Mrs. Helen M. Walker, republican nominee for county school superintendent, was a caller at this office on Monday. Mrs. Walker states that she is much encouraged over the prospects of success that she has met with in a quite thorough canvass of the voters of the county and she feels that her election is assured. She feels that, having entered the primary and received the strong endorsement that she did, there is good reason to expect that the republican voters will stand by her on Tuesday, November 4th. She promises that her endorsement at the polls will mean energetic and faithful performance of the duties of the office for which she is fully qualified. Mrs. Walker is visiting the various towns of the county this week in company with the other republican nominees.

A letter received from Frank Evans of Walla Walla the first of the week states that the drought there has been broken and that good rains fell over that part of the country. Mr. Evans states that it was still raining when he wrote. Fair showers, only, have fallen in this county, it raining quite heavily at Heppner for a short time on Tuesday and also on Monday. The indications are for more precipitation, however, and the grain fields and range lands may yet get soaked up before winter sets in.

From the Walla Walla Bulletin we have the following item of interest to Heppner and Lexington people: A marriage of local interest was solemnized at Seattle Saturday morning when Miss Lillian Belling became the bride of Mr. John Evans, son of Mr. and Mrs. Frank Evans of this city. Following an extended wedding trip to British Columbia they will be at home to their friends at 400 East Pleasant street. Both young people are well known in Walla Walla. Mr. Evans is associated with the local Farmers & Merchants Bank.

Mr. and Mrs. John Pieper of Lexington were recently called to Hillsboro to attend the funeral of a brother-in-law of Mr. Pieper, Mr. C. Rohse, who passed away at his home in that city on the 19th of this month. After spending a couple of weeks there they returned home when Mr. Pieper took sick and was confined to his bed for a week. He states that it rained much of the time while they were in the valley, and this gave him a severe cold. He was able to come to town Friday.

Mrs. John Wightman, Geo. McDuff, C. W. McNamer and O. T. Ferguson were hostesses at the O. S. social on Saturday afternoon at Masonic hall, when the ladies were entertained at bridge and travel. There were twenty-five members of the club present. Mrs. Lena Snell Shurte won first honors at bridge and Mrs. Rosa Richardson was first at travel. The hostesses served elegant refreshments as a fitting close to the afternoon's pleasure.

Mr. and Mrs. Marion Huston returned on Wednesday to their home at Dufur, Oregon. Mr. Huston and wife were here to help in caring for his brother, the late Luther Huston, during the last three weeks of his illness. Years ago they were residents of Morrow county and owned a half section of good farm land in the Eight Mile section. They left this part of the state 26 years ago.

The Boardman Mirror, for several years published from the office of the Standard by Mark Cleveland, has been disposed of by him to Geo. Huntington Curry of the Arlington Bulletin, and henceforth will be issued from that point. This is assurance that Boardman will continue to have a good, newsy paper, and one representative of that part of the county.

Grant Never Said Much, But He Stuck to His Job —So Does Coolidge

Performances Are Better Than Promises—
Don't Trade Realities for Uncertainty.

Our country is in safe hands today—why change? Conditions are sound and wages higher than they have ever been. Why not let well enough alone?
Excessive tax burdens have been lifted by Coolidge and his party. More than 4,000,000 heads of families were helped by the 25 per cent cut in income taxes.
Nuisance taxes were removed. There is no longer a tax on automobiles costing less than \$1000, nor on theater tickets costing less than 50 cents.

"I WANT THE PEOPLE TO WORK LESS FOR THE GOVERNMENT AND MORE FOR THEMSELVES"—COOLIDGE.

The administration passed three revenue acts slashing taxes. The latest one alone saved the people more than \$400,000,000 a year, or almost \$4 for every man, woman and child in America.
The people are being saved \$6,000,000 daily in taxes as compared with 1921. The cost of government has been cut that much. The national debt

has been reduced \$2,750,000,000 in three years. Waste of public money has been stopped and billions saved to the people. There is a treasury surplus that will justify another cut in income taxes.

PROSPERITY IS SWEEPING OVER THE COUNTRY WITH A RISING TIDE.

When this administration took office there were bread lines, unemployment and general distress. All this has been changed. Unemployment has been wiped out and prosperity restored. Liberty bonds, that sold then around 86, are worth more than par today.

Just as the Dawes budget fixed a policy of domestic economy, the Dawes plan gave the world new hope. German finances and credit are restored. She is again buying American wheat and the price has turned sharply upward.

The Dawes plan is a stroke of genius. It is the greatest peace measure since the Armistice. It opens the way to the restoration of Europe and restores great markets for American goods and farm products. It assures the United States of payment of war debts owed by foreign nations.

These Are Honest, Sound, Sensible, and Constructive Accomplishments

Don't be misled by wild promises or wilder charges by the outs. Vote November 4 for the constitution and your own best interests. Vote for a government of common sense.
