

LOCAL NEWS ITEMS

Chas. Latourell spent four days down at Bunnison the past week, where he has a water station, and when he also has a duck lake and cabin.

All Henriksen and son Clifford were visitors in the city yesterday. Mr. Henriksen and son recently moved onto the Moore ranch this side of Lexington, and since then have been quite busy improving the place, getting in crops, building fences, etc.

Chas. O. Connor was up to Heppner Monday from his wheat ranch at In the west end of the county. He reports that conditions have been ideal for the grain in his section this fall. He has finished all his seeding and the wheat is up and growing fine, getting a start that will help a lot in the yield the coming fall.

Gillian & Bisbee have finished their drainage system from the basement of their building to Willow creek. They expect now to be relieved of the job of pumping that has been necessary for the past year or so to keep the water out of the lower floor of the building. Gravity will do the work now.

Mrs. Katherine French of Portland who has been spending the past week visiting friends at Hardman, came in from there on Saturday evening and departed for her home in the city on Sunday. Mrs. French has some residence property at Hardman which she was looking after while out there.

A. M. Zink was taken quite ill last week in Portland, where he went with E. C. Helker to attend the big stock show. Mr. Zink has not been in the best of health for some time past and the recent sudden death of his wife has helped to aggravate his trouble—some independent.

Frank Roberts departed for his Portland home on Wednesday after spending a few weeks in Heppner, looking after his business interests. Mr. Roberts is the owner of several buildings on Willow street, and while here made some needed improvements in the property.

Mrs. T. W. Lowe, postmistress at Cecil, is in the city today, accompanied by her brother, Wm. Hynd, of Sand Hollow.

Open River Conference

(Continued from Page 1)

ests in connection with such canalization to be used for the irrigation of arid lands adjacent to these rivers. Whereas, the board shall also consider any proposition on the part of local interests to construct dams for development of water power for irrigation before a project is adopted by the United States, with a view to cooperation of the government in stalling and

Whereas, the secretary of war is authorized and directed to appoint a board of engineers to study and report with a view to determining the most comprehensive plan for the canalization of these rivers for large navigation and for the cooperation of the United States with local interests or the development of hydro-electric power, in connection with such canalization, to be used for the irrigation of the arid lands adjacent to these rivers. In making said report the board shall submit an estimate of the probable cost of such improvement, the length of time required to complete the project, and the order in which the locks and dams should be constructed to overcome the most serious obstructions to navigation for the economical development of power

Now therefore, be it resolved by this association that the secretary of war be requested to forthwith appoint such board of engineers and see that a full report upon the above

question is submitted, in order that the same may be had for consideration by the reclamation department or the federal power commission, or any other power of the federal government or board authorized by congress to proceed with such work if the same is found to be feasible and

Be it further resolved that as part of the canalization of said Columbia river and for the development of hydro-electric power and for the irrigation of now waste land this association believes that the Umatilla Rapids presents a project worthy of immediate consideration and action by the general government and

Be it further resolved that as one means of procuring necessary government funds for the purpose of reclaiming arid land, this association strongly urges the enactment of what is known as the McNary-Smith bill, now pending before congress

Be it further resolved that the National Rivers and Harbors congress have its forthcoming meeting in Washington and likewise the National Congress be furnished copies of the above resolution and information of the solicitude felt by the civil and commercial interests of the Pacific northwest for the forwarding of the plans therein set forth and

Be it further resolved that copies of the above resolution be furnished to the press, the chief of engineers, United States army, the secretary of war, secretary of agriculture, secretary of interior and the director of the reclamation service, to the senators and congressmen representing Idaho, Washington and Oregon in the national congress, and also that copies be furnished to the commercial bodies represented in this Open River conference with the request that they take ratifying action and hold themselves in readiness to join with their influence the furtherance of a campaign for the object above set forth and

Be it further resolved that the thanks of the delegates to the Open River conference be tendered to the Pendleton Commercial association, to the Pendleton lodge of Elks and the press of Pendleton for courtesies extended.

COMMITTEE ON RESOLUTIONS. Bert F. Savage, John Tait, William Warner, Whitney L. Boise, Judge Gilbert Phelps, W. R. Crawford, Dr. O. J. Keating, Secretary, Marshall N. Dana, Chairman.

NOTICE OF SCHOOL MEETING

NOTICE IS HEREBY GIVEN to the legal voters of School District No. One of Morrow County, State of Oregon, that a SCHOOL MEETING of said district will be held at Council Chambers, on the 15th day of December, 1922, at 2:30 o'clock in the afternoon for the purpose of discussing the budget hereinafter set out with the levying board, and to vote on the proposition of levying a special district tax.

The total amount of money needed by the said school district during the fiscal year beginning on June 30, 1922, and ending June 30, 1923, is estimated in the following budget and includes the amounts to be received from the county school fund, state school fund, elementary school fund, special district tax, and all other moneys of the district:
