FOR JOINT REPRESENTATIVE.

I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla Counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Sesson, and the specal session of 1920 of the Oregon Legislature and otherwise have devoted much time to public matters. I have no platform, except to offer the best judgment I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and the pressing need of the farmer and stockman must be the main issue in law making and in the sphere of public influence.

Lettered Men

know the power of knowledge. Knowledge is the truth about Persons, Places, Things.

F'r instances: If you had time to count all of the letters used by the printers of this page, you would find more "e's" used than any other letter. The letter "t" comes next, then "o," "a," "n" and so on with "z" least used.

That is all very interesting, but not very valuable knowledge. However, the words these letters spell can prove valuable to you. In the news and advertising columns of **The Gazette-Times** the regiments of "e's," "t's," "o's," "a's," and "n's," tell both interesting and valuable messages every week—if you will but read and profit.
