CLEAN BASEBALL AT LAST.

WHAT promises to be a new era in baseball athletics for this and neighboring counties is the organization of the Morrow-Gilliam County League.

In the first place it is the idea of the league to promote a home sport. To this end provision has been made that no club in the league shall hire more than two players.

That players shall conduct themselves in a sportsmanlike manner, is another thought of the league, and the right of suspension of any player who does not do so is held in its laws.

A loving cup is offered as a trophy to the winning team. This is done to give the teams something to strive for, that they may expend their best efforts in all games played.

SURELY this is a better incentive to good playing to give the winning team in the national game than the hope of receiving a tip from some gambler's winnings.

JONES, SMITH, DUBB, DOUGH. HON. EUGENE BLACK, Congressional representative from Texas, in an argument in Congress in favor of a constitutional amendment to do away with tax-exempt bonds.

CLEAN UP DAY. SATURDAY, APRIL 19. Heppner's annual Clean-Up Day has been set for Saturday, April 19.

they made a trip to Pendleton and talked over the situation with party leaders there, receiving from them the assurance that Umatilla county would stand by him. They took upon Mr. Barratt as being good material for the legislature, and it is also conceded by Umatilla commissioners that Morrow is entitled to this office, not having a representative of her own, while Umatilla has two. In the meantime, Mr. Shumway, of Milton, has filed for this office, and it is quite natural to expect that he will carry a good support, at least from the east end. Mr. Barratt had been led to think that our sister county would not put up a man in opposition to him in either party, but as the situation is changed by the entry of Mr. Shumway, who in every way is a very fine man, the outcome is a guess, viewing it from this distance. Mr. Barratt, however, has his hat in the ring and is there to stay in the final home county will give him a big vote, we are sure, and he should have an even break in Umatilla and thus win the nomination. The record Mr. Barratt made for himself while an Umatilla commissioner, and the experience gained in that office combine to make him particularly fitted to represent this district in the legislature at its next sitting, and we shall be proud to have him win.

IS THIS WHAT WE WANT?

HEPPNER made an effort to put an all-home team on the diamond last Sunday against Condon. The local boys did their best, and, considering it was their first game this season, and all the fellows were not in the best of shape, many spectators expressed the opinion that they put up a good game. But they lost.

Consequently a howl has gone up from some quarters, and some of Heppner's cheap sports have taken occasion to raise the team unmercifully—so much so, in fact, that they have caused one of the home boys to quit.

You may notice we used the term "cheap sports." Well, this is exactly what we meant to say, for the type of fellows who have been doing the raising certainly come under this classification. Everyone who has ever been to a baseball game in Heppner knows them. They are the fellows who would rather risk their money on any bet on the home team, and they bet on the home club they want a cast-iron bonanza—if you know what that is. It is the opinion of the present management, as we have heard it expressed, that it intends to put out a home team, and that it doesn't care a hoop in hades whether or not it has the support of this class of sports. We are sorry the fellow who quit took to heart the raising of these fellows as he did, however, he should not be blamed for it is certainly disgusting to have one's supposed friends receive an honest effort in such an unappreciative manner.

That this is not the spirit of all Heppner's inhabitants, however, is shown by the liberal donations of many business firms when a solicitation was made by the baseball management Tuesday afternoon. Let's get behind the home boys, and stay behind them till we develop—if we haven't it already—material as good as that put out by the other towns in the league, and, while we are doing it let's cut out the crabbing.

CLEAN UP DAY
