giving our County Chairman S. E. Notson is actually saving life in the Near East," stated J. J. Handsaker, state director Near East Relief, to the Gazette-Times, "We have a heroic group of workers, about 250 of them, many of them facing death almost daily. They do not ask for an easy job, they ask only for food and clothing and shelter for the children who come daily asking for bread.

'Oregon people are doing a work of which the state may well be proud. Dolly Hinman of Forest Grove in an immense orphanage at Bronsa, Mrs. Amy Burt of Bend running an orphanage of 1000 children in Constantinople, Ethel Long Newman, O. A. C., '20, with her 2000 children in southern Russia while her husband, Sam Newman, runs a 2000 acre farm where the boys and men are Albers being trained in modern methods of farming; Dr. and Mrs. C. K. Gannaway of Medford far in the interior with an immense hospital; Leonard Harthill, O. A. C., '12, taking with him ten tractors and many tons of seed grain to help the farmers on their feet again-these are some of our Oregonians who are leaving their mark in the Near East.'

Funds approximating \$757 were subscribed during Mr. Handsaker's visit. The high school plans a smokeless smoker to raise the \$60 for their orphan. The grades are determined to have their \$60 before the high

The campaign is being continued by appeals to lodges, clubs and individuals by County Chairman S. E. Notson and his committee consisting of J. A. Waters, H. F. Tash, E. W. O. Bayless and J. J. Nys, treas-

LATE IRRIGON NE**WS NOTES**

Mr. and Mrs. L. H. Hubbard left for Muskogee, Okla., on Number 2 Tuesday. Mr. Hubbard has accepted a position as district manager for Cossey Tire and Supply company for a larger territory in Oklahoma and a big salary. We are glad to see Mr. Hubbard land a position of this kind. Mrs. Hubbard came up from Portland Friday morning and spent a few days with her mother, Ms. Knight and Mr. Hubbard followed Monday morning, completing arrangements

The movement for a new county is under full sway. Umatilla Commercial club has started the ball a rolling. Opinion of many of the Irrigon people however appears to be against such a move because this would be sure to increase taxes which are even now too high for any comfort and we are much below other counties. The matter will come up at a joint meeting of the commercial club and farm bureau Saturday eve-

Have you received the Oregon Agricultural college experiment station circular No. 24 on the potato discases and control. If you are interested in potato culture, you should write for this bulletin. It's just off the press and covers everything known in treatment and control of the various diseases of the potato

Mr. and Mrs. C. A. McFall have moved into the Ashburn house and expect to make Irrigon their home for the summer at least. Mr. Mc-Fall's father is staying with them. Looks like all available houses would be occupied this summer.

C. C. Calkins, county agent, accompanied by Chas. Powell, left Wednesday noon for a trip across on the Washington side to gather ideas from other irrigated districts. They expect to be gone until Satur-

Hugh Grim and Mr. Glasgow met the road committee of Benton county at Pattersn, Wash., Friday and talked over the many different road problems. Understand no decisions have been reached.

make some arrangements for improvements on the place.

bler, Oregon, spent several days in irrigon as the guests of Mr. and Mrs. Geo. E. Hendrick, returning to Im-

Mrs. Palmer of Hermiston preached at the church Tuesday evening week ago and again this week.

STATEMENT OF THE OWNERSHIP. REQUIRED BY THE ACT OF COX-GRESS OF AUGUST 24, 1912,

GILLIAM & BISBEE'S @ COLUMN @

We have just got two tons of 99 1-2 per cent pure alfalfa seed at 23 cents Speaks on Near East Relief. Mr. Bleas of Coolidge, Wash., per 100 pounds and spot cash.

> We are headquarters for spraying material. Lime and sulphur solution and arsenate of lead.

> There were nineteen million autonobiles made and sold in the United States in 1921. Tires and taxes will soon make foot pads for us all.

For ground that has run together, aked and checked we have a pulverizer that will greatly increase the vield. It is worth your while to investigate what we have.

Get ready for what you expect to do in April. You didn't do much in March. We have the plows, discs, harrows and all kinds of ground working equipment.
