AND HIS BEAR

Robert "Bob" Satterfield, one of America's greatest cartoonists, is now drawing cartoons for this newspaper. In all Satterfield's cartoons is his famous little "Teddy Bear" mascot, which is known to millions of newspaper readers. Mr. Satterfield has just signed a contract with The Publishers Association Service of New York, which makes him one of the highest paid cartoonists in the United States. This newspaper has exclusive membership in that service for this town.

Look for Satterfield's cartoons every week in THE GAZETTE-TIMES.

Soon now he will cover the big party conventions and his sketches will be picture treats.

Port of Portland Reports
Increase in Shipments

Figures for the first three months of 1924, as compiled by the Traffic Department of the Port of Portland, show great increase on cargo particularly to Oriental countries.

Cargo to China showed a particularly large gain for this period. In three months of 1924 the amount was 155,427 tons compared with 41,075 the first quarter of 1923.

Shipments of wheat showed the largest percentage of increase, jumping from 2,000 to 40,000 tons. Lumber is another item showing growth of trade with 16,240 tons last year and 39,230 tons this year. China received more lumber from Portland than any other country during March of this year. Eleven other miscellaneous items were shipped making up the balance of the cargo.

Trade with Japan increased from 22,575 tons to 150,511 tons during this quarter. The large item of shipment to Japan was lumber with 100,655 tons this year compared with 41,132 tons last year.

Wheat cargoes increased from 2,750 tons in 1923 to 36,540 tons in 1924. Flour shipments show 3,180 tons this year and 836 tons last. There were 200 tons of bran and 583 tons of red-meat bones sent for-ward this year and none last. Hides, drugs, machinery, paper, autos, supplies, canned and miscellaneous cargo, all show an increase this year.

France shows increases in both commodities purchased in this market—lumber from 137 to 544 tons and prunes from 16 to 25 tons. Denmark bought nothing during the early part of last year and this year took 256 tons consisting of prunes, dried apples and flour.

Total exports this quarter year amount to 424,755 tons, compared with 167,610 tons for the same period last year.

TO RUN FOR SUPERINTENDENT.

As will be noted by the announcement in this paper, Mrs. Helen M. Walker, principal of the Hardman school, is a candidate for the office of school superintendent of Morrow county. Mrs. Walker has been a successful teacher in the schools of the county for the past four years and is understood to be well qualified for the position she seeks. She enters the race late, as it was thought that Mrs. Lena Snell Shurtz, present incumbent would have her name placed on the ticket for re-nomination. Mrs. Shurtz, for reasons she feels are good and sound, decided not to do this, and the field was left open, and friends of Mrs. Walker have prevailed upon her to allow her name to be written in on the republican primary ballot for the office.

It might be well to call attention to the fact that besides writing in a name that you wish to nominate on the ballot, you should make the cross before it the same as you do before the names you vote for that are printed in the regular way. If this is not done there will be no vote counted for your candidate.

O. E. S. SOCIAL CLUB MEETS.

Mrs. W. P. Mahoney, Mrs. Ralph Thompson, Mrs. C. L. Swock and Miss Kathleen Mahoney entertained the social club of the Eastern Star Saturday afternoon in Masonic hall. About 40 members were present, and the afternoon was spent in the playing of the games of travel and bridge. Mrs. Lena Snell Shurtz was first honors in travel and Mrs. Arthur McAttee was first honors at bridge. The serving of delicious refreshments by the hostesses was the climax to a delightful afternoon.

ALUMNI HOLD DINNER.

There was a dinner of the alumni of the University of Oregon held at Hotel Heppner on last Thursday eve-

ning, at the invitation of Chairman C. L. Swock of the Gift Campaign for Morrow county. The attendance was not as large as the chairman had expected, but the program of the University was presented by Prof. Carlton and these in attendance caught the spirit and will be lined up to do their full share in putting over the Morrow county quota in this undertaking.

ANNOUNCEMENT.

To the Democratic Voters of Morrow County: Having decided to enter the race for nomination as Sheriff, I ask that my name be written in on the Democratic ballot for this office. Will all those desiring to place me before the public for the office of Sheriff of Morrow county kindly write my name in on the ballot, placing their cross before it, and I shall greatly appreciate the compliment.
