

FIRE SALE!!

OWING to the great damage done to our stock by the fire of October 23rd, 1923, we will offer it, complete, to the public, at **"Fire Sale Prices"**

Every Item in this mammoth store must go. We are not holding back one item in any department.

New stocks are to be purchased just as soon as possible. The store has to be turned over to the mechanics for a complete overhauling, so this stock must go! This is not a seasonable sale; this is a Bonifide Fire Sale when prices are slashed to move the goods.
