## Richard Lloyd Jones Says:

POWER IS WITHIN YOU.

L men have a love of power but Anot an equal capacity to gratify it. Power is something more than more energy; it is a directed force. Whatever tension the steam gauge or a locomotive may show, the engine is a lifeless thing without a brain-guided hand to move its throttle. Power is force under control. The

waterfall is wasted energy; harness-ed to a wheel it produces mill power. Concentration is the secret of pow-

a crowned master of men.

power which unceasingly works for the good of many.

So it is that they who have the rood of many.

It is that they who have the

most power in the world are they Manhood is measured by the use

## made of its power.

THE Heppner Commercial Club while her husband, known to his neighbors as "Yenerally Speaking Johnson" traveled leather-lunged thru weeks ago appeared very enthusiastic under the influence of a full "tummy" when called upon by President Van Marter for an expession of their feelings concerning the matter of injecting a little "high-life" into business made in good faith, and they need only to be shown the way, to start some action.

Things have lagged since the meetings concerning is feel that they have only had to the jits coma. No doubt their expression was made in good faith, and they need only to be shown the way, to start some action.

Things have lagged since the meeting, however, and it is feared that if something isn't started right away, general and otherwise, at both ends

ing, however, and it is feared that if There is already too much speaking, semething isn't started right away, general and otherwise, at both ends we will be sound asleep again. President Van Marter has recognized the danger, and is doing his best to avert Speaking" Johnson will make himself it. The head of the Heppner commercial body has just returned from heard in office, but his wife might have actually accomplished something a trip into Grant county, with a few ideas that may give local business westing of a crop on a 140-acre farm may their change to get a recognition of a crop on a 140-acre farm of the property of the second of the planting and harman their change to get a recognition of a crop on a 140-acre farm. men their chance to act. Are we ready to back our declarations of loyalty of that memorable occasion?

worked up when he got back home the til because of having been the target World. of many "banck-handed" slaps at Heppner's way of doing things, which,

bad right now. Van says, but it is a toward the Umatilia county line has fact that it is practically impassable most of the year. Van did some figuring when he found this out, and after the way are going to Heppner be tion for travel as long as the rest of Grant and Umatilia counties, he the road, meaning that an expenditure of the above amount would assure Where trade goes, there banking editaments and appurtenances there-OH, Y-HESS MY BIRTHDAY

connections are made. As these connections are made obligations are usually assumed, and the paying off of obligations takes time. During this time, the feeling of "at-homeness" is established by the buyer. Other things being equal, he will stick once he has established relationships.

Grant county has in the past been coming to Umatilla county to do a great deal of its buying and banking It still does, but many people are being forced to go to Heppner on the one side, and to Baker on the other, rather than come to Pendleton over the alleged road that now connects the two counties.

1, 1921, who has not made a deposit, or who has not withdrawn any part of who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or who has not withdrawn any part of his deposit (commercial deposits), or service or who has not withdrawn any part of his deposit (commercial deposits), or service of his deposit (commercial deposits), or service or service or who has not withdrawn any part of his deposit (commercial deposits), or service or service or who has not withdrawn any part of his deposit (commercial deposits), or service or service or service or said Block 2 and also Block 2 and also Block 2 said Block 2 and also Block 2 said Block 2 and also Block 2 said block 2 said block 2 said ship. two counties.

Usually, the trading center is more active in opening up new trade areas or in holding old ones than the people in this area are to have roads, but in the case of Grant county, the condition is reversed, or so it would sometimes appear. Grant county wants an contest to the partity deposit road and contest to the partity depo times appear. Grant county wants an outlet to the north, a decent road and grade, so badly that the people there are willing to go to almost any reasonable length to build roads to conset with ours. They want to come the county wants and R. R. Stafford, Heppner, Ore... 3,90 mings, and ordered sold in said suit, E. Stewart, Heppner, Ore... 32,90 and I will sell the same subject to Susie Stanley, Heppner, Ore... 2,07 confirmation by the court, Dated this 5th day of July, 1923. nect with ours. They want to come, and for 40 years they have been anti-cipating that time when they would have a good road.

Before very long, July 30, to be exact, a delegation of Umatilia county men are going to Portland with the members of the county court to try to get some co-operation from the state highway commission and the federal government so that a good grade may be built up Camas creek

THE Heppner Commercial Club Mrs. Johnson managed the farm while her husband, known to his regularized with a boom. All who attended the organization banquet a few weeks ago appeared very enthusiastic under the influence of a full "tummen"
