

Local Happenings

Mr. and Mrs. Hugh C. Githens arrived here on Tuesday evening from their home at Berkeley, Calif., taking just four days to make the trip of 930 miles by auto. Mr. and Mrs. Githens will spend a week here visiting their daughter, Mrs. Spencer Crawford and family and numerous other friends. The big fire at Berkeley did not reach their part of the city, hence they suffered no loss as a result of that disaster.

Egbert Young was in from Eight Mile on Monday, getting his horse and wagon fixed up for the wheat hauling season which begins with him immediately. Mr. Young would appreciate a good rain just now that the roads might be put in better shape.

Mrs. Maude H. Pointer of Salem, formerly a resident of Lexington, was a Heppner visitor on Monday. She and her family have been visiting at Lexington for the past three weeks. Mrs. Pointer still having her land ownership and farming interests there.

Wm. Hiatt and wife, of Kelso, Wn., have been spending the past week or ten days visiting with relatives in Heppner and on Butter creek. Mr. Hiatt was formerly a resident of this section and for many years engaged in farming in Morrow county.

George Pearson and family, formerly of Lena, who have been residing for some time in the Willamette valley, have returned to Eastern Oregon and are now located at Heppner where they expect to make their home in the future.

Spencer Crawford and family and Miss Margaret Crawford returned Monday night from a week's vacation at Wallowa lake. They are added to the list of enthusiastic boosters for that beautiful resort, which is fast becoming famous.

Roy Campbell, extensive farmer of the Social Ridge section, was transacting business in Heppner on Saturday. He states that his harvesting is completed and that wheat hauling is on hand. His crops turned out very well.

Nathaniel Shaw, who is a wheat-raiser of Clarks Canyon, was a visitor in Heppner Saturday, accompanied by Mrs. Shaw.

FOR SALE—Mairs O. Clegg, Late Crawford and Salsways, \$1 and \$1.15 prepaid. A. E. ANDERSON, The Dalles, Oregon.

Mrs. Clara Cox and children of Heppner were guests at the home of Harvey Payne Wednesday.—Hermiston Herald.

ITALIAN PRUNES—Ready now; 4 1/2 cents f. o. b. Hermiston. Send check. C. L. UPHAM, Hermiston, Ore.

Grain bins for sale, while they last. 800-bu. bin, \$25; 1000-bu. bin, \$30. Tum-A-Lum Lumber Co., Heppner.

Wm. Haylor, jeweler, spent the week-end attending to business affairs in Portland.

Dressmaking—Mrs. Chaffee and Mrs. Reasoner. Over Stockgrowers bank, Heppner. 2t.

Used Fords and Dodges, from \$75 and up. Cohn Auto Co.

CO-OPS OFFERED DIRECT LOANS. Oregon cooperative associations in common with those of other states may now obtain credit from federal intermediate credit banks, direct. The war finance corporation ceases advances February 29, 1924, and many cooperative associations are opening up lines of credit at the new intermediate credit banks. The bank for Oregon cooperatives is located at Spokane, and methods of effecting direct loans were explained by Ward M. Buckles, manager, before the Oregon Cooperative council at Portland September 19.

Used Fords and Dodges, from \$75 and up. Cohn Auto Co.

To know how good a cigarette really can be made you must try a

THOUGH always highest in quality, Goodyear tires are never high priced, as this chart shows. See how Goodyear tire prices for years have kept under the average price level for all commodities. Today, the best tires Goodyear ever built sell for 37% less than in 1920; 30% less than in 1914. This is a good time to buy Goodyears.

As Goodyear Service Station Dealers we will recommend the new Goodyear Cords with the herringbone Weather Tread and back them up with standard Goodyear Service.

THE GREAT CONTROVERSY.

THE great controversy within religious circles revolves around two great facts:

First: The Infallible Bible.

The holy scriptures themselves state that they are inspired by Almighty God, therefore infallible. Jesus Christ while on earth testified to their authority, infallibility and right to supremacy in one's life. The orthodox church of Jesus Christ testified to their infallibility. They are the word of God—the only rule of faith and practice.

Of course Satan is trying to break down belief in the authority of the scriptures. Rationalistic forces, the forces of infidelity, atheism, socialism and Bolshevism are denying that the scriptures are infallible. They are doing it because they want to destroy the authority of the scriptures. If the agencies of sin can destroy the scriptures then they have an easy road to the satisfaction of all the lusts and passions of human nature.

Second: The Virgin Birth.

The same set of forces are denying the fact of the virgin birth of Jesus Christ. God decided upon the plan for His incarnation. That plan, decided and created by the Triune God,

fixed the virgin birth as the instrument for the incarnation. Therefore, the virgin birth is proof positive that Jesus Christ is the son of God. Satan knows that fact. Therefore, if he could destroy belief in the virgin birth he could logically destroy belief in Jesus Christ as the Son of God. There is no fact in history more perfectly established than the fact that Jesus Christ was born of the virgin, and therefore is the Son of God. Let me call on the Christians all over America to be true to God's infallible Word, and to Jesus Christ, born of the virgin Mary. The church shall be victorious. The gates of hell shall not prevail.

ITALIAN PRUNES—Ready about Sept. 1st. A large crop of fine quality. Please bring your own containers as usual. Ten-acre orchard, 2 1/2 miles north of Hermiston, Ore., E. I. DAVIS.

Timber Claims in Umatilla County. Will take options on timber claims in Umatilla county, options to expire Dec. 20th. Address Jerry Cohn, Boise, Idaho, Box 1105.

1924 FORD IS NOW HERE

The first of the new type Ford cars which recently arrived in this city are now on display at the show room of Latourell Auto Company, local Ford dealers.

The higher radiator, now standard in all Ford types, has brot a general improvement throughout the entire line and the new radiator apron blending with similar apron effects on the fenders gives the front of the cars a highly finished appearance.

The Touring Car shows a decided improvement, having a more streamline effect. It is lower in appearance, a feature adding much to the attractiveness of the slanting windshield and one-man top.

The Ford Runabout is likewise much improved and looks more sturdy.

The Coupe is entirely new in body design and construction. There is a more trim exterior appearance, more comfortable seating arrangement and greater luggage carrying capacity. From the dash is a graceful sweep in the cowl to the radiator. The doors are wide and heavily framed. A larger compartment at the rear gives increased room for luggage and the new type rear fender is more secure. Ventilator in the cowl and a visor over the windshield add to the exterior appearance, effecting a high quality aspect.

Interior arrangement is most convenient and the upholstery is choice. The seat is deeply cushioned and the cushions are divided, making it easy for filling the gasoline tank which is under the seat. A small recess shelf at the rear of the seat is handy for small parcels. The door windows are equipped with revolving type window regulators permitting any desired ventilation. Doors are provided with locks.

The higher radiator has greatly enhanced the beauty of the Ford Four Door Sedan. This car, highly popular since its introduction a year ago because of its low, graceful lines, now presents a more sturdy appearance.

Another feature coming as the result of the change made in the front of the car, including larger cowl, radiator and hood, is that occupants of the front seat are afforded more space, thus insuring added riding comfort.

Many other little improvements and refinements are noticeable including revolving type window regulators for all door windows and a dome light for illuminating the interior.

The new cars are now on display at the show rooms of Latourell Auto Company and there is one waiting for you.

Protect your house from the weather

IT is the effect of rain, wind and sun on the unpainted parts of a house that "weathers" it—that makes it age and decay. But when a house is well painted, the tough, elastic "film" of paint shields the surface like a rubber coat protects a man.

All Fuller house paints and stains, Pure Prepared Paint, Phoenix Pure Paint, Pioneer Shingle Stain; and Concrete for stucco, brick and concrete surfaces, have high protective properties as well as ornamental value. They are manufactured from formulas that are the result of 74 years paint-making experience. Fuller paint products give long, positive protection.

Get in touch with a master painter before the weather causes your house to show signs of decay. Or write to our Service Department for advice and a copy of the free "Home Service" booklet. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.

Deal In Dollars

IT'S GOOD business when you deal in dollars. You acquire a stock in trade which never goes below par and is always good in any market. There is scarcely any reasonable desire that the average person cannot gratify—when they deal in dollars—which is another way of saying "Thrift."

The rapidly growing habit of thrift among the American people and a keen appreciation of the comforts and security that comes from money in the bank, makes it necessary that you do likewise else lose out in enjoyment of a full and peaceful old age.

Remember—a pass book at a bank is the only dream book in which dreams come true.

To get ahead, one must have a definite plan about it. When opportunity knocks—have your FIRST NATIONAL BANK pass book about you.
