Political Announcements
FOR COMMISSIONER. I hereby announce myself as a candidate for the nomination to the office of County Commissioner, subject to the will of the Republicans of Morrow County, to be expressed at the Primaries in May, 1922. G. A. BLEAKMAN, Hardman, Ore. Paid Advertisement.

FOR JOINT REPRESENTATIVE. I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla Counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Session, and the Special Session of 1920 of the Oregon Legislature and otherwise have devoted much time to public matters. I have no platform, except to offer the best judgment I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public developments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and the pressing need of the farmer and stockman must be the main issue in law making and in the sphere of public influence. FOR COUNTY COMMISSIONER. After being urged by citizens and taxpayers in all parts of the county to announce myself as a candidate for the nomination for County Commissioner, I have decided to do so and will be a candidate for such nomination on the Democratic ticket at the coming primaries. I have been a taxpayer here since before Morrow county was organized. I have no platform to announce nor promises to make only that, if elected, I will endeavor to serve the people of the county to the best of my ability. R. L. BERGE. Paid Advertisement.

Homey Philosophy for 1922. This business of doubting everything and everybody doesn't get the world very far. We've got to have faith and we've got to have trust or the wheels stop turning. Fancy a fellow starting to prove for himself how many miles the sun is from the earth. If his business depended on the certainty of this knowledge, he'd be dead before he started if he had to gather it himself. But we take the mileage on faith. In some things we rely on what all the other fellows have found out in the years gone by. A young chap starts out today with the asset of a thousand puzzling problems solved by the billions of people we never heard of. Just the same, big as the store is, it will be exhausted unless we put something into the world as well as take something out of it.

Lettered Men
know the power of knowledge. Knowledge is the truth about Persons, Places, Things.
For instances: If you had time to count all of the letters used by the printers of this page, you would find more "e's" used than any other letter. The letter "t" comes next, then "o," "a," "n" and so on with "z" least used.
That is all very interesting, but not very valuable knowledge. However, the words these letters spell can prove valuable to you. In the news and advertising columns of The Gazette-Times the regiments of "e's," "t's," "o's," "a's," and "n's," tell both interesting and valuable messages every week—if you will but read and profit.

CECIL ITEMS OF INTEREST
Cecil Lieuallen, accompanied by Emery Gentry, spent some time at Butterby Flats on Friday, Mrs. Jack Hynd returning to Heppner with them. We understand Mrs. Hynd was speeding on Thursday night to such an extent that she (not the car) landed in a large mud hole. She stuck so fast that it took several helpers to pull her out. However, to convince the speed "cop," Cecil, that it was on her own land, not the highway, Mrs. Hynd was speeding she left for the county seat with him to prove matters.
Roy Scott of The Lookout left on Thursday with a large bunch of cattle and about forty young calves which have been wintered at Butterby Flats. They will pasture at Sand Hollow for a few weeks and then will be fed off on some of the Hynd Bros. upper ranches. Hynd Bros. declare that in spite of the long, hard winter their cattle are looking finer and doing better than ever for them. Good ad for the feeding qualities of Cecil hay.
Dick Logan arrived at his home at Four Mile for the week-end and had a busy time inspecting his father's prospects for a good wheat crop. Dick couldn't resist the temptation of spending most of his time behind some horses, plowing, seeding, etc., before leaving for his studies at Lone High school.
W. G. Hynd of Sand Hollow and also A. Ashinust arrived in Cecil on Saturday and spent a few days among their friends while viewing all the good products in Cecil vicinity.
Mrs. Karl Farnsworth and children of Rhea were calling in Cecil on Sunday. We are glad to hear that Mr. Farnsworth is improving under the care of his doctors in Portland.
