made were: Latourell 138, Patterson 44, Robinette 142, Noble 35, Bisbee 123, Stone 52, Letraice 109, Adkins 95, Bell 65, Farris 72, Cohn 56, Bennett 73, Gremba 56, Anderson 113, Keenan 22.

Vaughn 96, Sweek 26, Doolittle 75, VanMarter 103, E. Gilliam 84, Beamer 22, Ward 53, C. Gilliam 66, Turner 54, L. Gilliam 113.

Horace Yoakum returned Tuesday from a visit of a month with relatives residing at Dallas and Perrydale, Oregon. He left mild weather in the Valley and finds the cold snap here a little uncomfortable. Mr. Yoakum states that he will resume the work of opening up the coal vein on the Willow creek place in the spring, and feels quite confident that good coal will be uncovered, and that in abundance.

Mr. and Mrs. Atwood E. Hall of this city are the proud parents of an 8 1/2-pound daughter, born to them on January 12th. The little girl has been given the name of Ella May, and both mother and child are doing well under the care of Dr. McMurdo. Earl, however, is not expected to recover.

LOCAL NEWS HAPPENINGS SHEEP MEN PLAN ALL-DAY MEETING

"Come now, and let us reason together, saith the Lord: Though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool."—ISAIAH 1:18. Suggested by Evangelist Harman.

WANTED—Woman to do house-keeping on farm for bachelor. Inquire at this office. 2t.

Dr. McMurdo reports the arrival of an 8 1/2-pound son at the home of Mr. and Mrs. Walter Mead of Lexington, on January 13th.

Mrs. Karl Farnsworth of Rhea Sid-ing was a week-end visitor at the home of her sister Mrs. D. M. Ward in this city. She returned home on Monday.

B. G. Sigsbee, proprietor of the Star theater, returned from Portland Monday, accompanied by his daughter, Miss Bernice. They spent the past week in the city.

F. C. Oxman, who had the contract of grading on the Willow creek highway from Lexington to Jones Hill, was in the city over Sunday. His contract was finished some time ago.

Some pretty cold weather is reported from Parkers Mill this week, the thermometer registering 32 degrees below zero there on Tuesday night. The government thermometer at Heppner registered 13 degrees below.

John H. Lewis, chief engineer of the John Day Irrigation district, was in Heppner over Tuesday, coming up from Portland to attend a meeting of the directors on Monday night. It is understood that Mr. Lewis is working on a proposition to compromise with the directors, looking to a cancellation of his contract with the district.

A large number of young people from Heppner were the guests of Cecil Liewallen at the home of his parents, Mr. and Mrs. Frank Liewallen on Rhea creek Saturday evening. The young people were taken out to the Liewallen home in a big hay rack and the evening was very pleasantly spent in the playing of numerous games and the eating of sumptuous refreshments.

HEPPNER HI LIFE

Edited By JUNIOR ENGLISH CLASS

Where Are You Going to Be January 20th? At the Double-Header, of Course!

Next Friday, January 20, there will be a girls' and boys' basketball game at the basketball hall, Heppner vs. Ione. The admission will be 25 and 50 cents. The first game will be called promptly at seven-thirty and the hall will be comfortably heated.

DOUGHNUT LEAGUE. Junior Doughnut League basketball has been dropped owing to its effect upon the scholarship of a number of the grade school boys who have been playing, and who seem to have lost interest in everything except basketball. The following are the final averages of the teams of the Senior and Junior leagues:

SENIOR LEAGUE	W	L	Pct.
Bronchos	4	0	1000
Team 2	0	3	0000
Eagles	1	2	337

JUNIOR LEAGUE	W	L	Pct.
Bear Cats	7	2	778
Bees	6	4	600
Boneheads	2	6	250
Graybacks	2	8	200

Four men have been dropped from the high school basketball squad on account of scholastic standing and four new men have been added. The following are the members of the squad at present: P. McDuffee, Claibough, Witcraft, R. McDuffee, Mahoney, Wright, Irwin, Cason, Buseick, Doherty.

HEPPNER HIGH CALENDAR. Jan. 18. Semester grades out. Jan. 20. Basketball game, Heppner vs. Ione, at Heppner. Feb. 11. Basketball game, Lexington vs. Heppner. Feb. 24. Basketball game, Ione vs. Heppner. March 3. Basketball game, Lexington vs. Heppner.

STARTLING DISCOVERIES FROM EXAMINATION PAPERS. Mr. James has announced the following information given by the American History class which might be of interest to everyone, especially those interested in current events: "Mutsu is the name of a Japanese delegate to the arms conference." "Underground railways are under-

An all day meeting of the sheepmen of the county is planned, and John Kilkenny, president of the Morrow County Wool Growers association has asked the County Agent to get word to the sheepmen to the effect that the annual meeting will be held in Heppner on Saturday, January 28th, beginning at 10 o'clock.

There will be at least one good address in the morning, perhaps a dutch lunch at the hotel together at noon, another short address after noon and the transaction of considerable business which will be of interest to every sheep man in the county. Among other things the question of price of shearing sheep for this year will be given attention. Representatives of the different shearing outfits will be present as well as large sheep men from Gilliam and Umatilla counties.

Mack Hoke, secretary of the State Wool Growers, will be present, and we are depending on K. A. Ward, manager of the Pacific Wool Growth Assistant, R. T. Jackson, were event if possible. Pass the word on for every sheep man should be present.

We are informed by district ranger, C. R. Langdon of Heppner, that all applications for permits to graze stock on the forest reserves should be in the office of the forest supervisor, John C. Kuns, at Pendleton on or before Feby. 10th, 1922. Mr. Langdon has blank applications at his office here and can assist in filling them out, but in any event it will be to the interests of all those who expect to get on the reserve for the summer to have their applications in promptly as suggested, otherwise there will be small chance of getting on the reserve at all.

Something near a foot of snow covers the ground in the Morgan section and the people down that way have been experiencing some real winter weather during the past couple of weeks. The heavy covering of snow is fine protection to the fall sown wheat.

ground tunnels thru which the negroes went from the South." "Yap is short for Jap. Jap-Yap." "The harvester was invented by Erickson."

NEWS ITEMS.

Those students who were exempted in all their subjects are as follows: Byron Johnson and Victor Lovgren, Freshmen; Bernice Woodson, Sophomore; Evelyn Humphreys, Reliance Moore, and Ray McDuffee, Juniors; Margaret Woodson, Senior. Many sighs of relief were heard Friday afternoon from those who were not so fortunate, when all examinations were finished.

Velma Case was elected president of the Junior class last Wednesday.

The Domestic Science class has taken up a new problem, serving soup and cocoa to the grade children who bring their lunches and stay in school at noon. The youngsters are serve soup one day and cocoa the next and it only costs them a small sum for each dish. A card is given them each month which is punched by the teacher every day they are served.

The Juniors waited anxiously all day Monday and treated Miss Palmateer extra nice. Why? She hadn't corrected their examination papers!

The civics classes this week are making a special study of Japan. The last issue of the Literary Digest gave special notice to Japan and many interesting things are being learned.

Solid geometry, taught by Miss Moore, and an Economics course, by Mr. James, are new subjects this semester.

An operetta, which will be presented by the high school chorus in the near future, is being selected by Mrs. Hopper.

"Don't ask embarrassing questions" is an answer frequently heard when someone asks how many exams you have passed.

Because of the weather last Friday afternoon the doughnut league was unable to have their pictures taken.

The Juniors and Miss Palmateer, class adviser, decided to have a lit-
