

Local Happenings

Some snow is reported to have fallen out north of Heppner and in the vicinity of Swaggart Buttes. There is also considerable snow in the Hardman country but Heppner has escaped so far, the it has been threatening for several days. In the farming sections, generally, growing conditions are good and grain is reported to be coming fine, getting the best fall start it has had in many years.

HIGH SCHOOL NOTES

Mrs. Tom Boyd who has always been a loyal backer of the school and especially of its athletics entertained all of the football men at a chicken dinner last Thursday nite. This accounts for the broad smiles of anticipation that were noticeable on the boys' faces previous to the grand "feet."

Do you believe in having women on a jury? If you don't you had better go to the grade opera "The Trial of Santa Claus" to be given December 23. It may convince you that they are an improvement on men in this position.

Last Friday evening the Juniors gave a sandwich sale after school to help defray the class expenses.

A new system of basket ball has been adopted this year: Any boy above the seventh grade can take it up. The boys will be apportioned into teams according to their weight. The new system will work for 100 per cent in body as well as mind. Practice will soon begin and the school is

sure to have a very successful season under this plan which gives each one a chance.

The high school annual, the "Highch" is being got under way now, lined up for a bigger and better publication than ever before. The material is written up as early as possible so there will not be the rush at the end of the year. It is planned to get the annual out by the first of May if possible.

The Sophomores have a candy sale after school Wednesday, November 22. The only difficulty was that the demand exceeded the supply.

The Junior class is preparing to have a big Thanksgiving dinner Friday, November 24. Oh ya, turkey, look out.

"Silence in Court! You drive me to a fury, bringing in a verdict in the business of the jury." Did you ever wonder how these model court sessions were conducted? Come and see justice dissembled in the proper way in "The Trial of Santa Claus."

The debate work is progressing rapidly and the team to represent the

school will soon be chosen. The question for debate is "Resolved that the government should own and operate the railroads." Preliminary try outs will be Friday evening and the final try outs Monday. While we may not have any Daniel Websters in our school, considerable talent along lines of public speaking is being brought out by debate work, and we feel that our team will be one that will do us credit.

Tuesday, some practice fire drills were had. An efficient method of conducting the drills has been arranged whereby each class passes out in a regular and orderly way without the usual confusion. Certain boys perform the duties of these men, door openers, and guards and no one is exempt from fire drills. The pupils all get out of the building with swiftness and order.

The desks have been taken out of the history room and desk chairs put in their place. There were not enough seats in the English room so the rows of desks were replaced and some more added.

Heppner Hi Defeats Ione in Last Game of Season.

The local boys journeyed down to Ione last Saturday and walloped the latter by a 16-0 score. The game was a little more one-sided than the score indicates as Heppner had the ball on Ione's 10-yd. line five times but the final push was not there to put

it over. In the second quarter Paul Alken dropped one between the posts for three points from the 20-yd. line and in the last quarter Brick Hall made a 33 yd. run from an off tackle back thru the entire Ione team for a touch down and Paul Alken kicked goal.

Ione was strong in her line and

Heppner could never make consistent gains there but took 10 and 20 yards at a clip around end. Forward passes were not as easily completed as in former games but overall were made which netted long gains. Ione could not solve Heppner's defense; at only one time did they threaten the local boys' goal, but lost the fall on downs and Alken kicked to safety.

Capt. Casson, Paul Alken, Brick Hall, Keith Logan, Elmer Bucknum and Francis Doherty shown out as stars for the Heppner boys. Following is the line-up of the local boys: Bucknum, Elmer, L. E.; Logan, L. F.; Schwartz, L. G.; Goodman, C.; Gilliam, R. G.; Bucknum Edwin, E. T.; Doherty Francis, E. E.; Buseick, L. H.; Boyd, F.; Alken, R. H.; substitutes for Heppner were Hall for Boyd, McDuffee for

Doherty, Boyd for Gilliam, Smith for Doherty.

All the men who have played in football this year met and elected a captain for the 1923 team in the person of Keith Logan. Logan has played brilliantly on Heppner. His team for the past two years and is known as one of the best tackles in the state. The place of captain is decidedly his.
