

**CHURCH OF CHRIST.**

It is very important at this season of the year that we have the support of the entire working force of the church, and it becomes very necessary for all who want to do any work for the church to attend the church services, at least some of them, regularly. Sunday, December 14, has been designated "Membership Day." What a great day it would be if every member of the church should be present for the morning worship on that day.

While we are rallying the membership, we are earnestly urging those who are not members to attend, and members of other churches without a church home. In this community we are invited to worship with us. Sunday School, 9:45 a. m. Morning worship, 11:00 a. m. Christian Endeavor, 6:30 p. m. Evening worship, 7:30 p. m. C. F. TRIMBLE, Pastor.

For furniture repairing, upholstering, paper hanging, call Main 802.

**ZEROLENE WINTER LUBRICANTS**

This year don't wait for the oil to congeal and half-lubricate bearings, cylinder walls, etc. Don't overwork your starter and risk having to make expensive repairs.

Change to free-flowing, low "cold-test" Zerolene lubricants as recommended in the Zerolene Correct Lubrication Chart for the winter lubrication of your car.

Head for the Zerolene sign at dealers, garages or Standard Oil Service Stations and make the change to winter lubrication today.
