W. B. Barratt, whose years of experience in the sheep business in this county qualifies him to speak with authority, states that he has never known the range to be drier at this time of year than at present. He says there is quite an abundance of dry feed on the hills, but this is not just the thing to turn the sheep out on, and if rains do not come soon to start up the green grass, it will be necessary for the shepherds to resort to feeding that will take the place of so much dry forage.

Mr. and Mrs. A. A. McCabe were visitors in the city yesterday from their home on Rhea creek. Mr. McCabe is getting quite anxious for some wet weather. Rhea creek is the lowest at his place this fall he has ever known it to be, and the water question is somewhat serious for those having many head of stock to water. Wheat was sown in the dust and is awaiting sufficient rain to germinate it, where the dry treatment was used. It would seem that the rains cannot hold off much longer.

This Is Republican Year Support the Entire Party Ticket

It's Coolidge—Make It Unanimous

Every indication shows overwhelming sentiment for Coolidge. The Literary Digest straw vote, both in this state and the nation, shows him at this writing leading his nearest opponent by more than two to one.

In urging votes for Coolidge, we ask Oregon citizens to elect to the congress men who will aid the President in carrying out his policies, men who acknowledge party responsibility, men who will keep faith with the people in carrying out the platform pledges.

YOU WILL FIND THESE MEN ON THE REPUBLICAN TICKET

Senator McNary deserves re-election. He has accomplished much for Oregon. Congressmen Hawley and Sinnott should be returned because of service to their state. Maurice E. Crumpacker, candidate for the seat of the democratic incumbent in the third district, should receive the votes of all republicans.

RESTORE THIS STATE TO CONTROL OF THE DOMINANT PARTY

Through the accident of death, the governor has named his own state treasurer. This is an elective office and the people had elected a republican treasurer. By the appointment, Governor Pierce seized power not his by right and thereby dominates the state board of control. The balance will be restored by the election of Koser and Kay.

It is important that all good citizens vote for Sam A. Koser, candidate for re-election as secretary of state, and for Thomas B. Kay, candidate for state treasurer, because their election will restore the affairs of Oregon, a strongly republican state, to republican control.

OTHER CANDIDATES, TOO, ARE WORTHY OF VOTERS' SUPPORT

Judge Harry H. Belt, of Polk county, and Judge Percy R. Kelly, of Linn county, are both able jurists and candidates of the party for justices of the supreme court, Judge Kelly being a candidate to succeed the late John McCourt. Both are eminently qualified.

I. H. VanWinkle, candidate for re-election as attorney-general; H. H. Corey, candidate for re-election as public service commissioner; Edward Ostrander, candidate for public service commissioner; and J. D. Mickle, candidate for re-election as state dairy and food commissioner, as well as the complete and legislative and full county tickets, vouched for by the republican party, are worthy of support and deserve your votes.

The Show Place of Champions

THE Pacific International Livestock Exposition, organized but a scant fourteen years ago, is today the largest general livestock show in America, rivaling the National at Chicago in its horse, beef cattle and swine exhibits and even surpassing in many respects the National Dairy Show.

There under one roof covering 10 acres, world's livestock champions and their notable stock come from distant states to compete for premiums totaling \$90,000. This year's show combines:

Gigantic Livestock Exposition
Dairy Products Show
Land Products Show
Northwest Hay and Grain Show
Western Winter Poultry Show
Night Horse Show
Industrial Exhibits
Daily Auction of Dairy and Beef Stock

Over 125,000 people attended last year, availing themselves of the opportunities offered for studying the ways and means of profitable livestock raising in the West. Why not attend yourself this year and then talk over the matter of bettering and increasing your own livestock with us here at the First National Bank? You will never find us lacking in encouragement and assistance.
