## Why The Gazette-Times Leads

HAVE you ever stopped to think why *The Gazette-Times* carries a larger volume of advertising, week after week, than any other newspaper serving this territory?

Why it is the choice of nearly all the large national advertisers who wish to reach the people here? Why the local advertisers prefer it to all other available mediums?

The answer can be summed up in one word, **SERVICE**.

Every advertiser knows that his copy will receive the best typographical treatment to give the most display value. He knows his advertisement will be cleanly and clearly printed; and finally, he knows his advertisement will be read by the greatest number of people possible to reach through any available medium.

Why scatter your advertising money when you can double the results by concentrating it in *The Gazette-Times*.

Call us up—Main 882—and let us explain to you how we can make your advertising bring in bigger returns.
