

CECIL NEWS ITEMS

W. G. Painter of Windybrook was found gossiping in Cecil on Thursday and complimenting us on not having had any sand storms for fourteen days. "Wind" must have cast "the evil eye on us" for no sooner had he left our town than a high wind came up and smothered us all in sand once more.

Zeneth Logan from the Land of Promise, via Boardman, was in Cecil on Friday inquiring if Cecil was still on the map. Zeneth was delighted to find his old home town as lively as ever in spite of all the terrific sand storms which have visited her lately.

Misses Annie and Violet Hynd of Buttery Flats were calling on friends in Boardman on Tuesday. Miss Violet left for Portland on Wednesday to spend a few days with friends before taking up her duties at her school near here for the coming year.

Walter Pope has decided to return to his ranch near Cecil which Krebs Bros. have had leased for some years. The lease will expire in September. Walter is busy getting things in shape for well driller Schafer of Ione to begin to drill a well on his ranch.

W. A. Thomas of Dathobers Hill spent a few hours Friday visiting W. H. Chandler at Willow Creek ranch. W. A. says he is having a tank trying to kill time for he has not one grain of wheat to harvest this season.

Elmer Tyler of Rhea Siding was visiting his school pal Noel Streeter on Monday and discussing what should be their latest adventure before settling down to school work for the coming months.

Frank Madden of Portland, accompanied by Gene Logan and Sydney Wilcox of The Willows, were exploring the beauties of the Four Mile district on Friday.

W. G. Hynd and brother David from Hynd Bros. ranch in Sand Hollow were the week-end guests of their brother Jack at Buttery Flats.

Pat Medlock and Noah Pettyjohn of Morgan are busy putting up a new fence at Cecil school in readiness for the opening of school again.

Mr. and Mrs. Jim Hardesty and family of Morgan were calling on Mrs. H. J. Streeter at Cecil on Saturday.

Krebs Bros. of The Last Camp finished stacking their third crop of hay on Wednesday. Hay cut off very light.

Mr. and Mrs. John Gray and children of Shady Dell spent Sunday at the home of Charlie Gray near Morgan.

Mrs. Crowley and family from their ranch near Ione were doing business in Cecil on Wednesday.

E. W. Morse, county agent, was a busy man around Cecil on Wednesday, distributing rabbit poison.

Mr. and Mrs. Everett of Wasco are visiting at the home of their daughter Mrs. L. L. Funk near Cecil.

W. V. Pedro and niece Miss Josie Pedro of Ewing paid a hurried visit to the county seat on Monday.

Mrs. Frank Madden of Portland

was the guest of Miss A. C. Hynd at Buttery Flats on Friday.

Mrs. Geo. A. Miller and son Elwin of Highview were calling on Mrs. T. H. Lowe on Saturday.

Noel Streeter and Bob Laws of Cecil were doing the sights of Ione on Sunday.

Mr. and Mrs. McMillan of Lexington were visiting in Cecil vicinity on Sunday.

Franklin Ely of Morgan was calling on his Cecil friends on Tuesday.

J. J. McEntire of Killarney was doing business in Cecil on Friday.

SAFEGUARDING THE SCHOOL CHILD.

(From State Board of Health.)
The opening of school brings with it the problem of protecting the school child from infections which take a jump when school reassembles. Education has been made compulsory and although the system is not perfect, it is a conceded fact that education is a necessity. By making education compulsory we have thereby assumed the responsibility of keeping the school as free from disease as possible. It is therefore of great importance that all children be given a careful examination to determine whether or not they are disease carriers.

diseases in schools requires effective cooperation of parents, teachers and children.

To do justice to one's own child and to be decently fair to the other parent's children, it is not enough that the child go to school properly and cleanly clad; the parents should make a definite and thorough examination before permitting him to leave the home. He should always be kept at home, at least for the day, when there is nausea, vomiting, chills, convulsion, dizziness, faintness, unusual pallor, rash of any kind, rise of temperature or suggestion of it through unusual warmth of skin, a discharge from the nose, redness or secretion from the eyes, a sore or inflamed throat, swollen glands in the neck or elsewhere, a new cough, failure to eat breakfast, a seriously disturbed night's rest, or any unexplained or indefinite change from the usual appearance or conduct. If the disturbing sign does not promptly disappear, of course the family physician should be called and only on his assurance that no disease exists or is likely to occur in the very near future, may the child be permitted to go to school or come into contact with other children.

Many parents are offended when children are sent home for failing

there from fallowing.
In the Eight Mile nursery, Federation yielded 6 bushels more than Triple, which was the highest-yielding true winter wheat. Major, a hybrid with Federation as one parent, also gave a high yield. Bluestem also did well, yielding just a little more than Onas, a hybrid between Federation and another Australian variety.
Of the several Turkey wheats sown in the Eight Mile nursery, Kanred was easily best. Fortyfold, which is quite a popular variety with farmers in southern Morrow county, produced an average yield of 28 bushels an acre or nearly nine bushels less than Hybrid 125 and nearly nineteen bushels less than Federation. There were six grain nurseries in different counties of eastern Oregon this year and Fortyfold was not a very high yielding wheat at any of them. A new hybrid

CLEAN UP FOR RODEO

Show your pride in your town by making it spick and span

IN ORDER TO MAKE THE most favorable impression on the many visitors who will be in Heppner during the Rodeo, Sept. 25, 26 and 27, it is the earnest desire of the City Council to have the City present a very clean appearance.

Everyone is asked to muster their civic pride, and urged to clean up all trash and weeds at once. All vacant lots and alleys must be thoroughly cleaned and parking along sidewalks given an immaculate appearance.

These weeds and trash are a big fire menace and should be cleaned up for the safety of the nearby buildings as well as to make a favorable impression on the Rodeo visitors. This means much to Heppner.

Wake Up! Clean Up!

The Mayor, Council and Marshal will make a tour of inspection in ten days and hope to see the entire city cleaned up.

We appeal to your sense of civic pride and duty, for a better and more prosperous Heppner.
