

Local Happenings

Gurdane & Son made the final shipment of their equipment and store fixtures to Bend on Monday, and on Tuesday Messrs. Doug and Earl Gurdane left for the Central Oregon city, accompanied by Oscar Edwards, who goes over to help get things straightened out at the new place of business. Gurdane & Son have enjoyed a long series of years of prosperous business in this city, and they regret that conditions have come about that force them to seek another location. However, they each of them state that they may return to this city again. The prospects for good business in their line at Bend is quite flattering, and they expect to have one of the best locations in that city.

In commemoration of the 10th anniversary of the founding of the order, Heppner Oddfellows put on a big celebration Saturday afternoon and evening. An invitation was extended to the Pilot Rock lodge to take part in the festival and a number of the local boys made the trip. The quartette, composed of Marvin Roy, Percy Knapp, Rollin McBroom and Albert Gilliam, furnished the music for the occasion, giving about ten selections. The quartette has been specially requested to sing at the state I. O. O. F. convention at Hood River in June.—Pilot Rock Record.

S. D. Peterson, an attorney of Milton was in Heppner on Monday attending to some legal business. Mr. Peterson is a candidate for delegate at large to the republican national convention, and in a field of 15 candidates he is the only one from east of the Cascade mountains. This should entitle him to receive a large vote in the republican primaries. Mr. Peterson is "for Coolidge"; adjusted compensation for ex-service men; same constructive program," and his ballot number is 26.

Mrs. Catherine Erickson, deputy supreme commander of the Women's Benefit Association of Port Huron, Mich., is in Heppner this week in the interest of the order and expects to organize a branch of the association in this city. Will Ball and Orve Rasmus got home on Tuesday from a few days of vacation spent in the Cottonwood section of Grant county. Their main object was fishing, but report has it that the boys were not very lucky in landing the members of the finny tribe, and they have no big tales to relate.

An 8-pound son was born to Mr. and Mrs. Elbert Cox at their home in this city on May 5th, and in celebration of the event, the deputy sheriff took a day's vacation. He has recovered, however, and is again writing tax receipts at the office. Mrs. Cox and the young son are doing well.

Johan Troedson and his sons were in the city a short time yesterday at.

troedson, Mr. Troedson farms extensively out north of Ione and feels that a few good showers would be just about proper now. He is not discouraged and some rain soon will insure him a good crop.

Ed Reithmann and Tom Craig, of the Wells Springs section, were in the city Tuesday. While a rain would be much appreciated just any old time now, these gentlemen state that grain on their farms is not suffering as yet, shows up well, and rains coming within the next week or so would assure a good crop.

James Luper just recently returned from a visit with relatives at Portland and Salem. He states that the Valley country needs rain just as badly as does eastern Oregon and vegetation is apparently suffering because of the lack of it.

C. A. Rhea came over from his old time Echo on Wednesday to be present at the funeral and burial of his daughter, the late Mrs. Lillian Conner.

"LET'S KEEP NICK"

N. J. SINNOTT

Republican Candidate for Re-election to Congress

Why throw away 11 years of constructive work by a man of ability to produce results for his district

SINNOTT is a member of the House Steering Committee, an honor achieved only by men of high standing and long service in Washington. Means much to Oregon.

SINNOTT is chairman of the Public Lands Committee. Oregon's welfare, in a large way, is in its public lands.

SINNOTT is a ranking member of the Irrigation committee. Eastern Oregon needs irrigation for development.

SINNOTT HAS SECURED:

Passage of the Sherman County Relief Bill.	Passage of Mineral Leasing Act, with \$12,000,000 for reclamation.
\$7,500,000 for National Park Roads.	
\$150,000 to combat Pine Tree Beetle in Oregon.	Inclusion of West Extension of Umatilla Project in reclamation program.
\$900,000 for Baker Irrigation Project.	
\$300,000 for Crater Lake Park roads.	Opening of Wasco County timber resources for development.
\$1,000,000 for Oregon Reclamation.	
\$50,000 for Umatilla Rapids Project.	Action on McNary-Haugen bill in house of representatives.
\$10,000,000 concessions to irreducible school fund of Oregon.	Appropriations for construction of McKay dam, Umatilla Project.
\$10,000,000 concessions to land grant counties of Oregon.	

The public press of Eastern Oregon and Portland has repeatedly praised Nick Sinnott for his untiring, constructive work. Why change now to try a new and inexperienced representative?

Read your Voters' Pamphlet. Then go to the polls Friday, May 16, and do something for the man who has done something for you.
