MORROW COUNTY OFFICIAL PAPER Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

Richard Lloyd Jones Says:

FIGURE YOUR OWN WORTH.

EVERY man weighs himself and determines his own worth. We earn what we deserve. All wages are not paid in coin. The man who works only for money seldom has anything but money.

It is a common practice to blame the world for our own faults. When your estimate of your work and the world's estimate do not agree, survey yourself before you curse the world.

It is impossible to keep any man below the level of his attainments. It is as impossible to hold him above them.

Talent is the result of application. Efficiency is the reward for practice. Mere knowledge measures worth no more than mere muscle. The skilled mechanic is master of his muscles.

Opportunity never searches for him who does not search for opportunity. Strength of will is the foundation of worth. Luck is a dangerous object to put on your bridge.

History is the chronological story of men who have put their worth into work, men who pushed a fixed purpose. The fellow who will despise his job is the fellow who will always have a job to despise.

HEPPNER'S Chautauqua has gone over in fine shape this season, and a surplus is in the treasury, the first time in the history of Chautauqua in Morrow county, and as a consequence the local guarantors and committees are jubilant.

The Ellison-White people have not disappointed the people in the least with the talent they have placed on the program, and some of the best features obtainable have come to us. Their part in making the Chautauqua the success it has been cannot be too highly praised, and from now on there should be no great trouble in making each succeeding Chautauqua an ever greater success than was the one just closed.

We believe in this kind of entertainment; so do a large number of the citizens of the community, who have year after year been signing up on the guarantees, and just as regularly putting up for the deficits by an uncompensated manner. They are ready to do this again, but this time it is with the feeling that in the future the Chautauqua will be self-supporting and that to such an extent that the very best of programs can be obtained.

WOMAN'S THRONE. The domestic throne is the highest pinnacle to which the man ever ascended or ever will ascend. The home is the broadest field in which she can operate. To take her from the domestic throne is to lower her position. To take her out of the domestic field is to leave her without position and without power.
