

Local Happenings

While visiting at Vale, Oregon, recently, Joe Klein, who was a visitor in Heppner the first of the week, met up with George McKnight, who is now one of the officers in the U. S. land office at Vale. Mr. McKnight was formerly engaged in the sheep business at Heppner and is well known here. To his many old-time Heppner friends he sent his best regards through Mr. Klein. For a number of years Mr. McKnight was county judge of Malheur county, having retired from the sheep game a good many years ago.

Mr. and Mrs. Otis Patterson, Sheriff of Clatsop county, and C. E. Gunther, all residents of Canyon City, stopped over at Heppner Sunday night on their return home from the Round-Up. The gentlemen were at Pendleton in time to take in the Shrine ceremonial. Sheriff Bingham being one of the class that way, accompanied by Mrs. Emerson, and enjoyed a day renewing old acquaintances at Heppner.

Cecil Llaullen, state highway patrolman and popular Heppner young man, substituted a bucking horse for his motorcycle in the Pendleton Round-Up last week. Cecil tangled with Long Creek and unfortunately was unable to stick. He now displays an ugly broken lip received while biting the dust. However, Cecil is no slouch of a rider, as those who saw him stick to Long Tom on a former occasion will testify.

Mr. and Mrs. Hugh C. Gibbons, who have been visiting during the past week at the home of Mr. and Mrs. Spencer Crawford, in this city, and with other relatives in the county, departed on Tuesday on their return trip to Berkeley, California, where they reside. They are traveling by auto.

Emery Gentry has returned to Heppner from an extensive business trip into California. Emery was much taken with Sacramento, the capital city, as well as many other points. He will be in Heppner until after the Rodeo. He sells West Coast Life insurance.

Maurice E. Frye, wife and two children arrived on Saturday from Chicago, coming through by auto. They expect to remain at Heppner for the winter, making their home with Mr. Frye's mother, Mrs. Olive E. Frye.

Mr. and Mrs. W. F. Barnett were visitors in the city on Saturday from their home at Lexington. Mr. Barnett states that the seeders are busy on his farm at present, getting the wheat planted on the summerfallow.

We are sacrificing former Gay Anderson home. Good house, lawn and fine garden. Get particulars from Mr. or Mrs. Gay Anderson immediately. C. C. Calkins, 301 W. Boone, Spokane, Wn.

Rev. W. O. Livingstone was a passenger for Portland on Monday, going to the city to attend a meeting of the board of the Oregon Christian Missionary society.

For Sale—Half section good farming land, near Heppner and Lexington. For terms see Gazette-Times, or address Box 391. Good 7-room house and reservoir.

For Sale—Shetland pony; broke to saddle and harness. Lois Livingstone, Heppner.

Used Fords and Dodges, from \$75 and up. Cohn Auto Co.

To know how good a cigarette really can be made you must try a

GOOD YEAR Service Station

THE sure-footed, long-wearing, All-Weather Tread of a Goodyear Cord is the best tire insurance you can have. The high, thick, sharp-edged blocks of that famous tread dig wedge-like through mud or snow to slipless footing, carrying on steadily or coming to a sure, safe stop.

As Goodyear Service Stations dealers we sell and recommend the new Goodyear Cords with the beveled All-Weather Tread and have them up with standard Goodyear Service.

IDLENESS.
No man has the right to be idle. Six days thou shalt work. It is a direct command resting upon every individual. There are no conditions, circumstances or positions in life which authorize one to spend his time in idleness.

The fact that an individual is rich does not excuse him from labor. Every man, regardless of his wealth, his position, his possessions or his power, should be made to labor every day in the week. For one to fold his hands in idleness and leave his brain unoccupied is to make of himself a nuisance and an incubator of evil.

The amusement craze of today is the direct evolution of idleness. Idle women, no home duties, no children to care for, no domestic labors to perform, transforms them into dangerous social factors. They become the agents, or they become the objects of every vicious design and desire.

The breaking down of society is another evolution of idleness. Idle men, no home duties, no children to care for, no domestic labors to perform, transforms them into dangerous social factors. They become the agents, or they become the objects of every vicious design and desire.

Take the young boys and the young girls with idle hands, idle brains, and unoccupied time. They become the agents of the Devil, and expensive menaces to society. The aged men and women with nothing to occupy their time or employ their hands become a burden to themselves and a sorrow to all around them.

Idleness curses youth, damns the middle aged, and brings sorrow and premature death to the aged. Idleness fills the dens of dissipation, crowds the pool rooms, occupies the

parks, litters up the streets, and glut the avenues of traffic. Idleness is man's curse and the devil's best weapon.

E. J. Merrill and daughters, Misses Cleo and Ilo, came down from their home near Hardman on Sunday, and on Monday morning the young ladies departed for Eugene where they will enter as students for the coming year at the University of Oregon. Miss Cleo begins her second year at the university and her sister will enter as a freshman.

If You Are an Eskimo You Don't Need Our Metal Weather Strip.

The Eskimo don't care for a little thing like zero winds blowing in his front door. But you are not an Eskimo, and you will appreciate the comfort our Metal Weather Strip gives.

Our Metal Weather Strip seals the doors and windows up tight, it keeps the cold wind out and the warm air in. Saves coal and keeps out dust. Prevents the rattle of windows and doors when the cold winds blow.

A dollar seventy-five to two dollars will make the average door or window cold proof. Its edging on to winter. Better get ready now.

1924 FORD IS NOW HERE

The first of the new type Ford cars which recently arrived in this city are now on display at the show room of Latourell Auto Company, local Ford dealers.

The higher radiator, now standard in all Ford types, has brought a general improvement throughout the entire line and the new radiator apron blending with similar apron effects on the fenders gives the front of the cars a highly finished appearance.

The Touring Car shows a decided improvement, having a more streamline effect. It is lower in appearance, a feature adding much to the attractiveness of the slanting windshield and one-man top.

The Ford Runabout is likewise much improved and looks more sturdy.

The Coupe is entirely new in body design and construction. There is a more trim exterior appearance, more comfortable seating arrangement and greater luggage carrying capacity. From the dash is a graceful sweep in the cowl to the radiator. The doors are wide and heavily framed. A larger compartment at the rear gives increased room for luggage and the new type rear fender is more secure. Ventilator in the cowl and a visor over the windshield add to the exterior appearance, effecting a high quality aspect.

Interior arrangement is most convenient and the upholstery is choice. The seat is deeply cushioned and the cushions are divided, making it easy for filling the gasoline tank which is under the seat. A small recess shelf at the rear of the seat is handy for small parcels. The door windows are equipped with revolving type window regulators permitting any desired ventilation. Doors are provided with locks.

The higher radiator has greatly enhanced the beauty of the Ford Four Door Sedan. This car, highly popular since its introduction a year ago because of its low, graceful lines, now presents a more sturdy appearance.

Another feature coming as the result of the change made in the front of the car, including larger cowl, radiator and hood, is that occupants of the front seat are afforded more space, thus insuring added riding comfort.

Many other little improvements and refinements are noticeable including revolving type window regulators for all door windows and a dome light for illuminating the interior.

The new cars are now on display at the show rooms of Latourell Auto Company and there is one waiting for you.

Deal In Dollars

IT'S GOOD business when you deal in dollars. You acquire a stock in trade which never goes below par and is always good in any market. There is scarcely any reasonable desire that the average person cannot gratify—when they deal in dollars—which is another way of saying "Thrift."

The rapidly growing habit of thrift among the American people and a keen appreciation of the comforts and security that comes from money in the bank, makes it necessary that you do likewise close out in enjoyment of a full and peaceful old age.

Remember—a pass book at a bank is the only dream book in which dreams come true.

To get ahead, one must have a definite plan about it. When opportunity knocks—have your FIRST NATIONAL BANK pass book about you.
