is an opportunity to compete for good substantial prizes and even if you fail to receive a prize we do not believe that a sack of wheat is too much to contribute for the advertisement of a wheat growing section like Morrow county. Pick out a good sack of wheat, which when graded down will make a creditable showing, and leave it at the warehouse with the county agent's name on it or call the county agent's attention to where he can get it and let us surprise our promise of fifty wheat exhibits from Morrow county. We need 250, 500, and barley, too. You may have some plucked wheat but remember the grader that we put it through practically weighs every kernel and when your sack is reduced to a bushel for exhibition it will contain the best wheat that your sack contains. We need this wheat immediately as we want to ship it by September 10th. C. C. CALKINS, County Agent.

MORE WHEAT NEEDED FOR PENDELTON SHOW We have about twenty-five good wheat samples in sight for the Pendleton Grain and Hay show from Morrow county but we need forty-five more. There

NOTE—The Red Top tin contains Velvet that has recently been delivered from the factory. It is in fresh condition—cool and smooth in a pipe.
Each tin of Velvet TOBACCO with the RED TOP contains freshly made tobacco. Just right for your pipe.
And the mild smoothness you enjoy is the result of Velvet's two long year's ageing in wooden hogsheads. Patient ageing in Nature's way—the right way of removing raw harshness and bite.
You'll say that Velvet is cool, smooth and "sweet as a nut" in your pipe.
