Mr. and Mrs. S. W. Spencer arrived home on Saturday evening from Hot Lake, where Mr. Spencer has been for a month or more receiving treatment at the sanatorium of Dr. Phy. He is very much improved in health at this time and thinks he is well on the road to full recovery. Mayor Noble, who was also a patient at the sanatorium for a few weeks, receiving treatment for a badly infected knee, returned on Saturday and he will soon be fully recovered from his affliction. These people were met at Echo by Mr. and Mrs. Wm. Beymer, who brought them to Heppner in their car.

Ora L. Barlow and mother, Mrs. W. L. Barlow and sister Mrs. Lee Howell were visitors in Heppner on Saturday. Mr. Barlow left at this office sampler of his forty-fold and Turkey Red wheat, of which varieties he has in this season 300 acres. The wheat is now heading out in fine shape and seems to be developing well, and should good rains come it will make a fine yield. As yet the rain had not hit his section but sufficient amount to be of much help, but Mr. Barlow was hoping that showers would be coming in time to help the grain to properly mature.

Mr. and Mrs. S. E. Van Vactor and daughter Mary and son Sam motored up from their home at The Dalles on Sunday, Mr. Van to be here for the opening of circuit court and the other members of the family to make a short visit with friends. ## Earning Power

CONSIDER seriously the earning power of money. Whenever you spend money foolishly you are not only losing this actual cash in hand, but also the interest that this money might earn for you as long as you live.

How much money have you saved up? How much can you save in the next year? It does a man good to look the situation squarely in the face once in a while and see how he is coming out financially.

## Bring your furniture Up to date

STYLES in furniture change with the times, just as do styles in dress. That is why many ingenious housewives rely on Fuller Enamels and Decoret Varnish Stains to bring their furniture up to date.

For refinishing the surface in imitation of natural wood such as Dark Oak, Rosewood and Walnut, use Decoret Varnish Stains. The newest colors when painted furniture is in vogue will be found in Fuller's Art Decorative Enamel. Then there is Silkenwhite Gloss or Semi-Gloss Enamel, which produces an intense white or olden ivory finish for the woodwork of the room.

Ask for Fuller Paints and Varnishes, by name, at the local dealer's. Or write our Service Department for advice. Our "Home Service" booklet is free. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.
