ELECTION DAY IS QUIET AFFAIR HERE

Comparatively Small Vote Cast; Some Surprises Are Sprung.

BAKER LOSES HERE

McNary and Sinnott Get Big Vote; Judge Campbell Wins Easily Over Bleakman, Nearest Competitor.

Election day passed very quietly in Heppner and there was little to indicate that anything out of the ordinary was transpiring. The vote was small, there being less than 1000 cast in the county, or a little more than one-third of the registration.

In the senatorial and congressional contests, it had been predicted quite freely that McNary and Sinnott would win though it was thought that both Baker and Cochran would make a better race than they did.

The vote for Mr. Barratt in this county was gratifying but not just what it should have been. He had but little chance to win against a Umattila county man, and his opponent, Mr. Shumway, is a man that has a good standing in the other county where the big vote is.

There has been considerable interest worked up over the office of school superintendent, the future of Mrs. Shurtzle to announce fully her intention permitting others to get into the running and bringing on a contest between Mrs. Helen M. Walker and Mrs. Opal Clark of Heppner, with Mrs. Shurtzle getting some support.
