MORROW COUNTY OFFICIAL PAPER

Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

W. B. BARRATT.

LAST year Umattila county held the office of joint representative from the twenty-second district, Umattila and Morrow counties...

Mr. Barratt is principally known as one of the leading stock men of eastern Oregon and has been active in the sheep business since 1890...

Mr. Barratt was born in Shropshire, England, February 28th, 1862, and educated in the common schools of England until he became fourteen years old...

During 1923, there were \$1,891,109 acres of forest land in Morrow county, an aggregate area of 11,500,000 acres with a financial loss in excess of \$16,500,000.

Some idea of the extent of this ravaged area may be gathered from the fact that it is eight times the acreage of French forests destroyed or damaged throughout the World War.

The popularity of the President is somewhat difficult to analyze. If achievement alone is taken into consideration, he is his party's leader in name only.

Through a misunderstanding of just what was desired, the Gazette-Times published an announcement last week in which it was stated that Mrs. Lena Shurtz would be a candidate before the primaries for the office of county school superintendent, and the request was made that her name be written on the ballot.

make a formal announcement, such as was made by this paper. On the other hand, we received the impression that she had decided to run, which we considered as had a perfect right to do, and the announcement was made accordingly.

AMERICA'S DUTY.

The paragraph in the Editorial which constitutes a ringing endorsement of the Dawes reparations report, that may well be pondered by American citizens.

Mr. Coolidge's strength lies in his intelligence and his character. His common sense and enormous trust in a period of half-insane political theories.

Moreover, it is fully understood that where other men are running around in dizzying circles the President has kept his feet on the ground. He has not joined in the shouting. He has not passed as one of a thousand or two patriots in the national capital who claim that their own private formulas are the only ones for the salvation of the nation.

To those who have damned him for keeping silence and damned him likewise when he opened his mouth, he has given no indication that he knew they existed. This was not the country, and added to the respect it accorded him.
