CENTLY, who clinic is to the control of the state of the

spinters. The life of the little than also been crushed out. The little the men they put up for public office sweet-faced, carry-haired kid lay in should be capable of impressing the morgon, lifeless. The little brok-voters with the fact that they will content a sound economical en body was there because a truck driver faried to use his head in an driver faried to use his head in an and business-like administration of emergency. True enough, remorse visited this truck driver for a time, but time will never erase from the mind of the heart-broken mother the receible and unnecessary loss—Or, terrible and unnecessary less-Or, was this just another kid?

Once a mother knelt weeping be-

Not so long ago, I attended a race meet. A number of fast care were meet. A number of fast care were relating the track at a speed of approximately eighty miles an hour. A boy ran from the side lines to cross the track. An outcoming machine struck him squarely, throwing him several feet into space. His life and body were broken. His life a

such sorrow be visited upon a comnumity - Were these just other adds?

Kids, as I think of them now, are
children and to those of as when the company of t munity—Were these just other kids?

Kids, as I think of them now, are children and to those af us who have them are a source of joy and pride.

Not only that they are the nope of the community. Yes, they should be man has not had extensive newspaper to take unnecessary chances upon the to take unnecessary chances upon the streets and highways, but we older hoping for him success in the venture.

S-3-3

Norm, assume and all the right and title that either of said defendants had on March 8th, succeeding P. P. Hassler. The young man has not had extensive newspaper exprince but he is a hustle: and will no doubt make good. We are hoping for him success in the ventures and highways, but we older hoping for him success in the ventures.

Some them are a source of joy and pride. The said of the interest of said Harry L. Duvall and Amanda Duvall in and to said real hoping for him success in the ventures. The property fails to produce sufficient funds to pay the plaintiff's judgment, including costs and attorneys fees streets and highways, but we older folks should hear in mind that our ture. rush and hurry is no excuse for taking the life of a child.

Safety is now taught in every pub-lic school, special courses have been prepared by inteterested educators, the moving pictors screen brings a leason occasionally, but in the face of all this effort, it yet remains a fact that seventy per cent of all the deaths resulting from automobile accidents last year were children. In but very rare instances can the re-aponsibility be shifted to the child. aponsibility be chifted to the child. It is true, and only natural that un-avoidable accidents do occur but more often than otherwise the term "unavoidable" is used to cover up the fact that brakes were inadequate or the driver was incompetent or down-

Let's think of the kids just a little

we drive along. It is the expression of those It is the expression of those who are informed that the rain of Friday will be the means of increasing the wheat yield in Morrow county at least twenty-five per cent. In a large number of fields over the county where the grain appeared to be burt the most by the drought there is much good wheat that has stood up under the trying conditions, and the tain will greatly beneatt this, while in a goodly portlos of the county the

chambers in Reppner.

At this time there will be a director to elect to serve for a period of three years, and then the report of the clerk of the district for the past year will be presented and should be
