Political Announcements

FOR COMMISSIONER.

I hereby announce myself as a candidate for the nomination to the office of County Commissioner, subject to the will of the Republicans of Morrow County, to be expressed at the Primaries in May, 1922. G. A. BLEAKMAN, Hardman, Ore. Paid Advertisement.

FOR JOINT REPRESENTATIVE.

I hereby announce my candidacy on the Republican ticket for Joint Representative of the Counties of Morrow and Umatilla Counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Session, and the special session of 1920 of the Oregon Legislature and otherwise have devoted much time to public matters. I have no platform, except to offer the best judgment I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and the pressing need of the farmer and stockman must be the main issue in law making and in the sphere of public influence. E. P. DODD, Hermiston, Ore. Paid Advertisement.

FOR REPRESENTATIVE.

FOR REPRESENTATIVE.

I hereby announce myself as a candidate for the office of Joint Representative of Umatilla and Morrow counties, on the Republican ticket. If elected I promise to faithfully and honestly perform the duties of the office, working at all time for the best interests of the people of this district and the state of Oregon. E. M. HULDEN. FOR COUNTY COMMISSIONER.

After being urged by citizens and taxpayers in all parts of the county to announce myself as a candidate for the nomination for County Commissioner, I have decided to do so and will be a candidate for such nomination on the Democratic ticket at the coming primaries. I have been a taxpayer here since before Morrow county was organized. I have no platform to announce nor promises to make only that, if elected, I will endeavor to serve the people of the county to the best of my ability. R. L. BENGE. Paid Advertisement.

CECIL ITEMS OF INTEREST

Mr. and Mrs. Geo. Hardesty and children of Willow Creek farm, Morgan, and also E. B. Gourley of Morgan were calling at the home of Mr. and Mrs. H. J. Streeter on Sunday. Mrs. Hardesty informed us she had a serious loss amongst her young chickens. A fire broke out, destroying about one hundred ducks, several worth of chickens but luckily the fire was put out before doing further damage.

Mr. and Mrs. John Burch who have been residing in Cecil while Mr. Burch has been doing some work on Cecil store, left for Morgan on Friday where he will be kept busy for some time building a blacksmith shop, etc. for Mr. Mallory, and several buildings for other parties, but not a high school or county seat as yet; at least so "Wid" and "Al" were heard to say.

Herb Hynd of Butterby Flats was more than surprised when thirty and forty of his Cecil friends landed in on him on Tuesday evening. Herb had forgotten he had a birthday, till his friends reminded him of it. A merry evening was spent by all present. The ladies served a sumptuous supper at midnight.

Oscar Lundell and several other parties from Willow creek made a trip to Heppner on Wednesday to attend a road meeting. Another meeting of farmers was called on Thursday at Deems' ranch to decide some road issues which belongs to another county, therefore, is out of my territory, so least said is soonest mended.

Dick Logan and cousin Billie Logan spent the week-end at Four Mile leaving on the local on Sunday to resume their studies in Ione high school. Dick and Billie can't resist the temptation of buying the farm home a visit every now and then to see how things are going on.

J. W. Morris of Portland was a caller in Cecil on Tuesday. Mr. Morris has opened up his dirt quarry at Morsel near Morgan for the season and expects to be busy filling out his orders for several months.

WHY Home Trade Falls Off IT ALWAYS SLUMPS WHEN BUSINESS IS UNBUSINESSLIKE. Most business men have this failing—they are swept off their feet when business booms. We hit prosperity. Then starts the trouble. Everybody buys everything in sight and the merchants are caught in their own trap. They start advertising to beat the band. A riot of selling follows, the merchants OVER ADVERTISE and OVERSELL THE MARKET. Demand for goods keeps up and then comes the trip to the bank to borrow—for expansion. Then what? Shortage and rising prices—a riot of buying before prices tilt to the top and a wild spree of advertising to keep the game going. Suddenly there comes a halt. Buying slows up, and timid unbusinesslike merchants curtail advertising and the buying halt continues. Then advertising is stopped and business becomes stagnant. When trade needs no stimulus the merchants buy space like drunken sailors, but when trade needs a strong push, they contract. If business spent one-third the money in advertising when trade is booming and three times the money when trade is poor, business would find stability. NOW IS THE TIME TO ADVERTISE EXTENSIVELY. Don't throw chips on a blazing fire. The wood is needed to keep the fire in low. Advertising now means a real service to the buying public. The people want to know where and what they can buy economically. MERCHANTS GET BUSY. MAKE YOUR DRIVE NOW.

Farm Pointers

Barley seeded in on a poor wheat stand grows a bad mixture to sell as it is too hard to separate. It is all right in some cases for feed but not for market.

Where a little corn can be grown with sunflowers the mixture makes a better silage than the sunflowers grown alone.

Farmers expecting to kill Canada thistles or wild morning glories should get good blade weedeers now so these perennial pests may be kept out of below ground all summer.

Cutting off the blossom end of potatoes of size to weigh 1 1/2 to 2 ounces and saving them to plant by themselves on new ground or on land that has not grown potatoes for several years, will produce better yields and a better quality of seed.

Hubam clover at over 20 to 25 cents a pound is probably too expensive for use except possibly for beekeepers.

Home Philosophy for 1922

Why should a man write himself a fool by passing judgment, when the judgment of today is appealed tomorrow and the court of public decision turns it all upside down? It's better to follow old Admiral Sigbee's advice and suspend judgment. If we suspend it long enough we won't decide anything—definitely. First the world was flat, and that was right. Now it's round and that is right. Everything changes. Even modesty and morals are geographical. When you sum it up only Truth and Justice are fixed, so perhaps it's best to counter our time getting rid of their counterfeiters and establishing what we are sure will last. Where do we get pounding some poor devil for obeying a driving force he has not the power to overcome when we might switch him down a different track and make his steam turn mill wheels instead of tread mills?
