

Old Morrow Countyites Hold Reunion July 21

Last Saturday afternoon, at Laurelhurst park in Portland, some 50 former citizens of Morrow county held their seventeenth annual reunion.

The weather was perfect, the "grab" was "perfecter" and in bounteous quantities, everybody wore their pleasantest smiles, the program was good but not too long and surely everyone present enjoyed themselves to the full.

Electing of officers resulted as follows: president, Gen. Harman; vice president, Helen M. Warren; treasurer, J. W. Becker; secretary, N. C. Maris.

Mrs. A. E. Bliss gave a very able and entertaining address on the character and worth of the pioneer stock of Morrow county.

Renewing old acquaintances and talking over old times occupied the greater part of the afternoon and this feature of this annual gathering is the one most enjoyed and it was not till after nine o'clock that all had said goodnight and left Laurelhurst for their various homes.

It was decided to hold next year's picnic at the same place, on the afternoon of the first Sunday following the Fourth of July.

The constitution of the organization provides for an official song to be sung at the opening and closing of each meeting—a matter which had been overlooked in former years. The following ode was adopted and sung at this meeting.

Heppner—Portland. (Tune America.) My Heppner 'tis of thee, Place of nativity,

Of thee I sing: Land where my children grew! Land of real friendship true! To thee my thoughts return And pleasure bring.

Dear friends back there, to you, We sadly bade adieu, To move down here: Friends whom we can't forget, Friends whom we're glad we met, We welcome you to come And make homes near.

Portland our adopted home, From thee we never shall roam, Thy streets we love: We love thy parks and drives, That health and pleasure give, We love thy water pure, Our home we love.

N. C. MARIS, Secretary.

Watch What Happens!

Lubricate your automobile with Zerolene, which costs about half what you pay for many other oils, and watch what happens.

First, you find that your gasoline bills are lower. Repeated tests have demonstrated that, other factors being equal, the car lubricated with Zerolene makes about 5% better gasoline mileage than cars lubricated with other oils.

Second, your car goes from 25% to 50% farther before you need to grind valves or remove carbon. This fact, too, is fully substantiated by numerous tests.

Insist on Zerolene—even if it does cost less
